Dear Dr. Silver:

Enclosed is a copy of a letter recently received from Elwood R. Maunder, Director of the Forest History Society, Inc.

I was interested to note that Mr. Maunder expects the forest history by Nollie Hickman to be completed in 1961. Several persons have asked me the status of the printing of this book. And I would appreciate your bringing me up-to-date on it.

It is good to know that the Forest History Society is prepared to pay \$1000 toward the cost of subsidizing publication of the book. Although an MFA Forest History Committee has not been appointed for 1961, the Executive Committee agreed such a committee would be appointed as the printing of Mr. Hickman's book nears completion.

Looking forward to hearing from you.

Sincerely yours,

MISS. FORESTRY ASSOCIATION
