about it and then  
Miss Manning showed  
her how to put a hood  
And believe me old Leon  
I have got a hood and  
I was not for sure if  
there would be any thing  
left to put on the time  
but they were.  
So you spent your months  
pay for clothes and I thought  
myself a good silk hat  
not this or an. I would  
like to know how

Friday.  
April 30 - 21  
Dear Alice:  
Well baby I am feel-  
ing some better to day  
no chill and dry things  
are out to keep. But  
I will get out of it yet  
if I live long enough and  
die happy, don't you think?  
I am am glad that your  
cold is better and are  
hope that the good about  
keeps up, as you are

for an outing yesterday still  
sure hope that you had a  
real good time, well I will say  
that we would not go on an  
outing if I was there the first  
night anyway, @ baby look out  
if I ever do get able to get out  
of here and come down, we  
will have one good time if  
never another.

yes sugar I am getting my  
back rubbed every day and they  
rub it to and I don't mean  
only, I had a word with a  
new nurse the other night about  
rubbing it and she went and  
got Miss Dunning and I told  
Miss Dunning just how she  
rubbed it and then she told  
her that they rubbed backs on  
this ward and did not play

like that and she did  
not say any more about  
getting up.

Jim was on the street  
after noon and stayed about  
10 minutes and said that  
he wanted to help yesterday.  
But I hope not soon.

Brighten up!

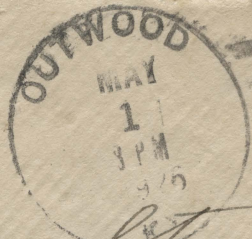

Love  
Frank.

Remember you can  
support me to have  
any thing and you  
spending it all for  
clothes, but go to  
my old time to  
them or ill plenty of  
them after we are gone.  
But you should see  
that is both not it is  
not so hard but just  
not so long.  
The main business is  
still here.  
You asked me about

my pipe, yes but I bought  
myself a corn cob and we  
sure make the smoke fly  
But I changed tobacco and  
it does not seem to bother  
me any if it does away it  
goes.

no I have no doornut for my  
ear remember sweetie that I  
have not got my Pal and  
baby here to do little things  
like that for me, and I sure  
do miss her to but dont you  
say anything to her about  
it see,

My father was over Mon-  
day after noon, he thinks  
that I should be up an about  
within the next couple of  
weeks, I asked him what  
in the H—? he thought J. B.  
was a bad cold or something
