Mr. Muhammad Speaks

SEPARATION OR TROUBLE? By Elijah Muhammad

Separation of the two, (Negro and white) is the only solution to the ever growing problem of "What must be done with the Negroes?" Both the so-called Negroes and their white slavemasters do not seem to want to let go one another. While the separation of the two races would be an act of wisdom and justice, on the other hand, to force integration, which means socializing, inter-marrying of the two races (black and white) and the eventual swallowing up of the so-called Negroes' race by their white slavemasters, or mongrelizing the two races, this will destroy the respect of the society of both, nationally and internationally. Again, integration is against the wishes of the intelligent thinking group of both races—these want to preserve their race and the respect of their society.

The government is trying to enforce this wicked and contrary law to the Divine Law and place of God, which will end in revolution and war, and total destruction of the wealth of America. This integration is not the wise and proper way of solving the so-called Negroes' problem in America, but is an outright deceitful and wicked plan to destroy the Divine Plan of Allah for the future of the so-called Negroes. Both are sure to run into trouble with Allah's chastisement — both Negroes and whites, as it is plainly hinted and written in the Bible and Holy Qur-an. (I will gladly point it out to the disputer).

The wise white scientists know it as well as I, and hope to prevent it, but they are outnumbered by their wicked wise. God created two kinds of everything, so it is with man. He didn't intend for them (Negro and white) to mix, and has set a day of reckoning for those who willfully, and knowingly break

MR. MUHAMMAD
Messenger of Allah

His natural law in which He hast created man. It is their purpose to try and make Allah (God a liar, so as to deceive the blind, deaf, and dumb so-called Negroes, as the devil deceived Adam and Eve in the Garden of Paradise. While knowing fully well that they would lose their place with Allah and a peaceful home if they accepted his advice, so it will be with the so-called American Negroes, who after being offered heaven at once by Allah, accepts the wicked advice and the office of a temporary enjoyment with racial inter-marrying and having sexual intercourse with a people with whom Allah is angry.

He will punish both parties as he did Israel and the people whom Jehovah forbid Israel to intercourse with. Israel was punished, and finally lost the goal which Jehova had set before her and the deceiving enemies of Israel were destroyed. I warn you to let Israel's history, from the days of Moses to this day, be a lesson to you. REMEMBER,

both Israel and the Christians are on the brink of a pit of fire. The best and only solution of this problem of the so-called Negroes is SEPARATION and give them a start in a territory to themselves, regardless to the ignorant love of the slave for his master.

Take a look at the foolish plan of Martin Luther King for the poor so-called Negroes and how he and his plan were criticized by Mr. James B. Kilpatrick, Saturday, on the Television program, "Nation's Future." There we saw the man, Rev. King, a college man, a Christian Minister and Pastor, with a plan to take our poor people and himself and throw them at the mercy of an angry Negro-hating mob, to be beaten and killed for nothing; only to be accepted as whites accept white, in white private-owned places, and finally allow his people to become white, and to mongrelize both races.

What does he think the intelligent white and black people think of his silly plan? What kind of foolish so-called Negro parents will let such foolish preachers use their babies as a test of the mob's fire? What will those children's think of such parents when they grow up and see the light of truth? Mr. Kilpatrick asked Rev. King, "Why do you want to integrate and make your race a coffee color, with complete integration, losing your race identity?" He was telling Martin Luther King, in so many words, that you and your race will not cause the white race to lose their identity, but the Negro will lose his. Such slander and mockery coming to the decent and intelligent so-called Negro by the ignorant love of a so-called religious leader of his people is a disgrace.

Such short-sightedness by Rev. King and the NAACP for the so-called Negroes of America, is making the nations of the earth, both black and white, laugh us to scorn, to see us, a race of lazy beggars, great lovers of our enemies, desire to destroy our race to become ONE in our enemies. Why doesn't Mr. King and his NAACP organization join with me on a decent plan; a plan that makes sense and one that will make a future for our people. Ask for separation and some of this good earth that we can call our own, where we can live in peace together,

away from those who do not want us. This is the plan of God and it will bring an end to the ever growing trouble between the two races. If the white man (some of them) wanted to colonize us in Central American back in 1867, why not a free territory today, for we will not accept colonization. It is the time of our FREEDOM, and we will not accept anything less!

The NAACP and Mr. King want the freedom of voting, and in this way they think they will be able to gain equal power in a white man's government and country. A Negro will never be the president under the Stars and Stripes of America. If he did, what could he do but to bow to the wishes of the owners of the Stars and Stripes? Let us seek some stars for our own nation and stop begging the white man for that which he has. We are not in such condition as being at the mercy of the white race, as long as we are members of the Asiatic Nation.
