THE NEGRO QUESTION — COMMUNIST CIVIL WAR POLICY

by Benjamin Gitlow

The Negro question is a most distressing problem for the American people. For the country it is a problem of great magnitude. Its political consequences in the affairs of our government and in the arena of world politics cannot be ignored.

The communist policy in the early years up to 1928 on the Negro question was that the Negroes should be accorded full racial, social, and political equality with the whites. While I was campaigning in the South. I received a telegram from the national office of the Communist Party that to our regular Negro demands for equality, etc., I should add the right of the Negroes to national self-determination, the ultimate objective of which was, naturally, the establishment of a Negro government in the Black Belt of the South. The policy, though it originated in Moscow, did not appeal to me.

Stalin emphasized as most important this statement used by Zinoviev, Chairman of the Comintern:

"The national question is a revolutionary problem, not a constitutional one."

It should now be clear to every reader that the communists have no intention of conducting a constitutional battle for Negro rights and justice. To them the constitution is a scrap of paper to use when it serves their purpose, to disregard it and violate it whenever it suits them.

In addition, the 1928 Stalin resolution laying down binding instructions upon the American Communist Party contained the following:

"To the extent to which the Party succeeds in developing a strong revolutionary movement in the United States, it will also be able to exert a decisive influence upon the revolutionary movement of the Negroes in all parts of the world."

Stalin hoped by utilizing Negro nationalism in the United States to develop revolutionary Negro Nationalist movements on a world scale and through such movements to mobilize millions of ardent supporters for the Soviet Union. The revolutionary Negro nationalist movement which the communists began in earnest to organize in the United States, in South America, in Africa, and wherever Negroes lived, became a most important arm of Soviet political imperialism.

I have put down in very brief outline the historical facts that constitute the background of the basic, the unchangeable position on the American Negro question of the American communists and their comrades throughout the world, including, of course, their Soviet masters.

To use Stalin's words—if it is therefore obvious that the American communists when they fight so loudly and militantly for civil rights, for integration, for the constitution, are perpetrating a hoax on the Negroes. What they are diligently preparing, by their activities in the civil rights field, are conditions favorable for civil war and revolution. This is obviously true because the communists, by exploiting the justified complaints of the Negro people and the humane instincts of the American people, seek, because they champion national self-determination for the Negroes, an outcome that is not a matter of constitutional adjustment; they seek revolutionary results that do not square with the legal process—for their real aim is civil war and revolution. That is the essence of the communist position. They are setting a trap for ensnaring the Negro masses into the communist conspiracy. They are committing a colossal fraud upon the American people.

The communists in their propaganda on the Negro question try to impress the American people and the Negroes in particular that they are for justice for the Negro, for giving the Negro full democratic rights, for raising his status and giving him equal social standing with the whites. This propaganda is all camouflage, all lies.

Here is what Lenin, the communist genius, stated unequivocally in the basic communist position, as reported by Stalin:

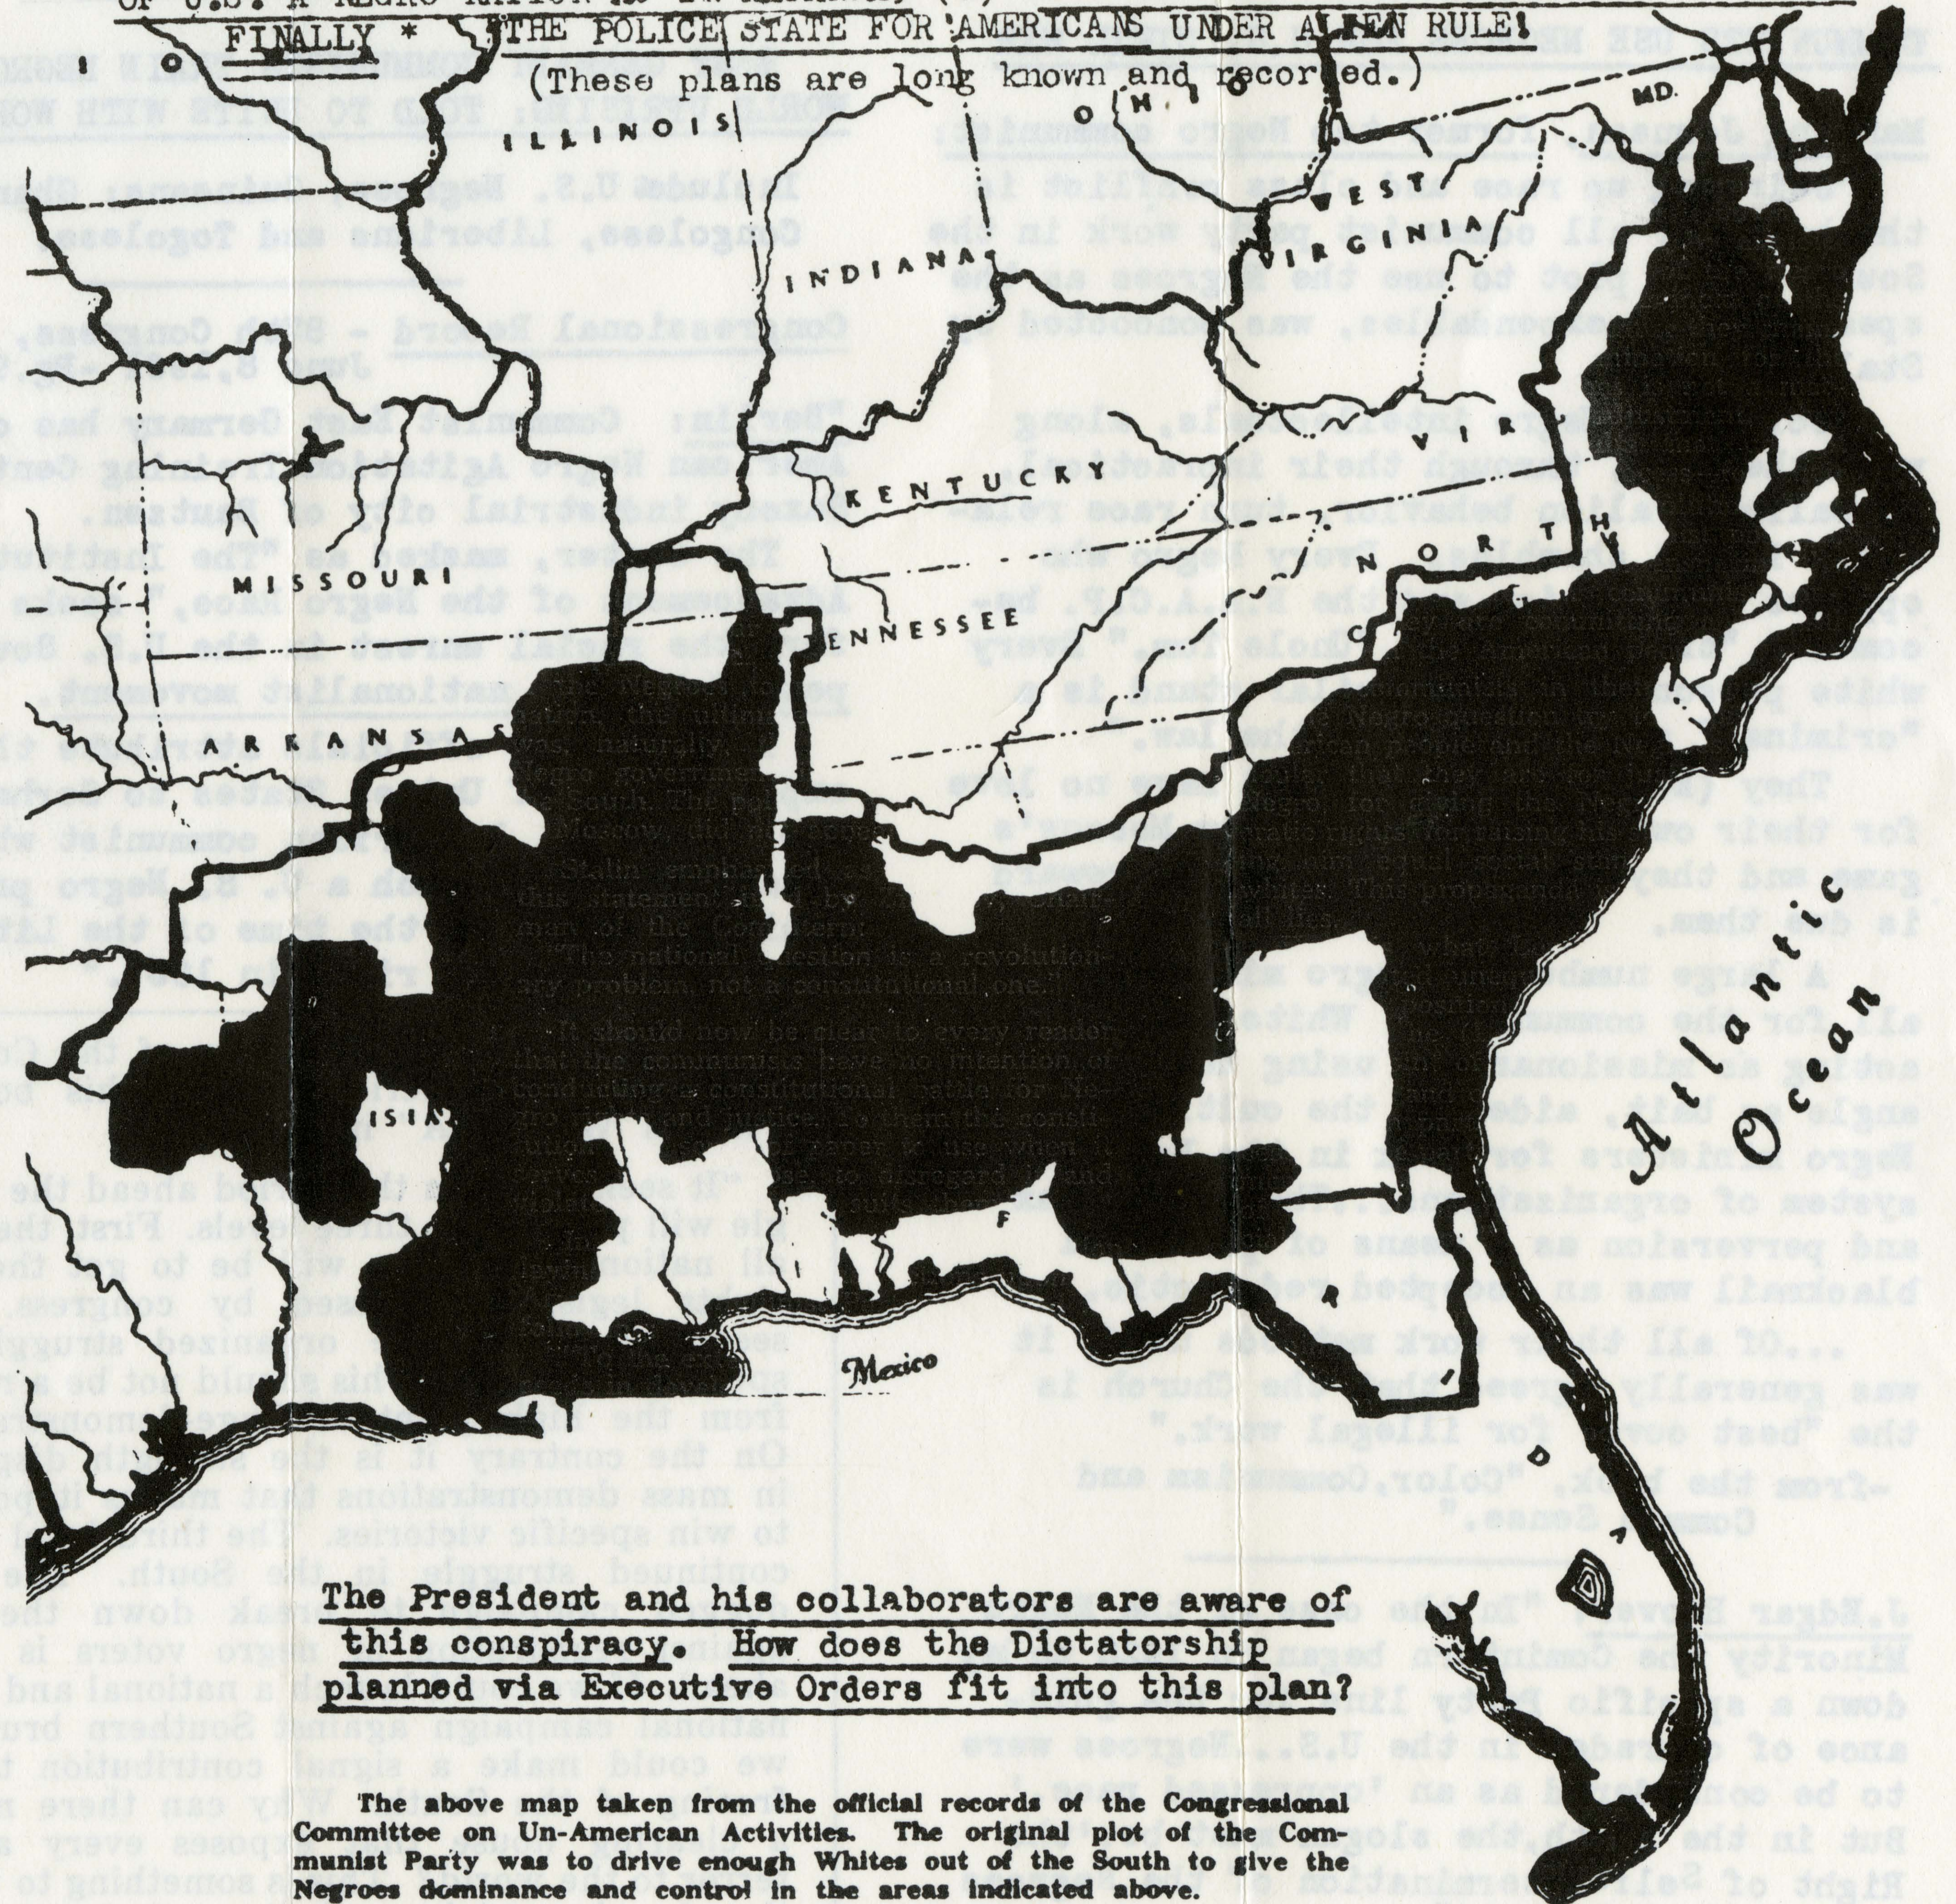

"Herein he (Lenin) declared that the essential point of the nationalist question, in general, and of the right of self-determination in particular, was that they had ceased to be parts of the democratic movement, and had become vital constituents of the proletarian movement, of the socialist revolution." Fundamentals of Leninism, page 290.

The communists are, therefore, championing the cause of the Negroes in America, not as part of a democratic movement, but as an important part of their drive to mobilize both colored and white for proletarian revolution and the overthrow of our government.

Concerning The Author . . .

For 11 years Benjamin Gitlow was a Communist—the first in the United States to be convicted and imprisoned for such membership. He held the highest position in the Communist Party in the U. S. — that of General Secretary of the Party.

In 1940 he gave the House Un-American Activities Committee the complete story of the Communist Party in the United States and their plans to rule America.

The President and his collaborators are aware of this conspiracy. How does the Dictatorship planned via Executive Orders fit into this plan?

The above map taken from the official records of the Congressional Committee on Un-American Activities. The original plot of the Communist Party was to drive enough Whites out of the South to give the Negroes dominance and control in the areas indicated above.

THE ABOVE IS THE COMMUNIST-PLANNED "BLACK REPUBLIC" - TO BE DOMINATED BY RUSSIA IN ITS RULE OF THE SOUTH.

"CIVIL RIGHTS" - "INTEGRATION" HOAX ON THE NEGROES

PLANNED BY STALIN IN 1928 TO FOMENT CIVIL WAR IN U.S. AND OVERTHROW OF U.S. GOVERNMENT

COMMUNISTS USE NEGROES FOR U.S. CIVIL WAR

Manning Johnson, former top Negro communist:

"Stirring up race and class conflict is the basis of all communist party work in the South...This plot to use the Negroes as the spearhead, or expendables, was concocted by Stalin in 1928.

Vociferous Negro intellectuals, along with the reds, through their impractical, unrealistic alien behavior, turn race relations into a shambles. Every Negro who opposes integration and the N.A.A.C.P. becomes a "traitor" or an "Uncle Tom." Every white person taking a similar stand is a "criminal" and "outside of the law."

They (Negro intellectuals) have no love for their own people...They play Moscow's game and they deserve whatever red reward is due them.

A large number of Negro ministers are all for the communists. White ministers acting as missionaries, using the race angle as bait, aided in the cultivation of Negro ministers for work in the Red solar system of organizations...The use of sex and perversion as a means of political blackmail was an accepted red tactic.

...Of all their work methods used, it was generally agreed that the Church is the "best cover for illegal work."

-from the book, "Color, Communism and Common Sense."

J. Edgar Hoover: "In the case of the Negro Minority the Comintern began in 1928 to lay down a specific Party line for the guidance of comrades in the U.S...Negroes were to be considered as an 'oppressed race.' But in the South, the slogan must be: 'the Right of Self-Determination of the Negroes in the Black Belt.' "

EAST GERMANY COMMUNISTS TRAIN NEGROES FOR WORLD UPRISING: TOLD TO UNITE WITH WORLD NEGROES

Includes U.S. Negroes; Guineans; Ghanaians; Congolese, Liberians and Togolese.

Congressional Record - 87th Congress, 1st Session
June 8, 1961 -Pg. 9239.

"Berlin: Communist East Germany has opened an American Negro Agitation Training Center in the Saxony industrial city of Bautzen.

The Center, masked as "The Institute for the Advancement of the Negro Race," seeks to transform the racial unrest in the U.S. South into a powerful Negro nationalist movement.

Intelligence officials attribute the communist exploitation of United States to Gerhard Eisler, the former No. 1 American communist who urged an establishment of such a U. S. Negro propaganda training center at the time of the Little Rock school integration riots in 1957."

Gus Hall, General Secretary of the Communist Party in America, said in his booklet, "Which Way USA" in 1964.

"It seems that in the period ahead the struggle will proceed on three levels. First, the overall national objective will be to get the civil rights legislation passed by congress. The second level will be organized struggle for specific objectives. This should not be a retreat from the high point of huge-demonstrations. On the contrary it is the strength displayed in mass demonstrations that makes it possible to win specific victories. The third level is the continued struggle in the South. The slow dogged campaign to break down the bars against registration of negro voters is going ahead. If we could launch a national and international campaign against Southern brutality, we could make a signal contribution to the freeing of the South. Why can there not be a clearing house that exposes every act of terror to the world? This is something to which the churches might well direct their attention. The civil rights front is that on which the main battles are being fought today. It must at all times receive our top attention."

EUROPEAN GOVERNMENTS ALARMED AT REPORTS OF AMERICA'S INTERNAL PERIL

NASSER-BACKED BLACK MUSLIMS CAN SPRING NEGRO UPRISINGS IN U.S. AT ANYTIME.

France-May 1963: Governments of Western Europe are receiving alarming reports which touch on America's internal stability.

Their informants put it bluntly; a development has taken place within the past few weeks which can shake America, and a crisis in America can endanger the West. . However, according to reliable reports reaching governments around the world (though not the American public), the NAACP and Elijah Mohammed's followers have formed a common front, which means that the more violent leaders have assumed direction. . Elijah's lieutenants have been organizing an elite militia and stocking arms....

Reports: a brutal, sudden outbreak, nationwide in scope, with Black Muslims forming the officer cadre, is approaching, and that it will follow the now familiar pattern; uprising; government reaction to "restore order" and internationalization of the dispute...through the U.N. - with the solid support of Africans in the world assembly.

*** Should African-Arab Asian rumblings in U.N. fail to block fulfillment of Kennedy-Feldman promises to support Israel, another card remains: it is Nasser's ability to ignite a NAACP-BLACK MUSLIM FUSE within America - with whole blocks in the U.N. already pledged to prevent Washington from dealing firmly with our own rebellion.

H. du. Berrier Report

****Would "internationalizing" mean secession of the "Black Republic" from U.S. - occupation by foreign U.N. troops? the Police State via the Executive Orders already waiting for "the emergency" to bring them about?
