Dear Sir

I find that my Mother in her
Declaration States that she
Received the pension of my
Father at Rutherfordton N.C.
Gen. G. Watton was her
attorney at that place
after the Death of my
Father in 1833. And it
was said that he paid
it over to her But I do
not know whether does
my Mother know where
Gen. Watton got the pension
from it might be that he
got it from Washington City
or some other pension office
My Father died before he
got his pension - and
my Mother had to establish
that she to be his widow
before she could get the
pension granted to my
Father by act of Congress
