**JOE WALKER**  
**HEAD COACH**  
 29th year  
 Mississippi College, 1969  
 Hurdles, Sprints

One of the most well-respected coaches in the country, Joe Walker is in his 29th season as head coach of the Ole Miss track and field team. A veteran with four decades of coaching experience, Walker has routinely produced SEC champions, NCAA champions and Olympians throughout his coaching career. It is that attitude of excellence that Walker exudes that has lifted Ole Miss among the elite track and field teams across the country.

Known as a coach who is a teacher, Walker has at various times in his career coached all of the events and has had stars in each area. Walker's smile is bigger than ever these days because, in addition to being able to offer potential athletes his coaching expertise, he can now display recruits one of the elite collegiate facilities and training environments in not just the United States, but the world.

For training and competition, Ole Miss provides a beautiful track and field complex alongside one of the finest coaching

office buildings around. The track complex is complimented by a state-of-the-art indoor practice facility, training room and weight room located to its immediate north. With facilities in hand to go along with Walker's expertise in the sport and the success the program has had nationally and internationally, it is easy to see why there is so much excitement surrounding Ole Miss Track & Field.

A quick look at Walker's file and you will find someone who seemed to be born to coach. His father was a coach and Walker became one of the youngest collegiate head coaches at age 23 when he was hired at Mississippi College in 1970. Since that time, Walker has produced NCAA Champions at every school he has coached, as well as having athletes in every Olympic Games from 1976 through 2000 and again in 2008.

His expertise as a teacher and coach is well documented, which is why it should come as no surprise that he was named the 2002 USOC National Track and Field Coach of the Year. Because he thinks of himself as a teacher first and foremost, he is known in the coaching profession as someone with the knack for developing talent, having coached athletes to 71 SEC individual championships (58 at Ole Miss, 13 at Florida) and eight SEC relay championships. Twice his relay teams have set what at the time was an SEC record.

Walker's record with team championships is equally as impressive. His teams have won five SEC men's championships and were SEC runners-up once. On the national scene, he has produced several top-20 teams. His men's indoor team at the University of Florida was third in the NCAA and his cross country team finished eighth at the NCAA's. His Mississippi College team was fourth in the Division II NCAA Outdoor Championships.

During his career at Ole Miss, Walker has had teams that finished ninth in the NCAA Men's Indoor Championships in 1991 and 10th in 2001. His men's teams have had NCAA Outdoor Championships finishes of 13th in 1993, 15th in 2000, 12th in 2007 and 20th in 2010. His women's team finished 18th at the 2000 NCAA Indoor Championships, and in 2008 they were 13th in NCAA Indoor Championships and 15th in the NCAA Outdoor Championships.

The 2010 season was another big one for Walker's Ole Miss squad. The men finished 20th at the NCAA Indoor Championships behind All-American performances by Ricky Robertson, Brian Knight and Mike Granger. Robertson led the way with a runner-up finish in the high jump. Sofie Persson was also an Indoor All-American in the 800 meters. All total, Ole Miss sent eight athletes to the NCAA Indoor Championships and 15 to the NCAA Outdoors. Robertson and Colin Moleton were named Outdoor All-Americans. During the summer, Granger won the U.S. Junior Championship in the 100 meters and was a member of the U.S. 4x100 meter relay team that won a gold medal at the World Juniors, while he finished fourth in the World Juniors 100. Robertson claimed silver in the high jump at the NACAC U-23 Championships.

Robertson led the way at the SEC Championships, claiming the high jump title at the Indoor and Outdoor Championships. He was named SEC Freshman Field Athlete of the Year in both seasons. Barnabas Kirui capped his track career with his second career SEC Outdoor Runner of the Year honor SEC Commissioner's Trophy for scoring the most points at the SEC Outdoor Championships, finishing in the top three in three

different distance races. His brother, Martin, won the 3,000 meter steeplechase. Lee Ellis Moore was named an Academic All-American first team member.

With very young teams in 2009, Ole Miss still sent a pair of athletes to the NCAA Indoor Championships and nine total athletes to the NCAA Outdoor Championships. The Rebel women finished 45th at the Indoor Championships behind All-American LaJada Baldwin, who placed fifth in the 400 meters. Ole Miss went on to finish with four NCAA All-Americans after competing at the NCAA Outdoor Championships. Lee Ellis Moore, Derek McGuire, Colin Moleton and Baldwin were each named NCAA All-Americans in their respective events. Moore, Baldwin and Odetunde each qualified to compete at the USA Track and Field Championships. Moore was one qualifying spot from reaching the finals of the 400 meter hurdles, but fell just short after posting a time of 50.65 in the semifinals. Baldwin took part in the 400 meters and finished in 20th place after competing against the best professional and amateur athletes in the United States. In field events, Odetunde finished in 14th place in the triple jump.

Thrower Juliana Smith claimed the individual title in the weight throw to become only the second female in school history to win a SEC Indoor Championship. Smith joins former Ole Miss great Brittney Reese as the only two females to earn that distinction. Baldwin almost made it two SEC indoor champions as she took second place in the 400 meters. During the outdoor season, the Rebels featured two SEC champions and one runner-up at the SEC Outdoor Championships. Wale Odetunde was crowned SEC champion in the triple jump, while Baldwin accomplished the feat in the 400 meters. Hurdler Sofie Persson finished runner-up in the 400 meter hurdles to help the women's team score 44 points, which is the second-highest point total in school history.

In 2008, the women's team had its best season in school history as the Rebels finished in sixth place at the SEC Indoor Championships to tie the school record for highest finish ever at the event. In addition, the women's team set a new school record by compiling a total of 49 points to shatter the old record of 32 points set during the 2007 season. Weeks later, the women's team finished in 13th place at the NCAA Indoor Championships to mark the highest indoor finish in school history.

The 2008 women's team also finished in sixth place at the SEC Outdoor Championships and set a new school record for points at any SEC meet by finishing with 73 points. That team went on to post a 15th-place finish at the NCAA Outdoor Championships after collecting a total of 14 points to cap one of the greatest seasons in school history.

The 2008 Ole Miss track and field team had 12 athletes named to the MidEast All-Regional team, had a record 13 athletes advance to the NCAA National Championship meet and featured four athletes selected as NCAA All-Americans. That group produced two top-10 regional finishes for both the men's and women's squads. The women took third for the best finish in school history, while the men tied for 10th.

In 2007, Ole Miss had 11 athletes named to the MidEast All-Regional team, had a record nine athletes advance to the NCAA National Championship meet and had 21 athletes compete in the MidEast Regional. That group produced the highest regional finish up to that point for both the men and women squads, with the men finishing in sixth out of 78

teams and the women 10th out of 81 teams. At the 2007 NCAA Outdoor Championships, the men finished 12th, which is Ole Miss' highest outdoor finish ever. The women also recorded Ole Miss' highest outdoor finish at that time by taking 27th place. At the 2007 SEC Outdoor Championships, the women's team scored the most points in school history. During the 2007 outdoor season, both squads had the second most points in school history.

In 2006, the program saw its first SEC Cross Country champion in 13 years. Freshman Barnabas Kirui became the first Ole Miss runner since Pablo Sierra in 1992 to win the SEC championship. Kirui did not finish outside the top 10 all season and was named the SEC Freshman of the Year and SEC Athlete of the Year by the league's coaches. Kirui recently became the first two-time winner of the SEC Cross Country Championships when he won the event in 2009 at the Ole Miss Golf Course.

Always known as a long jump specialist, Walker has coached the famous Larry Myricks, who made four Olympic teams; Ralph Spry, the first-ever Ole Miss track & field NCAA champion; Tisha Parker, who at the time held the SEC outdoor record and was the first Ole Miss female to win an SEC title; Savante' Stringfellow, who won three NCAA titles and had a great international career while making the 2000 Olympic team; Shantel Glass and Charles Bailey, who won SEC titles; and Marquita Aldridge, who was also on the USA world junior team.

Most recently, he coached quite possibly the greatest female athlete in school history as he helped Brittney Reese become one of the most decorated athletes in school history. As a sophomore, Reese won both indoor and outdoor SEC titles in the long jump, was the NCAA runner-up in the long jump and finished eighth at the USA World Championships. In her final season at Ole Miss before turning pro, Reese captured the SEC titles in the long jump and high jump en route to winning the SEC Commissioner's Trophy for accumulating the most points during the course of the meet. Her 31 points scored were the most by any athlete in school history. Reese went on to become the first female in school history to win an individual NCAA Championship as she accomplished the feat in the long jump at the NCAA Indoor Championships. She

## WALKER'S TEAM CHAMPIONSHIPS

- Florida — SEC Outdoor Track and Field Champions — 1987
- Florida — SEC Indoor Track and Field Champions — 1987, 1988
- Florida — SEC Cross Country Champions — 1986, 1987
- Mississippi College — Gulf South Champions — 1976, 1978, 1979
- Meridian High School — State Champions — 1970

also finished third in the high jump and was named an NCAA All-American in both events.

Reese continued her dominance under Walker at the SEC Outdoor Championships as she was crowned the SEC Champion in the long jump. With that distinction, Reese became just the third athlete in school history to win back-to-back SEC Championships. Once again, she also captured the SEC Commissioner's Trophy and finished the weekend with 27.25 points. Reese went on to win her second NCAA title of the season as she was named the NCAA Champion and an All-American in the long jump when she recorded a mark of 22-09.00 to equal the longest jump in the world at that time. Reese capped her sensational season by finishing first in the long jump at the U.S. Olympic Trials with a school record leap of 22-09.75, becoming the fourth track and field athlete in school history to compete for the United States in any Olympic Games. Reese finished fifth in the long jump at the 2008 Olympics in Beijing and was the top American finisher in the event. In 2009 she established herself as the top female long jumper in the World with victories at the World Championships and World Athletic Final and finished the season with the longest jump in the world with a 23-03.50 leap. She again won the long jump at the 2010 World Championships.

Walker's legacy is also strong in the triple jump. Alvin Haynes came to Ole Miss as a 50-00.00 triple jumper and finished with a personal best mark of 54-09.00. He was a two-time SEC outdoor champion and twice SEC indoor run-

ner-up, as well as being a member of the Barbados Olympic Team in 1992. Brandon Atkinson was the SEC runner-up in the triple jump in 2005 in both the indoor and outdoor seasons. Recent graduate Adewale Odetunde was a multi-time SEC scorer in both the long and triple jumps. Odetunde capped his career at Ole Miss by winning the individual title in the triple jump at the 2009 SEC Outdoor Championships, becoming the first Ole Miss athlete to accomplish that feat since Haynes in 1992.

Walker once again returned to coach the sprints in 2009 after assistant coach Greg Stringer was hired to work with the Rebel jumpers. During his time at Florida, Walker's sprint team finished 1-2 in 1987 and then went 1-2-3 in the 55 meters at the 1988 SEC Indoor Championships. Two of his pupils, Dennis Mitchell and Mark Everett, went on to become Olympians, and Mitchell held the indoor collegiate record in the 200 meters under Walker. Walker also coached Denise Mitchell, the twin sister of Dennis, to an NCAA runner-up finish in the 400 meters. Denise went on to become a member of the 4x400 meter relay team that captured a gold medal at the World University Games.

During his tenure at Ole Miss, Walker has coached Greg Saddler, Tony Dees, Clarence Daniel and Wally Bumpus, who were either school record holders and/or SEC Champions. Saddler won an NCAA Indoor Championship in 1994 in the 55 meters under the direction of Walker. His 1984 and 1993 4x400 meter relay teams set what were SEC records at that time. Three of the top 100 meter runners in school history were coached by Walker, and four of the top five men's 400 meter times at Ole Miss were coached by Walker. In addition, all of the top five 400 meter hurdlers at Ole Miss were under the tutelage of Walker. Walker also coached Angie Clay, who is one of the most decorated female sprinters at Ole Miss and is now a member of the Ole Miss Sports Hall of Fame.

In 2009, Kristin Bridges was the top female freshman 100 meter runner at the SEC Outdoor Championships and earned All-SEC freshman honors. Baldwin continued the tradition of great 400 meter runners in Ole Miss history as she was the SEC indoor runner-up, the NCAA indoor fifth place finisher, the SEC outdoor champion, the MidEast Regional champion and an outdoor All-American.

Walker has also seen success in the hurdles. Early in his career, Walker coached Tony Dees, who won the 1992 Olympic silver medal. Antwon Hicks won two NCAA indoor 60 hurdle titles and one NCAA 110 meter runner-up finish, was a World Junior Champion and a semi-finalist in the 2004 Olympic Trials. John Yarbrough won the SEC indoor 60 meter

hurdle title in 2007 and was the MidEast NCAA 110 meter hurdle champion en route to a runner-up finish at the NCAA Outdoor Championships.

In 2009, the 400 meter hurdles was a top event for both the men and women's squads. Under the direction of Walker, Moore had a breakout season and captured three individual titles in the 400 meter hurdles during the regular season. He finished no worse than fifth place in any of his other meets, which included a third-place finish at the prestigious Drake Relays.

Moore went on to score for the Rebels and turn in a fourth-place finish in the 400 meter hurdles at the SEC Outdoor Championships by setting a school record with a time of 50.01. In the following meet, Moore automatically qualified for the NCAA Outdoor Championships by finishing second in the 400 meter hurdles at the NCAA MidEast Regional following a mark of 50.45, marking the second straight season in which he would compete at the NCAA Championships.

He broke his own school record time of 50.01 at the NCAA Championships by setting a new school record time of 49.87 on his way to a first place finish in the 400 meter hurdle preliminaries. Days later, Moore was named an NCAA All-American in the event after racing to a ninth-place finish in the finals. He became just the second Rebel in school history to earn the distinction of All-American in the 400 meter hurdles. Moore had an opportunity to compete at the highest level when he took part in the USA Track and Field Championships and put his talents to the test against the top amateur and professional athletes in the country. He didn't disappoint with his performance and narrowly missed making the finals, but still produced an outstanding showing and raced to an 11th-place finish with a time of 50.65 in the semifinals. Freshman Carson Blanks also had a great rookie season and posted a top time of 51.05 to ranks fourth all-time at Ole Miss in the 400 meter hurdles.

On the women's side, Sofie Persson finished in fifth place in the 400 meter hurdles at the 2008 SEC Outdoor Championships and topped that performance in 2009 by finishing runner-up in the event at the SEC Outdoor Championships. Persson posted a time of 57.96 and was .01 off the school record. During the indoor season, she reached the NCAA

Championships in the 800 meters and set the school record in just her first season running the event. Jasmine Dacus turned in a top time of 59.60 in the 400 meter hurdles to become the fourth Rebel 400 meter hurdler to earn a spot on the Ole Miss women's honor roll.

Walker also mentored two women's sprint medley units that posted impressive victories and set the top two times in school history in 2009. The unit of Baldwin, Bridges, Britney Barnard, and Lindsay Doucett ran a time of 3:50.68 to win the Florida Relays and set the school record in the process. Persson replaced Doucett at the Drake Relays and that unit won the Drake Relays title with the second fastest time in school history with a mark of 3:51.15. That victory gave Ole Miss its first men or women relay crown ever at the prestigious meet.

In the women's heptathlon, Walker coached LaToya McBride to a runner-up finish in 2005, and his hepts scored in seven of the last eight SEC outdoor meets that he coached heptathletes. When coaching the high jump, Walker helped Brandy Barnett become the SEC runner-up in 1999, while Carmia Carroll made the USA World Junior team in 2005 and has participated in the NCAA meet. Reese, who became his second SEC high jump runner-up, won the Drake Relays and

made the NCAA's, but chose to compete in only the long jump. Reese also was the SEC Indoor Champion in the high jump in 2008.

Eight out of the last 11 seasons Walker has had one of his collegiate athletes from his event area selected to compete internationally.

Over the year's Walker's teams have traditionally been outstanding in the classroom as well as on the track. Calvin Thigpen was a Rhodes Scholar and a GTE Academic-All American. Kirui was named to the ESPN The Magazine Academic All-American team in 2007 and Moore earned ESPN The Magazine Academic All-American accolades in 2009 and 2010. The Rebel track and field team is also well represented on the Honor Wall at the FedEx Academic Support Center as the track list is the longest of any of the Ole Miss sports.

Walker is a product of Mississippi. He was an outstanding all-around high school athlete at Utica High School in Utica, Miss. He played in the Mississippi High School All-Star basketball game following his senior year and enrolled at Ole Miss as a recipient of one of the first M-Club scholarships.

As a freshman at Ole Miss, he lettered in freshman basketball. As a sophomore, he managed the varsity basketball team. Yearning to be an athlete again led Walker to transfer to Mississippi College where he lettered in cross country, track and basketball.

Upon graduation from Mississippi College in 1969, he began his coaching career as an assistant coach in football, basketball and track at Meridian High School.

After Meridian High School won the state track championship, Walker's alma mater called and he immediately returned to Mississippi College as the new cross country and track and field coach.

Walker was born April 11, 1947, in Oxford, Miss. He is married to the former Faye Hall of Jackson, Miss. The couple has three sons, Joseph III, Brian and Luke. Joseph is the head cross country coach at the University of Alabama.

**ASSOCIATE HEAD COACH**

Cross Country, Distances,  
Pole Vault

Associate head coach Doug Blackwell came to Ole Miss in 1988 when Joe Walker returned as head coach. Since then, the duo has been committed to developing teams that are world class competitors on and off the track.

Blackwell has coached a long line of successful athletes including: Stacy Hudson, the first female All-American in the 400-meter hurdles, Teneeshia Jones, the first SEC champion in the 100-meter hurdles and Kyle Lewis, an All-SEC Cross Country selection. Overall, Blackwell has coached 19 Rebel men and women to All-America honors since joining the Ole Miss coaching staff and many more to All-SEC honors and high rankings in the school record books.

Blackwell's most recent successes include 2010 3,000 meter steeplechase champion and All-SEC cross country athlete Martin Kirui, 2010 SEC All-Freshman pole vaulter Neal Tisher and Barnabas Kirui, the most decorated distance runner in school history. Kirui is a three-time SEC Cross Country Champion and winner of what is often referred to as the triple crown

of distance running (3,000 meter steeplechase, 5,000 meters, 10,000 meters) at the 2007 SEC outdoor championships. He also captured the 3,000 meter steeplechase title at the NCAA national meet. All total, Kirui won one NCAA title, three SEC cross country titles and four SEC track and field titles. He was also a three-time SEC Cross Country Athlete of the Year, two-time SEC Outdoor Runner of the Year, two-time SEC Commissioner's Trophy recipient and two-time All-American.

Prior to coming to Ole Miss, Blackwell enjoyed a stellar 16-year coaching career on the prep level, producing eight high school All-Americans and 15 state champions.

His teams at Greenville High School in the early 1980s still rank among the most dominant in the history of Mississippi high school track and field, highlighted by his 1982 team that scored 54 points under the old 6-4-2-1 scoring system. His undefeated 1982 Greenville team included three sub-1:51 800-meter runners (Tony Gines, Regal Perry and Othena Redfield), as well as Perry Cartlidge, who went on to become an All-SEC performer at Ole Miss.

While coaching at the high school level in Florida, Blackwell molded Ken Cheeseman, who still holds the state meet record in the mile and ranks second on Florida's all-time best list in the mile.

Blackwell began his coaching career as the head men's cross country and track coach at Moss Point (Miss.) High School in 1973-1974. He then left the coaching profession briefly to earn his master's degree in Education from Mississippi College in 1975.

Blackwell returned to the coaching ranks in 1977 as the head coach of the men's cross country and women's track teams at Biloxi (Miss.) High. Blackwell then moved to Greenville (Miss.) High as the head coach of the men's track team and assistant football coach in 1979. From 1982 until he came to Ole Miss in 1988, Blackwell coached at Lake Howell (Fla.) High.

As a Clinton High School athlete, Blackwell was one of Mississippi's best. Excelling in cross country, football, basketball and track, Blackwell went undefeated in the mile and set the state record his senior year.

A true believer in recruiting in-state athletes, Blackwell turned down a track scholarship to the University of Tennessee

to attend Ole Miss. As a freshman, he was the fourth-place runner on the 1968 Ole Miss cross country team that was the SEC runner-up, and he also scored in the 880 yard run during the indoor season. As a transfer to Mississippi College, he became a Mississippi College Sports Hall of Fame Inductee in 1992 because of his contributions to the school in football and track. An All-Gulf South Conference selection and team captain, Blackwell once held all the school distance records.

Blackwell is married to the former Sarah E. Channell, an assistant professor and coordinator of elementary education in the School of Education at Ole Miss. They are the parents of Thomas, a former Ole Miss track athlete, and Genia, a former manager for the Ole Miss track and field team.

**ERIN WIBBELS**  
**ASSISTANT COACH**

10th year  
Nebraska, 2001  
Throws

Erin Wibbels joined the Ole Miss track and field staff in the fall of 2001 after finishing her collegiate track career at the University of Nebraska and graduating in the spring of 2001. Wibbels works with the throwers at Ole Miss. She is also instrumental in recruiting for the Rebel track program.

The Central City, Neb, native's passionate expertise in the throwing events made an immediate impact at Ole Miss as six school throwing records fell in her inaugural season and since then, the rest have all been broken multiple times. In her 10th year of coaching at Ole Miss, Wibbels' experience is beginning to stack up.

In 2003, Wibbels guided Stacy Andrews to two All-America honors in his final season with the Rebels. Andrews placed fifth in the weight throw at the NCAA Indoor Championships and sixth in the discus at the NCAA Outdoor Championships. In April 2004, Andrews was selected in the fourth round of the NFL Draft by the Cincinnati Bengals and currently plays for the Philadelphia Eagles.

Moving towards Wibbels' goal of establishing a powerhouse throws program, every year the Rebel throws squad has reached new heights. 2006 marked a new era of hard work and success as freshman Derek McGuire turned in an outstanding performance at the 2006 SEC Outdoor Championships where he finished runner-up in the shot put and broke his own school record with a mark of 58-5.75. McGuire advanced to the 2006 NCAA Outdoor Championships as the only

freshman thrower in the competition. McGuire's success was supplemented by James Maloney, who placed fourth place in the 35-lb weight throw, and freshman Zuzana Legatova with a sixth place effort in the javelin at the SEC Outdoor Championships.

The 2007 track season was highlighted by some new faces and up and coming standouts. Freshman Davina Oriekwu was the top freshman in the SEC in both the indoor shot put and 20-lb weight throw, posting marks that rivaled any freshman in the United States. Oriekwu finished fifth at the SEC Outdoor Championships in the shot put and went on to qualify for the NCAA Regional Championships. She also earned Junior All-America status by finishing fourth place at the USATF Junior Championships.

In addition, sophomores Marlee Kevech and Legatova both scored at in the SEC Outdoor championships in the javelin throw, finishing sixth and eighth respectively, with Kevech breaking her own school record in the event. Kevech, McGuire and Maloney went on to compete in the NCAA Regional meet.

Under Wibbels' tutelage, success continued in 2008 as Oriekwu dropped a new indoor school record in the shot put. She would go on to score in the shot put at both the SEC Indoor and Outdoor Championships as well as in the hammer throw. Wibbels was also responsible for the development of freshman Betty Williams, who set new school records during the outdoor season in both the shot put and the discus, and was an SEC scorer in the discus at the outdoor championships. She capped her sensational freshman season by being named a Junior All-American in the shot put.

On the men's side in 2008, Wibbels coached Bryce Willen to a new school record in the javelin and he scored at the SEC Outdoor Championships. Junior college transfer Colin Moleton made an immediate impact for the Rebels as he recorded the second best mark in school history in the javelin with his throw at the SEC Outdoor Championships.

The 2009 season proved to be the best year on record for the Rebel throwers. Sophomore Juliana Smith set a new school record in the weight throw to win the individual title and became just the second female in school history to win an SEC Indoor Championship. The indoor season also saw Oriekwu set a new school record in the shot put, surpassing her own previous record she set in 2008.

Things only heated up during the outdoor season, as five throwers set new outdoor school records. In an unprecedented way, all of the Rebel men throwers qualified for the 2009 NCAA Outdoor Championships, with two of them earning All-America honors. Eclipsing the 2008 record by 20 feet, Moleton set a new school record in the javelin throw and automatically qualified for the NCAA Championships. He was later selected as an All-American after placing 11th overall. McGuire also automatically qualified for nationals after a stellar second place finish in the shot put, breaking his own school record at the MidEast Regional. After four surgeries in five years, he went on to set his final school record in the event in his closing collegiate meet, the NCAA Championships - surpassing the coveted 60-ft benchmark for the first time - and earned All-America honors.

In 2010, Colin Moleton broke his own school record in the javelin with a throw of 227-5 to place eighth at the NCAA Outdoor Championships and earn All-America status again.

Wibbels arrived at Ole Miss in 2001 as a standout performer from the University of Nebraska, where she was a four-time qualifier for the NCAA Outdoor Championships and a 2000 Olympic Trials participant in the hammer throw. She was named team captain for the Cornhuskers as a senior and was an 11-time scorer at the Big 12 Championships. She was twice named Husker Power "Lifter of the Year" and earned the Russ White Spirit Award as a senior.

Wibbels was inducted into the Hall of Fame at her high school in Central City, Neb., in the fall of 2001. Wibbels graduated with a Bachelor of Arts degree in Communication Studies from Nebraska in May of 2001 and currently resides in Oxford. She is proud to serve alongside an outstanding group of coaches under one of the most respected head coaches in the country, Joe Walker. Wibbels' love for the Lord ignites her energy for coaching and everything she does. In her free time she enjoys ministry with her church, walking in the park and spending time laughing with friends.

**GREG STRINGER**  
**ASSISTANT COACH**  
 3rd year  
 Southern Miss, 1995  
 Jumps, Combined Events

Greg Stringer is in his third season at Ole Miss as a track and field assistant coach following a 10-year stint at Southern Mississippi where he worked primarily with the Golden Eagle jumpers.

Working with jumpers, heptathletes and decathletes at Ole Miss, Stringer has already enjoyed a high level of success since his arrival in Oxford.

In 2010, Ricky Robertson splashed onto the national scene as the freshman was named an All-American in the high jump in both the indoor and outdoor seasons. He won the SEC high jump crown for indoor and outdoor and was named the SEC Freshman Field Athlete of the Year for both. Setting school records throughout the season, Robertson finished runner-up at the NCAA Indoor Championships and fifth place at the Outdoor Championships. In addition, Brian Knight was an All-American and scorer in the high jump at the NCAA Indoor Championships, and Rachel Jenkins was runner-up in the long jump at the SEC Indoor Championships.

Robertson competed internationally at the 2010 NACAC U-23 Championships, winning silver in the high jump.

Stringer enjoyed immediate success in his first season at Ole Miss as he coached an SEC champion in 2009. Jumper Wale Odetunde won the triple jump at the SEC Outdoor Championships and became the first Rebel since 1992 to accomplish that feat. Odetunde was named to the All-SEC first team before going on to qualify for the NCAA Outdoor Championships.

In addition to the achievements of the Ole Miss veteran, Stringer also featured three freshman jumpers make an immediate impact. Brian Knight, Caleb Lee and Aria Gaines all scored at the SEC Championships. That group also competed against some of the nation's top athletes at the USA Junior Track and Field Championships. The trio didn't disappoint on the biggest stage, as Knight finished in fourth place in both the long jump and triple jump, Lee turned in a fifth place finish in the long jump and a seventh place showing in the triple jump and Gaines place ninth in the triple jump.

Under Stringer's tutelage in 2008, Southern Miss jumper Ashley May competed in the NCAA Outdoor Championships in both the long jump and triple jump. In addition, May was named All-Region in both events as she turned in fifth-place finishes. Along the way, May set a new school record in the triple jump and placed third at the Conference USA Outdoor Championships. She also took second in the long jump in at the C-USA Indoor Championships with an NCAA provisional mark.

Stringer has consistently had performers provide ample scoring for the Golden Eagles in the jumps. In 2006, he produced the Conference USA long jump title winner in Tanika Liburd. His triple jumpers finished second (Simona Costache) and seventh (Aaliyah Shareef) in the C-USA meet. His men's performers scored a total of 11 points in the C-USA meet.

In 2005, he had two performers win Conference USA titles in the women's triple jump (Aaliyah Shareef) and high jump (Krista Miller). Tanika Liburd finished second in the long jump. Liburd recorded an outstanding jump of 21-08.75 at the LSU meet, ranking her in the NCAA top five. In 2004, two performers won Conference USA titles in the men's high jump and the women's long jump, with other jumpers scoring points in

the men's long jump and triple jump. His Lady Eagles scored additional points in the high jump and triple jump.

Over his last four seasons at Southern Miss, he had 19 athletes qualify for the regional meet, with high jumper Cedric Norman winning the regional competition and finishing third in the national meet in 2003 and in 2004. Norman finished third at the regional meet and finished in a tie for ninth at the national meet. That same season, Norman recorded a personal-best jump of 7-06.00, ranking as the best jump in the world for several weeks.

In 2005, Krista Miller finished first at the regional meet in the high jump, advancing to the national meet. She recorded a personal best and school record jump of 5-11.25. Miller was a three-time regional qualifier. High jumper Kate Juedes received all-regional honors after tying for seventh in 2003.

Stringer was a two-year letterwinner for Marshall Bell at Southern Miss as a junior and senior in both indoor and outdoor track during the 1993 and 1994 seasons. He competed in the high jump, long jump and the decathlon. He took fifth place in the decathlon at the Metro Championships in 1993, helping the Eagles win their second straight Metro Conference title. Stringer followed that Metro performance with a sixth-place finish in the 1994 championships.

During his junior college days, Stringer helped his team, Hinds Community College, to the Mississippi Junior College state championship in 1990 and 1991. While competing at Hinds, he was named the most valuable athlete in the field events in 1991.

Stringer was a four-year letterwinner in track for Coach Frank Keenum at Terry High School. He was named the most valuable athlete in the field events for two consecutive years. He also lettered three years in basketball and was voted the best defensive player in the 1988-89 season.

He received his undergraduate degree in 1995 in sport administration and coaching with an emphasis in biological science from Southern Miss. He received his master's degree in education administration in 1999 at Southern Miss.

**VANITTA KINARD**

**ASSISTANT COACH**

3rd year

Kansas State, 1998

Recruiting Coordinator, Jumps

Vanitta Kinard is in her third season as an assistant coach with the Ole Miss track and field program. Kinard is in charge of assisting with jumps, while also serving as recruiting coordinator.

A native of Los Angeles, Calif., Kinard continues her coaching career in Oxford following stints at UNLV and her alma mater, Kansas State. She began her coaching career prior to the 2002-03 season where she served as an assistant coach at Kansas State before opting to pursue her individual career as a triple jumper.

The triple jump is an area of focus for Kinard in coaching as well, as she helped develop Morris Kersh, Aria Gaines and Marci Morman into some of the top triple jumpers in the SEC a year ago.

In 2009, Kinard helped jumper Wale Odetunde win the triple jump at the SEC Outdoor Championships and become the first Rebel since 1992 to accomplish that feat.

Kinard also played an instrumental role in helping sprinter LaJada Baldwin capture the individual title in the 400 meters at the SEC Outdoor Championships. Both Odetunde and Baldwin were named to the All-SEC first team, while Baldwin later became an NCAA All-American for the second straight year.

Kinard also assisted in the rapid development of three Rebel freshman jumpers. Brian Knight, Caleb Lee and Aria Gaines all scored for the Rebels at either the SEC Indoor Championships or the SEC Outdoor Championships and later competed against some of the nation's top athletes at the Junior USA Track and Field Championships.

She proved to be one of the top recruiters in the country and put her stamp on the Rebel program in just her first year as an assistant coach. Kinard helped bring in one of the top recruiting classes in school history and signed eight of the top high school athletes from around the country.

As a collegiate jumper, Kinard began her career at Santa Monica Junior College where she was the 1995 California JUCO triple jump and long jump champion under legendary track and field coach Tommie Smith.

Kinard went on to transfer to Kansas State where she starred for the Wildcats from 1996-98. She was a six-time All-American at KSU as she tallied five distinctions in the triple jump and one in the long jump. In her first year with the Wildcats, Kinard finished second at the Big 12 Outdoor Championships in the triple jump, turned in a fourth place showing at the NCAA Outdoor Championships and finished 10th at the U.S. Olympic Trials.

As a senior at KSU, she won a Big 12 Outdoor Championships in the triple jump, finished third at the NCAA Outdoor Championships, placed fourth at the USA Outdoor Championships and took 14th at the qualifying World University Games.

Kinard continued her stellar career by winning her first national title in the triple jump at the 2002 USA Indoor Championships by knocking off the defending champion with a mark of 44-08.25. She then finished second in

the triple jump at the 2002 USA Outdoor Championships before repeating as national champion at the 2003 USA Indoor Championships.

She nearly qualified for the 2004 Olympic Games in Athens, but her personal record of 46-04.00 just missed the qualifying standard despite her third-place finish.

Kinard has a 3-year-old daughter, Adyn.

**MEREDITH CRANE**  
**ASSISTANT COACH**

1st year  
 Central Washington, 2009  
 Distances

Meredith Crane was hired in August 2010 as an assistant cross country and track coach at Ole Miss.

Crane's primary emphases include coaching the Rebels' distance runners and serving as assistant recruiting coordinator.

Crane saw immediate dividends with the Rebel cross country teams in 2010, as Barnabas Kirui won his third SEC Cross Country title. The Ole Miss men placed fifth overall for their highest showing since 1996, while the women's ninth-place effort was their best since 1990. Logan Waites finished 16th among the women for the highest finish by a female in school history.

After coaching at the high school level from 2006-09, Crane spent the 2009-10 season as a volunteer assistant coach at Oregon State. While there, she saw multiple school records broken, two of which were by Sandra Martinez, who Crane also coached to school records and top state finishes while at her alma mater, Davis High School in Yakima, Wash.

In addition to Martinez's school records, Crane also guided multiple Oregon State athletes to career-best marks and NCAA performances.

Crane also coached at East Valley (Yakima, Wash.) High

School in 2008, where she led the men's cross country team to a state championship appearance, while seeing two female freshmen qualify for the state meet.

As a Division I student-athlete, Crane also achieved a great deal of success. As a true freshman at Texas A&M, she qualified individually for the NCAA Cross Country Championships, marking the first time in school history that had happened. She finished 13th at the Big 12 Conference Championships and ninth at the NCAA South Central Regional, helping her team to a third-place finish as a rookie. She also scored points for her team at the 2004 Big 12 track meet in

the 10,000 meters.

She transferred to Seattle Pacific University and led her squad to a conference championship while placing second individually at the conference meet. She also finished fifth at the regional meet and again qualified individually for the NCAA Championships.

Crane received her bachelor's degree in exercise physiology from Central Washington University in 2009. She is a certified personal trainer through the American College of Sports Medicine.

# THE UNIVERSITY OF MISSISSIPPI

experience **amazing**<sup>SM</sup>

**Ole Miss was the center of worldwide attention as the host of the first presidential debate of 2008 between Sen. John McCain and Sen. Barack Obama, held Sept. 26 at the Gertrude C. Ford Center for the Performing Arts on campus.**

**Log on to [www.OleMiss.edu](http://www.OleMiss.edu) to find out everything that's happening at the University of Mississippi.**

Located in the heart of Oxford, just blocks away from the bustling Oxford Square is The University of Mississippi, the state's oldest public institution of higher learning. Known to thousands of passionate alumni, students and friends as Ole Miss, it is building on more than 160 years of leadership and innovation in education, research and service to strengthen the economic, social and cultural foundations of the state and region. Beating out Ivy League schools across the country, Ole Miss was recognized as one of "the most appealing" universities in the country in a 2010 book that placed our campus at the top of their list of 11 colleges doing their job well.

# THE GROVE

Regarded as one of the world's top sporting traditions, tailgating on football Saturdays at Ole Miss is one of those activities that every sports fan should take the opportunity to indulge in at some point in their life. Ten acres of lush green grass, watched over by majestic oak trees in the middle of the Ole Miss campus, are transformed from a tranquil picnic spot into tailgating paradise when thousands of football fans crowd into every corner of the land. Weaving through the myriad of red and blue tents, one is bound to encounter a few of the most extravagant set-ups in all of tailgating - fine china, chandeliers, big-screen satellite TVs. Of course, many tents are a bit simpler, but the unique atmosphere still encourages sundresses and high heels for the ladies and coats and ties for the men. Food and drink are abundant. "Hotty Toddy" can always be heard chanted among the trees. Champions walk through it. There is nowhere else like it. It is ... The Grove.

**Nation's No. 1 Tailgating School** (Sports Illustrated)

**Nation's No. 2 College Football Tailgating Spot** (ESPN)

**"The Holy Grail of tailgating sites"** (The Sporting News)

**"The mother and mistress of outdoor ritual mayhem."** (New York Times)

**"The mecca of tailgating in American sports"**  
(Columbia Missourian)

**"In Oxford lies the most magical place on all of God's green, football-playing Earth: the Grove."** (SI on Campus)

**“I still remember the first time I came here on my official visit. Walking through The Grove, the whole atmosphere was just UNBELIEVABLE.”**

- Patrick Willis, San Francisco 49ers Pro Bowl linebacker

# WALK OF CHAMPIONS

Rebel players and coaches have paraded through the Grove and been greeted by thousands of admirers two hours before each football game since 1983.

**“I can say in definitive terms that there isn’t a better place to spend a college football Saturday than at The Grove, followed by an SEC battle at Vaught-Hemingway Stadium.”**

- Mel Kiper Jr., ESPN

# COMPETITION

- The SEC routinely leads the way in the national track and field landscape. Since 2000, including men's and women's outdoor and indoor seasons, the league has claimed 23 NCAA team championships. Numerous SEC athletes win NCAA individual championships every year.

- The SEC also produces some of the world's top athletes on a regular basis. Some big names that currently rank among the world's best include Xavier Carter (LSU), Tyson Gay (Arkansas), Reese Hoffa (Georgia), Wallace Spearmon (Arkansas), Terrence Trammell (South Carolina), Hyleas Fountain (Georgia), Natasha Hastings (South Carolina), Lolo Jones (LSU), **Brittney Reese (Ole Miss)** and Dee Dee Trotter (Tennessee).

## SEC IN 2009-10

- The SEC filled up the national standings again in 2009-10. The league had at least six teams finish in the top 30 at the men's and women's outdoor and indoor NCAA Championships. That included a men's indoor national title by Florida and additional top-3 finishes by Florida (2nd in men's outdoor, 3rd in women's outdoor), Tennessee (2nd in women's indoor) and LSU (3rd in women's indoor). Three of the top five men's indoor teams came from the SEC, while four of the top six women's indoor teams hailed from the league.
