## Acknowledgements

We congratulate the student authors who submitted their essays for their time and dedication to creating outstanding papers. We would also like to express our gratitude to Professors Naomi Andrews and Matthew Newsom Kerr, the faculty advisors, and Melissa Sims, the History Department Office manager. Without their aid, this publication would not have come to fruition. On behalf of the History Department we would like to thank the faculty, staff, and students who contributed to the department this year. As we reflect on our time at Santa Clara University, we are grateful for the impact the History Department has had on us as burgeoning historians. We are honored to have represented the History Department this year, and we hope you enjoy the 2019 edition of *Historical Perspectives*.
