Dear Mr. Meredith:

We are following your progress and hoping that the days ahead will be better for you. We greatly admire your courage and perseverance and abhor the forces on the Mississippi campus which are hindering your advancement. We believe that you are right in your insistence on an equal education and there is no reason why you shouldn't get it in your home state, but if the going gets too "rough" there are many colleges which will welcome you — Mankato State College is one of them.

Sincerely yours,

Mrs. Jason T. Nicol
