To the Members of the

AMERICAN INSTITUTE OF ACCOUNTANTS

The list of officers and committee members, and the proceedings of the annual meeting of the Institute, are now published separately from the Year Book, which will appear hereafter once every two years.

The change, approved by council at the meeting last May, has been made not only in the interests of economy, but also in order to furnish the membership with this information more promptly than was possible when it was incorporated in a large bound volume.

The committee lists cannot be printed until the new appointees are notified and their acceptances received following the annual meeting. The new system, however, makes it possible to send these lists to the members considerably earlier than when they were incorporated in the Year Book and, hereafter, they should be available during most of the fiscal year in which the officers and committee members hold office.

Edward B. Wilcox presented the report of council.**

F. H. Hurdman moved adoption of the following resolution proposed in the council report which on motion duly seconded was approved:

WHEREAS, the committee on auditing procedure of the American Institute of Accountants in a special report issued in October, 1947, among other things has stated that:

"While it is not practicable, because of the wide variance of conditions encountered, to issue anything like an 'all-purpose' program of auditing procedures it is possible to formulate a pronouncement with regard to the auditing standards requiring observance by the accountant in his judgment exercise as to procedures selected and the extent of the application of such procedures through selective testing." (Paragraph 6, page 7).

and that:

"Auditing standards may be said to be differentiated from auditing procedures in that the latter relate to acts to be performed, whereas the former deal with measures of the quality of the performance of those acts, and the objectives to be attained in the employment of the procedures undertaken. Auditing standards as thus distinct from auditing procedures concern themselves not only with the auditor's professional qualities but also with his judgment exercise in the conduct of his examination and in his reporting thereon." (Part of first paragraph, page 9) and has presented the following brief summary of the meaning of generally accepted auditing standards (page 11):

General Standards—

1. The examination is to be performed by a person or persons having

adequate technical training and proficiency as an auditor.

2. In all matters relating to the assignment an independence in mental attitude is to be maintained by the auditor or auditors.

3. Due professional care is to be exercised in the performance of the examination and the preparation of the report.

Standards of Field Work—

1. The work is to be adequately planned and assistants, if any, are to be properly supervised.

2. There is to be a proper study and evaluation of the existing internal control as a basis for reliance thereon and for the determination of the resultant extent of the tests to which auditing procedures are to be restricted.

3. Sufficient competent evidential matter is to be obtained through inspection, observation, inquiries and confirmations to afford a reasonable basis for an opinion regarding the financial statements under examination.

Standards of Reporting—

1. The report shall state whether the financial statements are presented in accordance with generally accepted principles of accounting.

2. The report shall state whether such principles have been consistently observed in the current period in relation to the preceding period.

3. Informative disclosures in the financial statements are to be regarded as reasonably adequate unless otherwise stated in the report."

NOW THEREFORE BE IT RESOLVED, that:

(a) The foregoing excerpts from the committee's report are hereby approved and adopted,

(b) The use of "generally accepted auditing standards" in the reports or certificates of independent auditors shall be deemed to refer to the standards

* Published in *The Journal of Accountancy*.

** Published in *Annual Reports of 1948 American Institute of Accountants*.

or principles set forth in the foregoing summary and

- (c) The references on pages 10 and 12 of "Extensions of Auditing Procedure" to the Institute's 1936 bulletin *Examination of Financial Statements* are no longer applicable.

BE IT FURTHER RESOLVED, that the council of the American Institute of Accountants recommend the adoption of the foregoing resolution by the membership of the Institute at its next annual meeting.

A motion was made and seconded that the following revision of Rule 15 of the rules of professional conduct proposed in the council's report be approved for submission to the membership by mail ballot:

A member of the American Institute of Accountants engaged in an occupation in which he renders services of a type commonly rendered by public accountants, must observe the by-laws and rules of professional conduct of the Institute in the conduct of that occupation.

Frederick B. Andrews moved as an amendment to the motion that the proposal to amend Rule 15 be referred back to the committee on professional ethics for rewording, so that the only change would be substitution of the words "an occupation in which a member renders services of a type commonly rendered by a public accountant" for the present reference to the practice of public accounting. The amended motion was seconded, put to a vote, and failed.

The chairman called for a vote on the original motion to revise Rule 15 as submitted in the report of council. The motion was approved by more than a two-thirds vote of those present.

J. William Hope moved that the members present consider a proposal to amend the by-laws as recommended in the report of council, to provide for a committee on admissions separate from the board of examiners, so that the lat-

ter might be free to devote its entire attention to the uniform CPA examination. The motion was seconded and carried by unanimous vote.

It was thereupon moved and seconded that the following proposed amendments to the by-laws be submitted to the membership for mail vote:

Amend Article II as follows:

Wherever the words "board of examiners" appear in this article, substitute the words "committee on admissions."

In Article II, section 4, delete the words "initiation fee and."

Amend Article VIII, as follows:

Section 4. After the words "board of examiners," add the words, "and committee on admissions."

Amend Article IX as follows:

Amend Article IX, Section 1, by changing the word "fifteen" to "sixteen" and by adding to the list of standing committees, under "professional ethics," and above "accounting procedure," the committee on "admissions."

Take in after Article IX, Section 2 (d) the following new Section (e) and reletter paragraphs (e), (f) and (g); (f), (g) and (h):

"(e) The committee on admissions shall consist of five members in practice, elected by council for a term of three years, except that of the members first elected one shall serve for one year, two for two years and two for three years. It shall pass upon all applications for admission to the Institute as members or as international associates, before such applications are acted on by the council. The committee on admissions shall determine whether or not applicants possess the qualifications for election required by Article II. It may in its discretion in any case require an oral, written, or partly oral and partly written examination in addition to the examination taken by the applicant for his certificate as a certified public accountant.

The committee on admissions shall elect a chairman and shall formulate rules and regulations for the conduct of its work, but all such rules and regulations may be amended, suspended or revoked by the council."

Amend Article X as follows:

Section 1. After "article," insert "or elsewhere in these by-laws."

Amend Article XII as follows:

Delete all three sections. Article to read as follows: "Section 1. Preparation of a uniform examination which may be adopted by the legally constituted authorities of a state or territory of the United States or the District of Columbia in examining candidates for the certified public accountant certificate and conduct of the grading service offered by the Institute shall be under the supervision of a board of examiners which shall consist of nine members in practice, three of whom shall be elected each year by the council, at its first meeting after the annual meeting of the Institute, to serve for a term of three years.

"Section 2. The Board of examiners shall organize by the election of a chairman and shall formulate the necessary rules and regulations for the conduct of its work, but all such rules and regulations may be amended, suspended or revoked by the council. The board may appoint duly qualified persons to prepare examination questions and to grade the uniform examination papers submitted for the grading service conducted by the Institute."

The motion was approved by unanimous vote.

Upon motion duly seconded, the report of council and all acts of council during the year were approved.

Maurice H. Stans summarized the report of the auditors.* On motion duly seconded the report was received.

At the request of the chairman, Charles W. Hatter, chairman of the committee

on by-laws, presented proposed changes of the by-laws which had been submitted to the membership in the committee's report included in the official notice of the annual meeting. The chairman called for a vote on Proposal No. 1 which read as follows:

The purpose of the following proposed amendments is to give effect to the following resolution adopted at the meeting of council held at Miami Beach, Florida, on November 3, 1947:

"WHEREAS, As a result of the recent amendment of the by-laws of the Institute by which presidents of the various state societies are now made members of the council of the Institute; and

WHEREAS, The various problems which have been considered in the Advisory Council of State Society Presidents are also considered by the council of the Institute; and

WHEREAS, It is now felt that the consideration of these problems by each body, the Advisory Council and the council of the Institute, is a duplication of effort which should be eliminated;

THEREFORE, BE IT RESOLVED, That the Advisory Council of State Society Presidents be discontinued."

1. Delete the entire Article XIV as stated, since it now serves no useful purpose.

2. Renumber the present Article XV as Article XIV.

On motion duly seconded the proposed amendment was given unanimous approval for submission to the membership for mail vote.

The chairman of the committee on by-laws presented the following Proposal No. 2:

The purpose of the following proposed amendments is to provide additional necessary changes to bring the by-laws into conformity with the amendments which created the trial board as adopted by mail ballot on January 20, 1948:

*Published in Annual Reports 1948 American Institute of Accountants.

1. Amend Article V, Section 1, by inserting the words "by the trial board" in place of the last three words of this section which at present read "by the council."

2. Amend Article V, Section 4, by inserting "by the trial board" in place of "by the council sitting as a trial board."

3. Amend Article V, Section 4 (d), by inserting "by the trial board" in place of "by the council."

4. Amend Article V, Section 4 (f) by inserting "of any state, territory or territorial possession" in place of "of any state or territory."

5. Amend Article V, Section 4 (g) by inserting "of any state, territory, or territorial possession" in place of "of any state or territory."

6. Amend Article V, Section 5, to read as follows: "A member shall be expelled if the trial board finds by a majority vote of the members present and entitled to vote that he has been convicted of a felony or other crime or misdemeanor involving moral turpitude. If in such case the conviction shall be reversed by a higher court, such member may request reinstatement and such request shall be referred to the committee on professional ethics which, after investigating all related circumstances, shall report the matter to the trial board, with the committee's recommendation, whereupon the trial board may, by a majority vote of the members present and entitled to vote, reinstate said member."

7. Amend Article VIII, Section 4, by striking out the words "discipline of members."

The chairman called for a vote, and on motion duly seconded, the proposed amendment was approved.

The chairman of the committee on by-laws presented the following proposal No. 3:

The purpose of the following proposed amendments is to provide for

the increase of the number of vice presidents of the Institute from two to four, as directed by action of the council at its meeting held on May 5, 1948. This action is considered to be necessary in view of the great increase of membership of the Institute which requires more and more of the time of the president and his vice presidents. It is further necessary that places should be provided for these two new vice presidents upon the executive committee; thus increasing its membership from eleven to thirteen members. The committee on by-laws believes it necessary to provide that a quorum of the executive committee should be raised from four, as presently stated, to a new required quorum of five:

1. Amend Article VII, Section 1 (c) to read as follows: "The following officers of the Institute: a president, four vice presidents (no two vice presidents shall be residents of the same state), and a treasurer, all of whom shall be members in practice and shall be elected at the annual meeting for a term of one year or until their successors shall have been elected; and."

2. Amend Article IX, Section 2 (b) to read: "The executive committee shall consist of the president, four vice presidents, and the treasurer of the Institute and seven other members of the council elected by the council. Five members of the committee shall constitute a quorum of the executive committee."

On motion duly seconded, the proposed amendment was approved.

Mr. Reedy introduced The Honorable Martin H. Kennelly, Mayor of Chicago, who extended greetings to the members present and spoke briefly on municipal problems.

The chairman called for a vote on the following proposal to amend the by-laws received by the secretary on July 21, 1948, filed in accordance with the provisions of Article XV of the Institute's

by-laws, and included in the official notice of the sixty-first annual meeting:

To THE

AMERICAN INSTITUTE OF
ACCOUNTANTS:

We, the undersigned members of the American Institute of Accountants, do hereby propose that the third sentence of Article XV of the by-laws of the American Institute of Accountants, which reads as follows:

"Any proposal to amend the by-laws, if approved by a two-thirds vote of the members present at such meeting in person or by proxy, shall be submitted to all of the members of the Institute for a vote by mail, and if voted upon by at least one-third of the members and if approved in writing by two-thirds of the members voting shall become effective as an amendment to the by-laws."

be amended to read as follows:

"Any proposal to amend the by-laws, if approved by a majority vote of the members present at such meeting in person, shall be submitted to all of the members of the Institute for a vote by mail, and if voted upon by at least one-third of the members and if approved in writing by a majority of the members voting shall become effective as an amendment to the by-laws; provided, however, in the event that any proposal to amend the by-laws is signed by more than ten per cent of the membership, such proposal shall be submitted to all of the members of the Institute for a vote by mail without first having received the approval of the members present at an annual meeting."

and request that this proposal to amend shall, in accordance with Article XV of the by-laws of the American Institute of Accountants, be embodied in the call for the next annual meeting of the American Institute of Accountants, and presented for the vote of the members at said annual meet-

ing; and if the proposal is approved by the required majority of the members present at said meeting in person or by proxy, we further request that the proposal to amend be submitted to all of the members of the American Institute of Accountants for a vote by mail.

(a) That no person shall act as a proxy for more than five members.

Article V

TERMINATION OF MEMBERSHIP

Section 1. Resignations of members may be offered in writing at any time and shall be effective on the date of acceptance. Action upon the resignation of a member in good standing shall be taken by the executive committee and, in the case of a member under charges, by the trial board.

Sec. 2. A member who fails to pay his annual dues or any subscription, assessment or other obligation to the Institute within five months after such debt has become due shall automatically cease to be a member of the Institute, unless in the opinion of the executive committee it is not in the best interests of the profession that his membership be terminated in this way.

Sec. 3. (a) A member who shall resign while in good standing may be re-

instated by the executive committee, provided the person applying shall submit with his application for reinstatement a reinstatement fee of \$5.

(b) The executive committee, in its discretion, may reinstate a member whose membership shall have been forfeited for non-payment of dues or other sums due by him to the Institute, provided the person applying shall submit with his application for reinstatement the amount of dues and assessments which would have been payable by him if he had not forfeited his membership, plus a reinstatement fee of \$5, the total amount payable in any case not to exceed \$35.

(c) No person shall be considered to have resigned while in good standing if at the time of his resignation he was in debt to the Institute for dues or other obligations. A member submitting his resignation after the beginning of the fiscal year, but before expiration of the time limit for payment of dues or other obligation, may attain good standing by paying dues prorated according to the portion of the fiscal year which has elapsed, provided obligations other than dues shall have been paid in full.

(d) A member who has resigned or forfeited his membership may not file a new application for admission but may apply for reinstatement under paragraphs (a) or (b) of this section.

Sec. 4. A member renders himself liable to expulsion or suspension by the trial board if

(a) he refuses or neglects to give effect to any decision of the Institute or of the council, or

(c) he is declared by a court of competent jurisdiction to have committed any fraud, or

court to be insane or otherwise incompetent, or

(f) his certificate as a certified public accountant is revoked or withdrawn by the authority of any state, territory or territorial possession of the United States or of the District of Columbia, or

(g) his certificate as a certified public accountant shall have been revoked or withdrawn by the authority of any state, territory or territorial possession of the United States or of the District of Columbia and such revocation or withdrawal remains in effect.

Sec. 5. A member shall be expelled if the trial board finds by a majority vote of the members present and entitled to vote that he has been convicted of a felony or other crime or misdemeanor involving moral turpitude. If in such case the conviction shall be reversed by a higher court, such member may request reinstatement and such request shall be referred to the committee on professional ethics which, after investigating all related circumstances, shall report the matter to the trial board, with the committee's recommendation, whereupon the trial board may, by a majority vote of the members present and entitled to vote, reinstate said member.

Sec. 6. The council may, in its discretion, terminate the affiliation of an international associate.

Article VI

TRIALS AND PENALTIES

Section 1. Any complaint preferred against a member under section 4 of article V shall be submitted to the committee on professional ethics. If, upon consideration of a complaint, it appears to the committee that a prima facie case is established showing a violation of any by-law or rule of conduct of the Institute or conduct discreditable to a public accountant, the committee on professional ethics shall report the matter to the executive committee, which shall summon the member involved thereby to appear in answer at the next meeting of the trial board.

Sec. 2. If the committee on professional ethics shall dismiss any complaint preferred against a member, or shall fail to act thereon within ninety days after such complaint is presented to it in writing, the member preferring the complaint may present the complaint in writing to the trial board.

The trial board shall make such investigation of the matter as it may deem necessary and shall either dismiss the complaint or refer it to the executive committee, which shall summon the member involved thereby to appear in answer at the next meeting of the trial board.

Sec. 3. For the purpose of adjudicating charges against members of the Institute as provided in the foregoing sections, the executive committee shall instruct the secretary to send due notice to the parties concerned at least thirty days prior to the proposed session. After hearing the evidence presented by the committee on professional ethics or other complainant and by the defense, the trial board by a majority vote of the members present and voting may admonish or suspend for a period of not more than two years the member against whom complaint is made or by a two-thirds vote of the members present and voting may expel the member against whom complaint is made. A statement of the case and the decision of the trial board thereon, either with or without the name of the member involved, shall be prepared by the executive committee and published in *The Journal of Accountancy*.

Sec. 4. At any time after the publication in *The Journal of Accountancy* of a statement of the case and decision, the trial board may, by a two-thirds vote of the members present and voting, recall, rescind or modify such expulsion or suspension, a statement of such action to be published in *The Journal of Accountancy*.

RULES OF PROFESSIONAL CONDUCT

American Institute of Accountants

As Revised December 4, 1948.

(These rules of conduct supplement the disciplinary clauses of the by-laws.)

(1) A firm or partnership, all the individual members of which are members of the Institute, may describe itself as "Members of the American Institute of Accountants," but a firm or partnership, not all the individual members of which are members of the Institute, or an individual practicing under a style denoting a partnership when in fact there be no partner or partners, or a corporation, or an individual or individuals practicing under a style denoting a corporate organization shall not use the designation "Members of the American Institute of Accountants."

(2) A member shall not allow any person to practice in his name who is not in partnership with him or in his employ.

(3) Commissions, brokerage or other participation in the fees or profits of professional work shall not be allowed directly or indirectly to the laity by a member.

Commissions, brokerage or other participation in the fees, charges or profits of work recommended or turned over to the laity as incident to services for clients shall not be accepted directly or indirectly by a member.

(4) A member shall not engage in any business or occupation conjointly with that of a public accountant, which is incompatible or inconsistent therewith.

(5) In expressing an opinion on representations in financial statements which he has examined, a member shall be held guilty of an act discreditable to the profession if:

- (a) He fails to disclose a material fact known to him which is not disclosed in the financial statements but disclosure of which is neces-

sary to make the financial statements not misleading; or

- (b) He fails to report any material misstatement known to him to appear in the financial statement; or
- (c) He is grossly negligent in the conduct of his examination or in making his report thereon; or
- (d) He fails to acquire sufficient information to warrant expression of an opinion, or his exceptions are sufficiently material to negative the expression of an opinion; or
- (e) He fails to direct attention to any material departure from generally accepted accounting principles or to disclose any material omission of generally accepted auditing procedure applicable in the circumstances.

(6) A member shall not sign a report purporting to express his opinion as the result of examination of financial statements unless they have been examined by him, a member or an employee of his firm, a member of the Institute, a member of a similar association in a foreign country, or a certified public accountant of a state or territory of the United States or the District of Columbia.

(7) A member shall not directly or indirectly solicit clients by circulars or advertisements, nor by personal communication or interview not warranted by existing personal relations, and he shall not encroach upon the practice of another public accountant. A member may furnish service to those who request it.

(8) Direct or indirect offer of employment shall not be made by a member to an employee of another public accountant without first informing such accountant. This rule shall not be construed so as to inhibit negotiations with anyone who of

his own initiative or in response to public advertisement shall apply to a member for employment.

(9) Professional service shall not be rendered or offered for a fee which shall be contingent upon the findings or results of such service. This rule does not apply to cases involving federal, state or other taxes, in which the findings are those of the tax authorities and not those of the accountant. Fees to be fixed by courts or other public authorities, which are therefore of an indeterminate amount at the time when an engagement is undertaken, are not regarded as contingent fees within the meaning of this rule.

(10) A member shall not advertise his professional attainments or services:

(a) The publication of what is technically known as a card is restricted to an announcement of the name, title (member of American Institute of Accountants, CPA, or other professional affiliation or designation), class of service, and address of the person or firm, issued in connection with the announcement of change of address or personnel of firm, and shall not exceed two columns in width and three inches in depth if appearing in a newspaper, and not exceed one-quarter of a page if appearing in a magazine or similar publication.

(b) A paid listing in a directory is restricted to the name, title, class of service, address and telephone number of the person or firm and it shall not appear in bold type, box or other form of display or in a style which differentiates it from other listings in the same directory.

(11) A member shall not be an officer, director, stockholder, representative or agent of any corporation engaged in the practice of public accounting in any state or territory of the United States or the District of Columbia.

(12) A member shall not permit his name to be used in conjunction with an estimate of earnings contingent upon future transactions in a manner which may lead to the belief that the member vouches for the accuracy of the forecast.

(13) A member shall not express his opinion on financial statements of any enterprise financed in whole or in part by public distribution of securities, if he owns or is committed to acquire a financial interest in the enterprise which is substantial either in relation to its capital or to his own personal fortune, or if a member of his immediate family owns or is committed to acquire a substantial interest in the enterprise. A member shall not express his opinion on financial statements which are used as a basis of credit if he owns or is committed to acquire a financial interest in the enterprise which is substantial either in relation to its capital or to his own personal fortune, or if a member of his immediate family owns or is committed to acquire a substantial interest in the enterprise, unless in his report he discloses such interest.

(14) A member shall not make a competitive bid for professional engagements in any state, territory or the District of Columbia, if such a bid would constitute a violation of any rule of the recognized society of certified public accountants or the official board of accountancy in that state, territory, or district.

(15) A member of the American Institute of Accountants engaged in an occupation in which he renders services of a type commonly rendered by public accountants, must observe the by-laws and rules of professional conduct of the Institute in the conduct of that occupation.

(16) A member shall not violate the confidential relationship between himself and his client.
