Dear Alice:
I do not know what
makes you think that
I was or am fitting to

and days that I did
not feel like writing

you know the cause of it
I told you every day that
I had a chill and about
my Temp so sweetie get it
out of that head of mine that
I am trying to keep my
feelings from you, I am feeling
about the same to night as
I did last night my Temp
is hanging fire on 38 and has
been for two days both night
and morning I am wondering
which way it will go, and
hoping down but cant tell
till it goes,

not bothered for some

shoot through it.

was down Sunday and
brought a nice fried
chicken and baby

what I did to it for
supper was a shone I did
make out to have three
pieces for my dinner yesterday
it sure did taste good.

feel for you when it
comes to having your teeth worked
on for I have had enough of
it done.

well I expect that the
hair has had another trim by
this time, How about it?

I bid.
I want.
