Dear Mr. Meredith,

Members of the Fellowship of Reconciliation here ;in the fiftieth State have read with horror of the unconstitutional actions which have been taken to exclude you from Mississippi University, by people in responsible positions who should be ashamed to call themselves Americans

Our sympathies are entirely with you in your fight for the recognition of your human rights, and in your fight for a higher education. It is shameful that any person in this country should be treated in such a humiliating and insulting manner, and we assure you that our thoughts and prayers are with you in your brave fight.

We know that with such cases as yours, the segregationists are fighting a losing battle, and that the whole of the South must soon be desegregated, though it entails great personal sacrifice and courage on the part of people like yourself.

On behalf of the whole group, may I wish you every success.

Very sincerely yours

B. A. Lockwood  
Co-chairman  
Honolulu F.O.R.

Brian Lockwood
