James Meredith - Negro student -  
You have no respect or love for your  
race - how can any of your  
race, other than the 5% who are  
members, and controlled by Whites & Negroes  
known as NAACP, respect you or  
care any thing for you?  
You have lied to your race - and  
to whites - it is too bad that our  
President has been misled - mis-informed  
in your case - and with his immature  
brother Robt. Kennedy - has wasted Millions  
of dollars of the peoples tax money & lowered  
their standing, as citizens - abused  
the offices to which they were elected.  
You lied when you claimed to want  
an Education - there are numbers of  
high rated Colleges that you know - would  
be more congenial to you - you also know  
that you are nothing in the U.S.

(2)  
You also know - that gov elected officials  
of our Government - are using  
this demonstration of illegal power -  
for political - Negro votes - which  
they hope to get - , this, no doubt  
pleases the un-American groups  
in NY, - all of which are largely  
controlled and financed - by spies  
of USA - . You also know that  
you are highly paid - to force your  
self - where you are not wanted -  
This Country would be much better  
off - had you and your kind never  
been born, and it is hoped all of  
your kind, be short-lived, or leave  
USA.

A census shows - that over 85% of see  
USA Negroes - are OK - and want  
no part in NOCCP - by their desire  
to mix-races - This 85% have a  
pride in their race - Let me suggest  
same is for 100 million or more - you get out  
of Un. of miss - quickly as possible
