Donations to Hubbard House may be dropped off at the T&L Flagship office (10/2460) during business hours from now until Friday, Dec. 6. TLS members will deliver collected items and decorate the lobby of Hubbard House on Saturday, Dec. 7.

18th Annual Hubbard House Holiday Drive

Hubbard House is a full-service shelter for women and children who are victims of domestic violence and is the oldest shelter in the state of Florida. Since 2002, the *Transportation and Logistics Society* has partnered with the Propeller Club of Jacksonville to make the holidays happier for the residents of Hubbard House by sponsoring a drive to collect new toys, books, diapers, hygiene items, gift cards, new or gently used clothing, and cash (to purchase strollers, pack and play, etc.).

Internships

Get to Knows

Life after Graduation

President's Corner

I hope everyone had a great summer taking classes, doing internships, and maybe even a study abroad. I was lucky to study in Verona, Italy for a month. There were about 10 TLS members on the trip and we all had a fantastic experience exploring the country, visiting businesses and wineries, and learning about the Italian culture. I highly recommend that everyone try to take advantage of the opportunity to study transportation, logistics, and economics in another country. **It's an experience you will never forget.**

Now that the fall semester is underway, I am very excited to invite all students to attend TLS events and T&L Flagship tours. Community service, socials, and travel to conferences are just a sample of what TLS has to offer. If you are already a member of TLS and would like to get more involved in leadership, consider joining the Executive Board as a Task Force member. If **you haven't joined a Coggin club consider joining TLS. TLS is a perfect place to start building a**

professional and peer network as the club continues to find the best opportunities for students by creating an environment of learning skills that apply to any major. TLS has been voted **UNF's Club of the Year 5 times since 2003 and has been consistently recognized for excellence since TLS was founded in 2000.**

I wish everyone the best of luck this semester. If you have questions or want to get involved please reach out to me or any of the TLS Board members.

Sincerely,

Courtney Ardizzoni
