Giuditta

Mia speranza, di te solo vincerò.
Già l'Ardir in mè s'avanza,
se vicino hà il suo conforto quel desio
che m'agitò.

My hope, from you only I shall be victor.
Already ardor rises in me,
so near is the comfort of the
desires which burn within me.

Empio, dirò, tu sei

from *Giulio Cesare in Egitto* (1724)—HWV 17

Empio, dirò, tu sei,
toglitì a gli occhi miei,
sei tutto crudeltà.

Non è da re quel cuor,
che donasi al rigor,
che in sen non ha pietà.

George Frideric Handel
(1685-1759)

Merciless—that's what I'll say you are.
Get out of my sight.
You are entirely cruel.

It is not fitting for a king
to have an unbending heart
that holds no place for pity.

Chiome d'oro

from *Settimo Libro di Madrigali* (1619)

Chiome d'oro, bel tesoro,
tu mi leghi in mille modi,
se t'annodi, se ti snodi,

Candidette perle elette
se le rose che scoprite
discoprite, mi ferite

Vive stelle, che si belle
e sì vaghe risplendete
se ridete m'ancidete.

Preziose, amorose
coralline labbra amate
se parlate mi beate.

O bel nodo per cui godo!
O soave uscir di vita!
O gradita mia ferita!

Claudio Monteverdi
(1567-1643)

Golden head of hair, beautiful treasure,
you entwine me in a thousand ways,
whether bound or loose.

Precious little snow-white pearls [teeth]
if the roses [lips] that conceal you
reveal, you wound me.

Vivacious stars [eyes]
that shine so beautiful and bright
if you laugh you kill me.

Precious, amorous,
beloved coral lips
if you speak you bless me.

O beautiful bind in which I delight!
O pleasing departure [exiting of life]!
Oh gratifying wound!

Program

Ganymed (*Göthe*)

Wie im Morgenglanze,
Du rings mich anglühst,
Frühling, Geliebter!
Mit tausendfacher Liebesonne,
Sich an mein Herz drängt
Deiner ewigen Wärmer Heilig Gefühl,
Unendliche Schöne!

Daß ich dich fassen möcht'
In diesen Arm!

Ach, an deinem Busen
Lieg' ich und schmachte,
Und deine Blumen, dein Gras
Drängen sich an mein Herz.
Du kühlst dem brennenden
Durst meines Busens,
Lieblicher Morganwind!
Ruft drein die Nachtigall
Liebend nach mir aus dem Nebeltal.

Ich komm', ich komme!
Wohin? Ach, wohin?

Hinauf! Hinauf, strebt's!
Es schweben die Wolken
Abwärts, die Wolken
Neigen sich, der sehnenden Liebe
Mir! Mir!
In eurem Schosse
Aufwärts!
Umfangend, umfangen
Aufwärts an deinen Busen,
Alliebender Vater!

Parto, parto

from *La clemenza di Tito* (1791)—K. 621

Parto, ma tu ben mio,
Meco ritorna in pace;
Sarò qual più ti piace
Quel che vorrai farò.

Guardami, e tutto oblio,
E a vendicarti io volo.

Franz Schubert
(1797-1828)

How in the morning light,
you glow around me,
beloved spring!
With love's thousand-fold bliss,
to my heart presses
the eternal warmth of sacred feelings,
and endless beauty!

Would that I could clasp
you in these arms!

Ah, at your breast
I lie and languish,
and your flowers and your grass
press themselves to my heart.
You cool the burning
thirst of my breast,
lovely morning breeze!
The nightingale calls
lovingly to me from the misty gale.

I am coming, I am coming!
Where to, to where?

Upwards I strive, upwards!
The clouds float
downwards, the clouds
bow down to yearning Love
To me, to me!
In Your lap
upwards
embracing, embraced
upwards to Your breast,
All-loving Father!

Wolfgang Amadeus Mozart
(1756-1791)

I go, but, my dearest,
make peace again with me.
I would be what you would most
have me be, do whatever you wish.

Look at me and I will forget all,
and fly to avenge you.

Ah, qual poter, oh Dei!
Donaste alla beltà.

Sposa, non mi conosci [Bride you do not know me]
from *La Merope* (1734)

Ah, God, what power
You have given beauty.

Geminiano Giacomelli
(1692-1740)

piano arrangement by Allesandro Parisotti
(1853-1913)

I am a scorned husband.
faithful, yet insulted.
Heavens, what did I do?
And yet, she is my heart
my bride, my love,
my hope.

Johann Sebastian Bach
(1685-1750)

Wenn des Kreuzes bitterkeiten
from *Was Gott tut, das ist wohlgetan*—BWV 99

Wenn des Kreuzes Bitterkeiten
Mit des Fleisches Schwachheit streiten,
Ist es dennoch wohlgetan.
Wer das Kreuz durch falschen Wahn
Sich vor unerträglich schätztet,
Wird auch künftig nicht ergötzet.

When the bitterness of the cross
struggles with the weakness of the flesh,
nevertheless it is well done.
Whoever, through misapprehension,
considers the cross unbearable,
will also in the future never share [its] delight.

~Intermission~

Vanne, vanne pur
from *La Giuditta* (1693)

Alessandro Scarlatti
(1660-1725)

Vanne, vanne pur, che in
un'instante, bella mia, ti rivedrò,
e ti gloria haver Amante
chi già l'Orbe incatenò.

Mio conforto/Mia speranza
from *La Giuditta* (1693)

Alessandro Scarlatti

Oloferne

Mio conforto, per te
sola vincerò.
Già l'Amor in mè s'avanza,
se vicino hà il suo conforto
quel pensier che m'agitò.

My consolation, for you only
I shall be victorious.
Already love advances in me,
so near is the comfort of the
thoughts which burn within me.
