Wednesday

dearest mother.

I've really had a day. This morning I actually got into The New York Stock Exchange. This afternoon Phil & Snodger & I went to Rockefeller Center & its to me the wonder of The Universe. We are dressing now to go to cocktail party at Dixie Morris Apt and then to the Stock Club. We plan to see Empire State Bldg & I'm going to St Patrick & St John Cathedral. Walked down Wall Street this A.M. The party is calling me now so must close - all my love
