BABY JIM

"BABY JIM"

AN UNUSUAL SONG

A Lullaby by JOHN B. ARCHER

And originally introduced by him in the production "THE RED LETTER" and now being featured by the writer in cantonments throughout the country.

It's been a long, long time since a lullaby so original, so sweet and appealing has made its appearance and this fact in itself is sufficient to win for it national popularity.

Every legitimate means known to us (and they are many) will be employed to create for it the place it should occupy in the hearts of the music loving people. The cover, apropos of the title was sketched from life by Chicago's well known artist, TUNISON, we believing the song worthy of proper illustration.

REF. *Moderato*

Moth-er's blessed An-gel, rest your cur-ly yel-low head; Jour-ney off to
dream-land in your trun-dle bed; Dad-dy's think-ing of you
'neath the shin-ing stars, Wish-ing he could see his Ba-by Jim.
