Mr. Meredith
I'm not an Anglo-Saxon (I'm of
Mexican descent) but let me
ask you: do you really think you've
advanced the cause of the negro?
Believe me, you have not! No one
admires a person who pushes him-
self upon others; I don't! And from
now on your people are going to be
regarded with suspicion and anta-
gonism or ill-feeling. I assure you
that I'll be one of those in the
vanguard. Letter follows, Chico
