Dear Mr. Meredith

What
courage you have and
many others here in Aust-
ralia admire what you
are doing. Surely, there
are a few who silently
respect you at the University
but are too cowardly and
stay with the mob. I am
sure some Americans are
not like this, because
they did such a fine
job for our country

during the last war.

Surely, justice for your people must prevail in the end, and this shocking example will be stamped out!

Best of luck James for your success and happiness.

Yours sincerely,
Jill Aboud!
