Dear MR. Meredith,

My name is Stuart Gordon and I have a friend named Gary Marinese who helped me write this letter. My friend and I are in the 7th grade.

We would like to know how it feels going to the University of Mississippi. We would like to know because we think you have the ~~wright~~ to go to any school you want to go to. ~~wright~~.

Because when Lincoln was our PRESIDENT he said every man is created equal. We don't think the people and the Governor are living up to what he said. You should be able to learn any subject you want to learn, ~~no~~ matter what your race is. We hope it works out all right for you.

Sincerely yours,
Stuart Gordon
