Hannah Rogers,

Re: The importance of looking credible: the impact of the behavioural sequelae of post-traumatic stress disorder on the credibility of asylum-seekers.

Production tracking number: GPCL 951643

Thank you for submitting your paper, which has now been received by the Taylor & Francis production department. As production editor I will work with you to oversee the production of your article from manuscript to publication. My contact details are given at the end of this email.

- Please print and sign by hand the attached Author Publishing Agreement. Please upload the Agreement to CATS (see below). If this is not possible, you can scan it and send it by email to [GPCL-production@tandf.co.uk](mailto:GPCL-production@tandf.co.uk), or post it to the address below.

Proofs will be ready for you to check in approximately 17 working days and we would like you to return your corrections within 3 days. Please let me know if there will be any difficulty in meeting this schedule.

We will be sending proofs to you through our workflow system, CATS (Central Article Tracking System).

- The DOI of your paper is: 10.1080/1068316X.2014.951643. Once your article has published online, it will be available at the following permanent link: <http://dx.doi.org/10.1080/1068316X.2014.951643>

- You can check the status of your paper online through the CATS system at:
