A Council to attain the ideals and practices of equal opportunity for all peoples in the South

November 27, 1962

Professor James W. Silver  
College of Liberal Arts  
The University of Mississippi  
University, Mississippi

Dear Jim:

The check for your expenses is enclosed.

You did a tremendous job and were altogether the star of the meeting.

Thank you for your letter. I was glad to get the reassuring note about Meredith.

The next issue of New South will have something in about voter registration difficulties in Mississippi, and we shall send it to you. Enclosed is an older New South which also had a piece. Had you been at the meeting Monday afternoon you would have heard Wiley Branton giving a lurid description of some events out there which will be covered in less detail in the forthcoming New South. I am passing your letter on to Wiley with the request that he write to you further if he has anything to send off.

I am putting you on our mailing list as of now and entering also a one year gift subscription for New South.

With every good wish,

Sincerely yours,

  
Leslie W. Dunbar
