Dear Mr. MEREDITH,

With thorough sympathy we watch your noble and courageous struggle for equality of Human Rights, as well as certainly millions of other white people do here and everywhere.

Allow me, therefore, to express you our most friendly feelings for you personally, as well as for all your oppressed brethren and sisters.

We are ashamed to belong to the same race as your mean, ignoble and primitive persecutors, for whom we feel nothing but contempt and disdain.

Let me assure you that you are not alone in your fight for Freedom and Justice, and that you have fellow combatants and friends all the world over.

With our kindest regards and with a hearty shakehands from myself, my wife and family,

P.S.- We should be most happy if you would drop us a line so as to know whether you received our message.
