Dear Jim:

Muriel and I were very pleased to learn that you and Dutch are finally going to pay us a visit. I had been talking to William Winter about he and Elise coming by to see us while they were over here. He stated to me this afternoon that he thought that the executive council would not last too long. Therefore, I thought that it might be nice if you all could come out to our house as soon as that is over.

I will plan to meet you at the Hotel Vicksburg and accompany you out to our house. We are looking forward very much to this opportunity.

Incidentally, I don't know whether I ever thanked you for sending me "Virginia's Massive Resistance". I certainly found it extremely interesting. However, those who needed to read it most ignored it.

With our warmest regards, I am

Yours,

GWRJr/j
