Dear Professor Silver:

Enclosed is a reprint of "Southern Racial Attitudes," an article written in collaboration with Professor James W. Prothro. The article is a by-product of our continuing study of Negro Political Participation in the South. I hope you will find it of some assistance in preparing your presidential address.

While Professor Prothro and I have studied one Mississippi community (not Hattiesburg), this phase of our analysis is neither completed nor published. Thus the only data and interpretations we have which are currently available concern the South as a whole.

Would you be good enough to send us a copy of your address if it is printed or mimeographed?

Sincerely,

Donald R. Matthews
