Dear Jim,

The guilt and the arrested psycho-sexual development of many whites produces the usual pathological reaction. Your courage and maturity are admirable to say the least. Let's hope that your adult example will inspire the yahoos around you to grow up.

Its efforts like yours that will make the U.S. habitable for those who now choose expatriation. Its people such as you who make us want to return.

Warmest regards,

Sheila McA Brown &
Robert F. Brown
