Dear Mr Meredith,

My husband & I wish to say  
"God Bless & Keep you safe" for the very  
courageous way you are maintaining your  
stand over the vicious imbeciles who are  
creating such an example of cannibalism.

I guess you say it's O.K. for them  
to talk when they're miles away from it  
all." But we do sincerely wish you  
happiness for the future when sanity  
has once more been restored to these  
animals who are treating you this way.

Yes, we are white of skin, but when we  
read of things like this we are ashamed.

Though we are younger than you (24 & 27 respectively)  
we have spoken with many both older &  
younger & not one hasn't issued a fervent  
prayer for your safety & happiness. Before my  
husband was discharged last year from  
the R.A.N. after completing his term of  
service he met many Americans

both black & white with many varying shades in between & become friends with them whilst overseas.

As with all races, colours, or creeds there is good & bad & any one who has studied & attained University standards as you have is a very worthwhile member of the community to be assisted in every way so that he in turn will encourage & assist others.

Well Mr Meredith as I'm in bed with some wog or other & supposed to be back at work tomorrow I'd better let nature take over & get some sleep or I'll be in bed for another week.

Cheerio for now. Keep your chin up. Say "Hello" from Australia to your friends & family. God Bless & keep you safe in Health wealth & Happiness.

Yours Sincerely

Mr. & Mrs. Pam & Barrie Brown.
