My Dear Brother,

As I have never written to you I thought I would spend some time this morning ~~in trying to do so~~. We are all well and hope this may find you enjoying the same blessing. Bro Allison and family are all well. Bro Barlow recd a letter from you and we were all very glad to hear that you were well. We have not heard from Uncle Beth in a long time the last letter we had from him, they were all well, we were all very much pleased with cousin Mary and her Schampers while they were here and I think they were very much pleased with us all from the letter that cousin Ellet wrote to her Mary.

(Aunt Sophia Carruths Mother and sister has moved to this country her Mother is living with her and her sister is living about a mile from her) Brother Lowndes I have no news so you must not expect a long letter this time and it being the first letter I ever wrote in my life so I hope ~~that~~ you will excuse it the next one I write I will try and do better, I have been going to school to Mr Harris he is an excellent teacher we have had holiday for the last two weeks our school will commence a gain next Monday.
