Dear Jim:

I understand that the Forest History Foundation has appropriated \$1,000 toward the publication of a one-volume history of the lumber industry in Mississippi, and I congratulate you on your success in arranging for the publication of this book.

I should like to publish a little news item about this in the Southern Lumberman if you will furnish me with all the necessary facts - the name of the author, size of the book, probable date of publication, etc.

I have not had the pleasure of seeing you for a long time but hope you are getting along all right.

With best wishes, I am

Yours very truly,

STANLEY F. HORN
