My dear Mr. Meredith

I am disappointed

You will find, my dear boy, you cannot legislate morals, respect and equal opportunities. We all face inequalities in one way or another, especially socially. The empty seats next to you will be there a long time in the hearts of those you have strived to reach.

I would like to see your people earn their way. Dream always rises to the top. A fight never helped anyone. I would like to see you come out of this experience and become a real leader and hero who could teach your people to get rid of self pity and make the most of opportunities open to them. There are opportunities - many of them.

Sincerely,
Nancy Schmidt
