Kind Sir:

I have to inform you of the death Louis, a son of Aurella Lewis, the second oldest. His disease appeared to ~~be~~ <sup>have been</sup> cholera, of only 15 hours duration.

I have warned all to exercise care in regard to diet, and to make known the first symptoms.

There has been several severe cases of disordered bowels, previous though only one death before this, which was a small child.

Yours obd servt
