-W. J. SIMMONS EXECUTION AUTHORITY-

(Citizens' Councils Leader, Mississippi, U.S.A.)

I pay due tribute to thee, thou art as a mighty cedar of B'Sherreh on the mountain of Lebanon, gnarled and torn by the fury of Satan's wind, but standing yet as a beacon on a hilltop, - a steady firm Cape Hatteras light in an Atlantic hurricane, - a noble moral laser shining forth the light of truth and the everlasting goodness of JEHOVAH. Thou art a mighty cedar of Lebanon to the stunted thistles and briars which infest Satan's most pernicious stronghold in the United States, - Mississippi. But be of good cheer, thine cause wilt be holpen with more than a little help.

For you must know that the last (15/11/1963) issue of TIME was about me in shibboleth form. (See pages 22 & 23, - have SMITH'S BIBLE DICTIONARY, Holt, Rinehart & Winston, Inc., 383 Madison Ave., New York 17, New York, handy & go for the middle word.) For I was born at Bradshaw St., Woolloowin, Brisbane, on 15th Nov. 1927. The 25th Oct. 1963 issue of TIME announced to the Jewish world that I am he who is listed on page 401, col. 1 in SMITH'S. If you look at pages 36 & 37 of the 25/10/1963 issue you will see "BRISBANE" under the second photo on p. 36, "Howard" in col. 1 on page 37

and "Robinson" (the nearest approach they could make) in col. 2 on p. 37.

The reference to Winchell in col. 1 p. 37 of 25/10/1963 TIME apparently means that that whelp in a grey flannel suit Walter Winchell is sniping at me through the "Dear Abby" columns.

If Winchell were a prudent man he would have picked a less formidable opponent. For I am the servant of JEHOVAH, e'en He, the Mighty One of Israel, - Him do I love, and Him do I serve to the last roll of His Ineffable Word. For let it be here known, - let the trumpet sound in Tekoa (Jer. 6:1) and let the Horn of Enoggera thunder-rumble it o'er the seas and the mountains and the prominences of the earth, o'er the kings and their kingdoms, o'er princes and their meretricious palaces, - let those who doubt, doubt, let those who deride crackle like thorns in a pot, but let tyrants tremble and let their knees start to knock and their hearts fail them in wonderment, for now is the hour and this is the valley of decision. For the hour of the Divine Wrath of JEHOVAH, the Mighty One of Israel, is at hand. For no escape is possible and no concealment proof against the Matchless Justice of His Divine Wrath. For the Ineffable Word of JEHOVAH and Sublime Majesty of His Everlasting Divine Love shall prevail, shall prevail.

The monstrous, the Satanic social state of affairs you speak of is to be terminated and you James Silver are to be the executioner.

I have weighed Simmons in the fine balance of JEHOVAH's Scales of Justice and found him wanting. Let him be executed immediately.

FORMAL EXECUTION COMMAND.

This is a formal Divine Command from Howard James Robertson of Brisbane, servant of JEHOVAH, the Mighty One of Israel, to James Silver of Oxford, Mississippi, that he, James Silver shall make plans immediately and forthrightly to execute W. J. Simmons of Citizens' Council, Mississippi, by whatever means is at his disposal and that he James Silver shall leave this formal execution command lying on the slain carcass of Simmons to exonerate him personally from political or legal recrimination by the State of Mississippi or the United States of America and that he James Silver shall make his escape to a haven of safety by the best means available to him.

If you doubt that I am he who is spoken of on p. 401 col 1 of SMITH'S BIBLE DICTIONARY let this be a sign to you. If you discover the words or some of the words of the titles or chorus of the first three (nos. 1,2, &3) Negro spirituals listed on the attached sheet threaded through the text of the next issue of a popular magazine and then on the following week the words or some of the words of the titles or chorus of the last three (nos.5,6,&&7) are threaded through you can be positive that the Somebody who is knocking at your door is the Mighty One of Israel, JEHOVAH.

When you get the first shibboleth message send the CARMEL portion of this page by air mail to the editor concerned for he will not put the second part, BASHAN, in until he gets CARMEL through the post. When you get the second shibboleth message, send BASHAN by air mail to him. Leave only the first portion of this letter up to the 0000000 on the body. When the editor concerned gets BASHAN he will insert an advertisement in the books section of the Jackson morning paper concerning Cassander, Lysander, Ptolemy, or Seleucus or a closely analagous historical reference. Read up on these men in the meantime. When you see the Cassander, Lysander, Ptolemy, or Seleucus reference in the books section of the Jackson morning paper on three successive days that is your green light to perform the execution.

Be not dismayed at the apparent impregnability of Satan's kingdom on earth - the darkest hour is just before the dawn.

I have worked hard for mine beloved JEHOVAH.

Go thou therefore forthwith and do likewise.
