PRESIDENT'S OFFICE

Rust College
Holly Springs, Miss.

Dr. James W. Silver
The University of Mississippi
University, Mississippi

Dear Dr. Silver:

I am grateful for your letter of May 12. I understand your position. I hope, however, that when Dr. Kirk, the brains behind the idea, is on campus we can come to see you or have you come to see us. I am sure that your experience and wisdom can help us bring the idea into program form. It is our hope that we can get things planned to begin our work by the beginning of 1965.

I understand that you were on the Rust Campus the other day. We are grateful for the book contributions you have made, they have been of real service to us.

Yours very truly,

Earnest A. Smith
President
