Dear Mr. Waters -

Here is some material Ed King left with me. He has failed to get a publisher.

I have no right to send this to you - and certainly you have no right to use it. But

I suggest you put it away & in time it will be valuable.

(Maybe you can get more from King)

This summer I'll go through my own stuff & I'll send you some of it

from time to time. Trouble
is that I may write
something & if we need
the basic materials.

Yours,
Jim Silver
