Dear Mr Meredith,

My wife and I
both wish you the very best
with your enrollment at the
Mississippi University.

Man is showing himself at his
worst at the moment, but keep
your head held high Mr Meredith,
things will work out for you.

We are led to believe that U.S.A.
is the land of the free, but
is it, when one reads of all the
trouble one man has heaped
upon him as you have had.

We were in your beautiful
country two years back
and some of the best friends
we made, were people of your
own race. Wish the world in
such a state it sure is one
hell of a deal when this
disgusting crisis is brought about
just because of the color of
one man's skin.

Well Mr Meredith keep your
chin up and always
remember there are people
in this world that love
all men no matter what
color they may be,

Yours sincerely,

Kenneth Lumbull
