SAINT PAUL 16, MINN.

April 10, 1958

Mr. Donald Lampland
Lampland Lumber Company
419 8th Street
St. Paul, Minnesota

Dear Don:

In keeping with a Foundation policy which seeks to bring businessmen and scholars into closer relationship, the Forest History Foundation is holding its annual meeting this year concurrently with the annual meeting of the Mississippi Valley Historical Association in the Twin Cities.

We have planned a special event to which I hope you may be able to come as the guest of the Foundation. Phi Alpha Theta, national professional fraternity of historians, has joined us in sponsoring a luncheon meeting Thursday, April 24, at the Nicollet Hotel. The speaker, Dr. James Silver of the University of Mississippi, will speak on his experiences in researching and writing business history. Dr. Silver is a member of the FHF's Board and the originator of the Lumber Archives at Ole Miss.

You are cordially invited to attend other sessions of MVHA. Immediately following our luncheon meeting, Mr. John M. Budd will moderate a session on railroad history featuring papers by Dr. John S. Cochran of Harvard and Dr. Muriel Hidy of the Business History Foundation.

Please let me know if you can attend on the 24th and I will make a reservation in your name.

With all best wishes.

Sincerely yours,

ERM:al
