Mr. Meredith,

I think that you are a very wonderful person. It is a very noble thing that you are doing.

Through the newspaper I have been following the difficulty you have been having and I am very glad that you finally got enrolled.

I know that you will get along very well with your studies.

When I go to college, I hope to take a veterinarian course and I would be very interested to know what course you are taking.

I am wishing you the
best of luck always,

Sincerely,

Sally Carter (age 12)
