12-Jan-2014

Dear Dr. McGettigan:

Thank you for submitting your revised manuscript entitled, "Exploring the roles of spectral detail and intonation contour in speech intelligibility: An fMRI study" to the Journal of Cognitive Neuroscience.

Upon reading of your comments and the revised manuscript, and based on the favorable comments of the original referees, we are pleased to inform you that we have accepted it for publication in JOCN.

Proofs are sent to authors within 4 months from this date. Please do not contact the editorial office regarding the publication date of your manuscript since this information is available at <http://www.mitpressjournals.org/loi/jocn>

Please return the attached Copyright Transfer Form to MIT press AS SOON AS POSSIBLE to avoid a delay in publication of your manuscript. You may email your form directly to MIT Press (not JOCN) at: bouchard@mit.edu or journal-rights@mit.edu

You may also submit your form via fax or mail to:

MIT Press Journals

Attn: Rights and Permissions

55 Hayward Street

Cambridge, MA 02142

USA

fax: 617-253-1709

If you have any questions about the copyright form, please contact MIT Press at: journals-rights@mit.edu

Please note that if you would like to receive confirmation that MIT Press has received your copyright transfer form, you must contact them (not JOCN) directly.

Congratulations, and thank you for submitting your work to JOCN.

Regards,

Dr. Jeffrey R. Binder
Associate Editor

Mark D'Esposito
Editor-In-Chief
Journal of Cognitive Neuroscience
