# Successful Candidates in the CPA Examination November 1977

Of the three hundred and fifty-two DH&S staff accountants in the U.S. who successfully passed the November Uniform CPA Examination, eight received special recognition for their outstanding performance. Seven of the eight staff members were awarded Elijah Watt Sells certificates of honorable mention from the AICPA. They were among the seventy-one accountants honored for taking and passing all four sections with the highest grades. The eighth staff member, **Marc Crespi** of the Philadelphia office, received the Alexander E. Loeb Silver Medal for scoring the second highest grades in the State of Pennsylvania.

Honored by both the state society and the AICPA, **Linda Conley**, a senior assistant in Charlotte, scored the third highest in the State of North Carolina on the exam. Linda received a BA in political science from East Carolina University and her MA in public administration from North Carolina State University. Her graduate work in accounting was completed at Virginia Polytechnic Institute. She is active in both the National Association of Accountants and the North Carolina Association of CPAs. She joined DH&S last November.

Senior assistant **Bob Dickinson**, Kansas City, scored the second highest grades in Missouri. He, too, received state and AICPA recognition. After serving two internships with the Kansas City office while in college, Bob became a full-time staff member last September. He received a BS in business administration with high honors from Rockhurst College in Kansas City.

**Emma Guerra**, Miami assistant, scored the second highest grades in Florida on the exam and received a silver medal from the Florida Institute of CPAs along with her Sells certificate. Emma holds an AA degree from Miami Dade Community College and a BS in business administration from Florida International University. She was elected corresponding secretary for the Honorary Accounting Society at FIU, and is presently active in the American Society of Women Accountants.

**Bob Kirby**, an assistant accountant in the San Francisco office, also received a Sells certificate. He graduated from Golden Gate University with an MBA in accounting in September of 1977. He holds a BA in psychology from the University of Illinois and studied journalism at the University of Michigan before joining the army in 1971. He is a member of the National Association of Accountants.

**Jeff Lawyer**, an assistant in Orlando, scored the highest grades in Florida on the exam and received the gold medal from the Florida Institute of CPAs in addition to the AICPA citation. Jeff graduated from Daytona Beach Community College in 1975 with high honors and then continued his education at Florida State University in Tallahassee, where he graduated summa cum laude in August 1977 with a BS in accounting.

**Gary Mendoza**, an assistant accountant on our Los Angeles staff and Sells award winner, graduated magna cum laude from Claremont Men's College in June 1977. He holds a bachelor's degree in economics and accounting.

A member of the Portland small business services staff, **Carol Stearns** scored the top grades in Oregon on the exam, for which she received a state award and her Sells certificate. Carol has a BA in Spanish from Willamette University and studied accounting at Portland State University. She worked as an accountant for an individual practitioner for almost five years before joining us. Carol is a member of the Oregon Society of CPAs and the local Accounting Aid Society.

Philadelphia assistant **Marc Crespi**, honored by the Pennsylvania Institute of CPAs for the second highest grades in the state, was a scholarship student and summa cum laude graduate of the University of Pennsylvania Wharton School of Business Administration. He holds a bachelor's degree in economics and a master's in business administration.
