Dear Walter,

Jazz is very lucky to  
have you in its corner.

I think people have to  
be especially cultivated  
to like a sophisticated  
art like jazz and I'm  
very interested in people  
who have something special  
going when it's for making  
the world a civilized place  
to be. Happy birthday and  
best wishes. Maybe we'll  
get together sometime.

Regards to your wife,

George Russell
