University, Mississippi

Dear Dr. Silver:

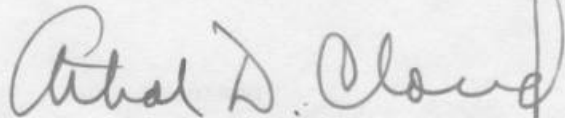

I had a little note from Jimmy there at the University a few days ago that I enjoyed.

Perhaps you will be interested in it, too. Hence I am enclosing a copy of it for your perusal.

Mrs. Cloud and I would like for you to remember us to Betty, whom we got to know rather well in the work of the Church there at Oxford and whom we admired very much. Is Betty attending Ole Miss? It would be our guess that she has a good scholarship at some one of the better known schools.

If the Silvers have occasion to travel through our part of Texas at any time, we'd be glad to have you stop by to see us. You probably will have to be "travelin'" in some direction before long if the Mississippi politicians, the Citizens Councils, and the Ku Klux Klansmen get their "'druthers!"

Faternally,

Athol D. Cloud
