WASHINGTON

OFFICE OF THE SECRETARY

January 12, 1953

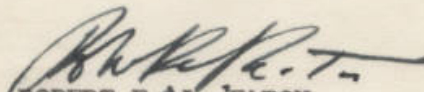

Dear Dr. Silver:

I am happy to accept your kind invitation to address your forum in March. Tuesday, March 17 would be the most convenient date for me, but if this does not fit into your schedule I will be glad to come at another date.

At this writing I do not know the exact topic of my address, but it will be on the general theme of "Air Power and its Role in National Defense". I will plan to arrive at Memphis Municipal Airport at approximately 3:00 o'clock, Central Standard Time. However, I will notify you of the exact arrival time on the morning of the 17th.

If there are any specific questions or items which you can anticipate, I would appreciate it if you would let me know in advance. I shall look forward to seeing and being with you and your forum group on March 17th.

Sincerely,

ROBERT E. L. EATON
