Dear Dr. Silver:

This will acknowledge receipt of your letter of  
October 17 in reply to my letter of October 14.

Since I agree with you that neither one of us is  
disposed to change his mind, I do not believe any  
good purpose would be served by continuing our  
discussion. However, I am constrained to say that  
in my opinion any faculty member feeling as you do  
and making the statements contained in your letter  
to me has out lived his usefulness to Ole Miss.

Yours very truly,

Edward J. Bogen
