to be returned
Dear Mr. Meredith:

We have read in the news-
paper here in Manila, that the
students in that University don't
like you, because you are a
negro. If that is the case, why
insist? I don't think you will
be happy there, farther more
according to the newspaper
2 men were killed and 75-
injured. Why not enroll
in a university for negroes?
Just because of you, some
were killed and others injured
Please leave if you know
what is good for you. Don't
insist if they don't like you.
An observer.
