WOFFORDTERRIERS.COM

In the fall of 2018, Wofford College launched an updated website for athletics which can be found at www.woffordterriers.com. The site contains all the information any Terrier fan is looking for, including rosters, schedules, student-athlete bios, updated statistics and archives. Live stats for most sports are also provided. This season, the site will link with the Southern Conference Digital Network, ESPN3 and ESPN+ to provide live video of a wide variety of events, including football, men's and women's basketball and baseball, on any device with a broadband connection.

NCAA COMPLIANCE

The importance of following all NCAA rules and regulations is imperative to maintaining the integrity of Wofford College and intercollegiate athletics. We ask all who are associated with the institutions athletics programs to help the College protect the spirit of competition, the athletics eligibility of our student-athletes and the reputation of the College by adhering to the rules and regulations of the NCAA and by contacting the Compliance Office or the NCAA with all questions. If you have any questions about NCAA rules, please contact Elizabeth Rabb at (864) 597-4090, the Wofford website at woffordterriers.com and click on 'Compliance,' or the NCAA at www.ncaa.org.

What is a Representative of Athletics Interests (Booster/Donor)?

All alumni, friends, and employees of the College are categorized as 'representatives of athletics interest.' The NCAA stipulates that once an individual has been identified as a 'representative' or "booster/donor" he/she retains this status forever even if the individual is no longer associated with the athletics program. Furthermore the NCAA states that it is possible for a person to be a representative of more than one institution at the same time. A representative of athletics interest may not:

- Contact a prospect's coach, principal or counselor in an effort to evaluate a prospect
- Visit the prospect's institution to pick up film or transcripts
- Contact a prospect, his/her parents, legal guardians or spouse on or off campus
- Contact a prospect by telephone or letter
- Make special arrangements to entertain a recruit
- Provide extra benefits to a prospect, student-athlete or the parents, family and/or guardians of the prospects or student-athletes

REMEMBER THE #1 RULE: 'ASK BEFORE YOU ACT!'

OFFICIAL OUTFITTER

SNYDER FIELD

SNYDER FIELD

In 1996, with the construction of Gibbs Stadium for the football team, Snyder Field underwent a near-complete renovation. Included in the changes were a widening of the field to make it one of the top soccer-specific stadiums in the southeast.

The Wofford men's and women's teams have made Snyder Field home since the 1997 season. Located between the Richardson Building, the Campus Life Building and Russell C. King Field, Snyder Field is centrally located on campus.

The Wofford men's soccer team previously played on Snyder Field until the 1989 season, when they moved to the Terrier Soccer Complex.

The facility is named for former Wofford president Henry Nelson Snyder (1902-1942) and can seat 2,250 in bleachers. Additional standing-room areas are located around the perimeter of the facility.

THE WORLD AT WOFFORD

Wofford College, established in 1854, is a four-year, independent, residential liberal arts college located in Spartanburg, S.C. It offers a distinctive program with 25 major fields of study to a student body of 1,650 undergraduates.

Nationally known for the strength of its academic program, outstanding faculty, study abroad participation and successful graduates, Wofford ranks well in U.S. News & World Report, The Princeton Review, The Fiske Guide to College, Kiplinger's Personal Finance and the Open Doors Report on International Education Exchange, an organization that ranks Wofford #4 in the nation for study abroad participation.

Wofford has produced six Rhodes Scholars and is home to one of the nation's 283 Phi Beta Kappa chapters.

A leader in offering high-impact learning opportunities to students, Wofford encourages students to take advantage of all that Wofford, and through it the world, has to offer.

These opportunities include internships with scientific, corporate and non-profit organizations across the globe, undergraduate research opportunities, service-learning in the local community, international study abroad programming and a thriving host of co-curricular opportunities on campus.

One of those co-curricular offerings is the R. Michael James Fund, a student-managed and operated investment organization. The Space in the Mungo Center also prepares students for life after Wofford by offering professional development, career services and much more.

Student and residence life on campus include exciting Division I NCAA athletics, opportunities to participate in one of the college's Greek-letter fraternities or sororities, competitive intramurals, a diverse selection of clubs, student publications and a housing plan that helps students progress from first year through fourth in a close-knit community that builds independence. The residence life experience culminates in a final year in

The Village, beautiful, Charlestonian-style apartments designed to help transition students from college student to successful graduate.

Thanks to the generosity of alumnus and trustee Jerry Richardson '59, the Rosalind Sallenger Richardson Center for the Arts opened in May of 2017 and the Jerry Richardson Indoor Stadium to house new basketball and volleyball arenas opened in September of 2017. The new Greek Village was completed in the spring of 2016.

Wofford's entire 175-acre campus is a national arboretum, named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor.

Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. A few of those high-impact educational experiences include:

The Interim, a January term that encourages students and faculty to explore new interests both on and off campus. A small sampling of on-campus programs include: Animal Cognition and Rat Basketball, Personal Finance, and Riding and Researching the Horse. Travel/study projects will take students to Australia, Cuba, China, Ireland, Germany, Japan and other sites around the world. Students also complete internships both locally and around the globe.

The Bonner Scholar program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

The Space in the Mungo Center, a place where students can build upon their liberal arts education by adding professional skills desired by employers and graduate schools. The Space includes The Space to: Prepare (career services and professional development training); The Space to: Impact (a four-year scholarship program that empowers students to impact the world); The Space to: Launch (entrepreneurship support and competitions); The Space to: Consult (hands-on research, writing and problem-solving training within a consulting framework); and The Space to: Explore (in-depth global study).

Environmental Studies provides a creative and supportive learning environment that helps students pursue their goals in the field of sustainability. It operates both on Wofford's campus and at the college's Goodall Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along Lawson's Fork Creek.

Neuroscience, a program that allows students to examine the nervous system and its regulation of behavior through an experimental approach, is offered jointly by the Departments of Psychology and Biology.

Computational Science, a fast-growing in-

terdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

The Novel Experience, a first-year reading and writing program that offers an introduction to the academic rigors of Wofford while familiarizing students with the Spartanburg community.

The Creative Writing Concentration, a program led by outstanding published faculty authors that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers. The Wofford Writers Series brings published writers to campus to augment the Creative Writing Concentration.

The Presidential International Scholar program offers an opportunity for an outstanding, intellectually gifted student to visit developing countries researching a specific academic area of interest. The student then returns to campus to share his or her experiences.

Presidential Seminar, a weekly seminar for outstanding seniors hosted by Wofford President Nayef H. Samhat. Seminar participants explore interdisciplinary subjects of current significance. The college now has a similar program for juniors.

Liberty Fellowship is a two-year leadership experience for young citizens of South Carolina with exemplary promise for societal achievement. The Liberty Fellowship is housed at the college and offered in partnership with South Carolina businessman Hayne Hipp and the Aspen Institute.

RICHARDSON BUILDING

THE RICHARDSON BUILDING

The home of the Wofford College Athletic Department since 1996 is the Richardson Physical Activities Building. The facility includes offices for the administration, football, baseball and other sports on the second floor. Also included on the second floor is an aerobic dance room, team meeting room, racquetball courts and a student-athlete lounge. Locker rooms for football, men's and women's cross country/track and field, men's and women's soccer and a training room are located on the first floor.

Wofford alumnus Jerry Richardson made donations in 2008 and 2018 that were used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

The most recent renovations to the building include a 1,200 square foot addition to house a new state of the art hydrotherapy suite which includes a Hydroworx aquatic therapy pool with underwater treadmill. The existing training room was relocated to adjoin the new hydrotherapy suite, which results in a much-needed increased size for the new training room. Supporting the training area are three staff offices, exam room, and state-of-the-art x-ray room. The new team meeting room is equipped with the latest video technology and a media backdrop for postgame press conferences.

The existing football locker room was expanded and upgraded. The upgrades included new paint, carpet, ceilings, and lighting. The equipment room has been reconfigured, and a new high-density storage system was purchased to increase capacity and improve efficiency in the handling of equipment. In addition to the visible improvements a new supplemental mechanical unit to control moisture and improve indoor air quality was installed, along with new HVAC controls in the entire building.

With the campus fitness center relocated to the Benjamin Johnson Arena, renovations were also made to the second floor. A second team meeting room was created with sliding glass walls to provide flexibility for a variety of uses. A student-athlete lounge was built near the racquetball courts which includes two 70-inch monitors.

The building also includes the Harley Room, a large multipurpose area overlooking Gibbs Stadium. The area hosts a wide variety of campus events during the year. On the patio, a sculpture of Jerry Richardson was dedicated on May 12, 2014 to honor him and recognize the 20th anniversary of the Carolina Panthers summer training camp being held on campus. The sculpture, created by noted California artist Todd Andrews, depicts Richardson seeming to be ready to walk over to Gibbs Stadium to watch the Terriers – for which he also played – take on the next worthy opponent.

STRENGTH AND CONDITIONING

THE JOE E. TAYLOR CENTER

Wofford alumnus and South Carolina Secretary of Commerce Joe Taylor donated \$1 million for the renovation of the Curry Building into the Joe E. Taylor Athletic Center. The Taylor Center features a 7,000 square foot weight room and offices for athletic department staff. The building, located next to Gibbs Stadium, was completed in June of 2009.

The weight room facility is equipped with a total of 24 racks with built-in pull-up bars and nearly 25,000 pounds of plates, dumbbells and olympic weights. The 24 racks are divided, with twelve used with platforms and twelve used with benches. Additional equipment includes four pulldown machines, four low row machines, five power runners, six glute/ham machines, two decline ab machines, a leg press and exercise bike. Also included is a large area of Mondo track flooring, which is used with the step-up boxes, plyo boxes and hurdle sets in speed development.

The Taylor Center also provides offices for administration and numerous sports, including men's and women's soccer, baseball, men's and women's golf, volleyball, men's and women's tennis and cross country and track and field. A conference room and several work areas give the coaching staff much needed space.

MISSION STATEMENT

The aim of the Wofford College Strength and Conditioning Department is to allow every student-athlete the best training opportunity with proper instruction and program implementation to create progressive gains in strength, speed, fitness levels, mobility and body composition over the tenure of the athletic career. This will be achieved through a created culture consumed with hard work, discipline, commitment, and knowledge of the craft of training in a highly competitive environment.

THE PHILOSOPHY

The Strength and Conditioning Program consists of prescribed training based on sport specific demands with a great emphasis on properly executing movement patterns and training within the assigned threshold to optimize abilities and capabilities. Keys to this are:

- Evaluation and Assessment
- Individual Needs / Sport Specificity
- Weight Training Movements
- Running Prescription
- Plyometric Training
- Student-Athlete Health
- Recovery and Restoration
- Training Culture

RICHARDSON INDOOR STADIUM

A new era at Wofford began in 2018 with the opening of the Jerry Richardson Indoor Stadium. The new home of basketball and volleyball is adjacent to the north end of Gibbs Stadium, where the Terriers play football.

Wofford alumnus and trustee Jerry Richardson, Class of 1959, provided the gift to fund the facility that includes a 3,400-seat basketball arena and a 350-seat volleyball competition venue as well as offices, locker rooms, meeting rooms, training rooms and special fan areas, including several open-air suites. The facility replaces Benjamin Johnson Arena, which will continue to be used as a first-rate gymnasium for intramural and campus recreational activities.

"The Richardsons have done it again," head men's basketball coach Mike Young said. "First the Center for the Arts and now the Jerry Richardson Indoor Stadium. I'm eager to tour prospective students through both buildings to show them, as well as tell them, that Wofford student-athletes are students first."

The Jerry Richardson Indoor Stadium also has a seating capacity for non-athletics functions, such as commencement and concerts, of 4,500. The facility includes "Club 51" for club seat holders, the "Boneyard" lounge in the student section, state of the art sound system and acoustical design, along with electronic charging stations throughout the building.

BENJAMIN JOHNSON ARENA

When the campus community bid farewell to the Benjamin Johnson Arena as the home of Wofford basketball and volleyball in 2017, it created new possibilities for student recreation and wellness. The renovated Benjamin Johnson Arena student fitness center opened in January of 2018.

“The Benjamin Johnson Arena, which opened in 1981, holds a lot of history for Wofford College, and we’re glad we are able to continue to use the facility as a larger, better fitness center for our students, faculty and staff,” President Nayef Samhat says. “The addition of the new Jerry Richardson Indoor Stadium provides us with this terrific opportunity to give our community a place in the Benjamin Johnson Arena to exercise both their bodies and their minds.”

The lower level of the arena (once basketball and volleyball courts and bleachers) houses a new multi-sport playing surface with three courts. A walking track surrounds the perimeter of the courts. The locker rooms were completely renovated. The concourse areas have become the new student fitness center with the installation of a variety of equipment and machines.

The east concourse has weight equipment, including free weights, benches and machines. The other concourse has cardio equipment, including treadmills, stationary bikes and elliptical machines. The concourses also have open locker storage and new audio-visual equipment.

In addition to the fitness activities, Benjamin Johnson Arena is home of a comprehensive intramural, recreation, and club sports programs that encompass team sports, individual sports, fitness classes, club sports, as well as various other programs. Highlights include intramural basketball and softball, equestrian club, men’s club lacrosse, club ultimate frisbee and an outdoors club.

The arena is named after Benjamin O. Johnson ’30 who was a Spartanburg textile executive associated with Spartan Mills. Mr. Johnson was also a trustee of Wofford College as well as a benefactor. Wofford moved into the Benjamin Johnson Arena in 1981 after playing in adjacent Andrews Field House for 50 years. The \$4.5 million arena is part of the Campus Life Building, which was designed to serve as the center of athletic, social and cultural activity on campus.

The first men’s basketball contest was held on January 22, 1981, as The Citadel scored a 65-64 win over Wofford. The Terriers first win in the arena was on January 26, 1981. The men had an overall record of 334-131 in 37 seasons in the facility.

The Wofford women’s basketball team fielded its first varsity team in the 1980-81 season, moving into Benjamin Johnson Arena in 1981 after playing in Andrews Fieldhouse for the first half of the season. The first women’s basketball game was held on January 22, 1981, with Wofford defeating Sacred Heart 74-25.

Dating back to 1919 when Frank Ellerbee played baseball for the Washington Senators, Wofford alumni have made an impact in professional sports. From basketball to baseball to football, golf and soccer, Wofford alumni are making their marks in professional leagues.

William McGirt has earned over \$10 million on the PGA Tour since earning his card in 2011. He won the 2016 Memorial Tournament and has played in several majors, including the 2017 Masters. Forrest Lasso is playing professional soccer with FC Cincinnati, which will join MLS next season.

In basketball, Mike Lenzly was a member of the 2012 Great Britain Olympic Team. Additional Terriers who have played overseas recently include Noah Dahlman, Drew Gibson, Junior Salters, Howard Wilkerson, Brad Loesing, Drew Crowell, Lee Skinner, Karl Cochran, Kevin Giltner, Spencer Collins and Eric Garcia.

Wofford also has been well represented in minor league baseball. Brandon Waring, Michael Gilmartin, Alex Wilson, J.D. Osborne, Luke Leftwich, Will Stillman, Matt Milburn, Spencer Kulman, Kody Ruedisili, Jacob-Condra Bogan and Adam Scott all were with teams in the last five seasons. John Cornely made his MLB debut with the Atlanta Braves in 2015.

Over the past ten years, Andy Strickland (Atlan-

ta and Jacksonville), Tommy Irvin (Arizona), Pat Illig (Detroit), Kasey Redfern (Jacksonville, San Diego and Detroit), Alvin Scioneaux (San Diego), Brenton Bersin (Carolina), and David Marvin (Atlanta) have been in NFL training camps. Bersin won back-to-back NFC South Championships and reached Super Bowl 50 in 2016. Ameet Pall was the fifth overall pick in the 2012 Canadian Football League draft.

THE HUB CITY

The City's origins predate the Revolutionary War. Spartanburg was named for a unit of American Revolution forces called the "Spartan Rifles" who helped defeat the British at the Battle of Cowpens in 1781, under the leadership of General Daniel Morgan.

The town of Spartanburg was incorporated in 1831 and later as a city in 1880 by the 13 Original States and Tennessee. During this time Spartanburg was booming due in large part to the rapidly expanding textile industry.

In the 1870s, Spartanburg became a railroad "hub city," with mainline railroads extending from Magnolia Street depot in all directions, taking passengers and freight to Charleston, Augusta, Atlanta, Asheville, Charlotte and points beyond. As many as 90 trains per day could be seen and heard operating in Spartanburg during the golden age of the American railroad, 1900-20.

During the 1920s, Spartanburg built South Carolina's first municipal airport and claimed the state's first commercial radio station (WSPA). Its leadership in the state was reflected by the election of several residents as governor.

Thousands of U.S. soldiers bound for overseas service in World Wars I and II trained at camps in Spartanburg. The post headquarters for Camp Wadsworth (1917-19) was located at the present site of WestGate Mall, and the Camp Croft (1940-45) was located south of the city.

Much of that military reservation has become Croft State Park.

After World War II, Spartanburg made a concerted effort to promote its location at the junction of Interstates 85 and 26 to international business. One of the greatest successes of this campaign was the development of the BMW manufacturing center near the Greenville-Spartanburg Airport.

Spartanburg's downtown, which always has been anchored by the campuses of Wofford and Converse Colleges, has been undergoing a major revival since the mid-1990s. In addition to the corporate headquarters for Denny's, Advance America, QS-1 and several other companies, the city has acquired a magnificent public library, the Marriott Hotel at Renaissance Park and most recently, the Chapman Arts Center and the USC Upstate George Dean Johnson School of Business. The area surrounding Morgan Square gradually is redeveloping with a variety of interesting restaurants and urban apartment-style housing.

Throughout the 20th century, textile manufacturing

companies formed the backbone of the Spartanburg economy. The most significant of these companies still in operation is internationally respected Milliken & Company.

Blessed by geography and climate as well as by energetic and well-educated citizenry, Spartanburg is emerging as one of the centers of a 21st century metroplex that extends along the South Carolina portion of the I-85 corridor.

2009 SoCon TOURNAMENT CHAMPIONS

THE CAROLINA PANTHERS

The Carolina Panthers have held training camp at Wofford since their inaugural season in 1995 and it will be held on campus until at least 2019. The camp provides Wofford tremendous national exposure and visibility. Media members that visit Wofford during the camp include ESPN, Fox Sports, NFL Network, *USA Today* and *Sports Illustrated*. Local print and television media from markets including Columbia, Charlotte, Raleigh/Durham/Chapel Hill, Asheville and Greensboro/Winston-Salem are on campus on a daily basis.

According to SI.com's Tim Layden, "as I like to think of it: Training Camp Heaven. Wofford is 70 miles west of Charlotte on I-85, and presents all the reasons why there is something special about taking the team on the road for camp. Three pristine, Bermuda-grass fields with a stand of tall pines on two sides and a terraced hillside -- where fans sit and watch -- on another. Fans, many of them young boys and girls, lined up along the fence, getting autographs after practice. It's a scene straight out of football's past."

THE TERRIER SCULPTURE

A sculpture of a Terrier was unveiled on March 25, 2008 outside of the Student Life Building as a gift to Wofford College from the Class of 1956. The following is the text of an address given by Talmage Boyd Skinner, Jr., 1956, Chaplain Emeritus of Wofford College on the dedication.

The mascot of a college should, in large measure, represent the character of the place. In this Palmetto State, we are surrounded by a bevy of mascots. There are Gamecocks and Tigers, Bulldogs and a Rooster named Chanticleer, Indians, Paladins, Cougars, Valkyries, and one school has a sock for an ensign. There are Trojans, Pioneers, and Spartans, and various Cats and feathered creatures. In all the land, only two other schools are Terriers. Some will laugh when we affirm that we are the only true Terriers. Some chuckle when we are audacious enough to claim to be unique and even superior in so many aspects of being a college. The most arrogant of us will admit that there are many good colleges. We have even tried to copy some. I have always been a bit uncomfortable when we talk of another school being a -- "flagship" that we need to emulate. Hey! We ARE the flagship! Forgive the pride of some old guys who have loved this little school for over half a century. Yes, we did not come to Wofford just to purchase an education; we joined Wofford. We were adopted into the family with a bond that cannot be broken. Many colleges claim to be family. We truly are.

Ours is a bond of shared experience hammered out on the playing fields against foes our size and those with more students than we have living alumni. It does not stop with athletics. The term "student athlete" has authenticity at Wofford. The bond is from a shared academic experience that is not content just to pass on so-called facts, but prepares students to think and to continue to grow. The "proof of the pudding" is in the doctors, lawyers, college presidents and professors, teachers, coaches, leaders in business and service - even in the ministry of the Church. A bond is created in the experience of the arts - the theater program, choral music, strings. One thing we lack - a band - not just the band class that plays well once or twice a year, but a BAND for spirit and musical experience. A bond is created through service programs and the physical arts witnessed by so many exhibitions on campus. Not the least is a religious life program that is open and tolerant, that walks with students seeking answers and helps them first learn to ask questions.

We, the Class of 1956 present this Terrier to our college as a symbol of Wofford Spirit in all aspects of this place like no other. We want to add to the tradition of this sacred ground. We want to remind the present Wofford that there is a past on which she stands and remind all of us that it all will be forgotten if we do not have a vision for the future. Our goal should be deeper than the usual quest for reputation, wealth, and prestige. Dr. Dunlap has always called Wofford a "kingdom of the just." May that ever be our watchword. It may be a simple, unsophisticated phrase, but we are called not to be powerful, but good. As the prophet Micah said, "What does the Lord require of you but to do justice and to love kindness and to walk humbly with your God."

The Class of 1956 proudly and humbly presents this physical representation of the Spirit of Wofford College and all those members of our family who ever lived or presently live on the "City's Northern Border," and all who are yet to dwell in the shadow of the Twin Towers.

Head Coach Ralph Polson

*11th Season
Erskine College '80*

Ralph Polson is entering his 11th season at the helm of the Wofford men's soccer program. He joined the Terriers after eight seasons as associate head coach at the College of Charleston and 17 seasons as head coach at Presbyterian College. In his first seven years with the Terriers, he has helped the team earn two Southern Conference titles.

To add to his decorated resume, he is the Former President of the NSCAA in 2012, is currently a member of the NSCAA Board of Governors Advisory Council, Chairman of the NSCAA Senior College Men's National All-America, and Chairman of the NCAA Men's and Women's Soccer Playing Rules Committee.

The 2017 Terriers were young but Coach Polson's squad improved throughout the season. Wofford went 4-6 in the Southern Conference including away victories at UNCG, Furman and VMI as Polson coached Lucas Altman to an All-SoCon selection and Zach Averano to an All-Freshman selection.

In 2016 the Terriers continued their winning ways, finishing with a record of 12-7. The 12 wins matched the school record for wins which was set in 2009, Polson's second season with the club. This marked the fifth consecutive winning season for Wofford. The Southern Conference honored nine Terriers for their 2016 season, including five who were named to the All-Freshman team.

The 2015 team provided another solid season for the Terriers, as Polson guided them to a 9-7-2 record. During the season, Polson helped six players earn All-SoCon honors, including three who were named to the All-Freshman team.

The 2014 team continued to reach new heights under Polson's direction. The Terriers

ended the campaign with an 11-6-1 mark overall, going 7-2-1 in conference play. The squad boasted six all-conference selections in Matthew Aurednik, Connor Davis, Carlos Dominguez-Gonzalez, Ryan Hurst, Nestor Jaramillo and Forest Lasso. Aurednik and Lasso both earned NSCAA All-Region First Team selections, while Jaramillo was named to the All-Region Third Team. Lasso also became the program's fifth-ever All-America selection, as he was named to the third team.

Coach Polson continued to produce one of the most feared offenses in the nation during the 2014 campaign. The team ended the year finishing No. 3 in points per game with a 6.44 average, and had the fourth-best scoring offense in the country, averaging 2.22 goals per game. The team also went undefeated at home for the first time in school history, recording a 7-0-0 record at Snyder Field.

Coach Polson's squad also continued to achieve off the field, grabbing a seventh consecutive NSCAA team academic honor award, given to teams earning a 3.0 GPA or higher. Senior Carlos Dominguez-Gonzalez also earned NSCAA All-Academic South region honors under Coach Polson's guidance.

During the 2013 season, Wofford earned another Southern Conference Championship as the team claimed its second regular season title Southern Conference title in school history. The Terriers finished 5-1 in conference play to claim the title. It was also Wofford's second winning record in the men's soccer team's NCAA Division I era.

The 2012 Terriers posted only the second winning record in Wofford's Division I era. The team fell to Elon 2-1 in the SoCon Championship game. Nestor Jaramillo was named SoCon Freshman of the Year, and Alex Hutchins, Carlos Dominguez-Gonzalez, Forrest Lasso and Connor Davis all received postseason SoCon honors.

The 2011 season saw the Terriers improve on the previous season's record, with Alex Hutchins, Carlos-Dominguez Gonzalez, and Forrest Lasso each earning postseason SoCon

honors.

After the 2010 fall season, six different men's soccer student athletes were named to the Southern Conference All-Academic team. Coach Polson strives to push his student-athletes to excel in school as well as on the field. In Coach Polson's five year tenure at Wofford, he has had 39 Southern Conference All-Academic selections awarded to his student-athletes.

In only his second season at Wofford, Polson turned a team that had won only six Southern Conference games in the previous nine years into tournament and regular season conference champions. Overall, the Terriers were 12-3-3 on the season, marking the second-most wins in school history and the most since 14 wins in 1994. In conference play, Wofford was 5-1-1 to claim the regular season championship. Prior to 2009, the most SoCon games won in a season was two.

Once Wofford claimed the Southern Conference regular season title with a 4-3 win at Furman, the Terriers hosted the 2009 conference tournament at Snyder Field. Following a 3-1 win over UNCG in the semifinals, the Terriers defeated Elon 2-1 to win the tournament title. Along with the tournament championship came the league's automatic bid to the NCAA Tournament. Wofford faced #5 UC Santa Barbara in the first round of the tournament and were defeated 1-0 in front of over 2,000 fans.

With the success of the team, six players were named to the Southern Conference All-Conference team and Polson was named the SoCon Coach of the Year. In addition, senior Nick Schuermann earned All-America and NSCAA Scholar All-America honors. Polson was also named NSCAA South Coach of the Year and was a finalist for national coach of the year honors.

Wofford named Ralph Polson as head men's soccer coach January 14, 2008. "We are pleased to have Ralph Polson as head coach of the men's soccer program at Wofford College," said Director of Athletics Richard Johnson. "Ralph brings a wealth of experience to the position and is very familiar with the Southern Conference. We hope to continue to build on the progress made this past season by the team."

In his eight seasons at the College of Charleston, the Cougars reached the Southern Conference semifinals five times and the finals twice. In 2004, the Cougars won the Southern Conference Championship and appeared in the NCAA Tournament. They defeated South Carolina 3-2 in the first round before falling to UNCG.

Polson coached nine All-Southern Conference first-team players while at College of Charleston who earned 12 honors. Overall, the Cougars were 89-59-14 in his eight seasons, which included seven winning campaigns.

He began his coaching career at his alma mater, Erskine, as an assistant coach. Polson was named head coach at Presbyterian in 1983. In his 17 years at Presbyterian, he posted a 196-104-26 overall record and had 15 non-losing seasons. He was named NAIA District 6 Coach of the Year in 1986 and 1988. In 1992 and 1996 he earned South Atlantic Conference Coach of the Year honors.

Presbyterian won the South Atlantic Conference Tournament in 1991, 1993, 1995 and 1996. In 1995, the Blue Hose participated in the NCAA Division II Tournament for the first time in school history.

Polson holds a USSFA license and has been a member of the USSFA Region III Olympic Development Program coaching staff since 1983. He is a staff coach for the SCYSA State Select Team Program and also worked as a coach for the Bridge Futbol Alliance. Since 1992, he has served as the assistant director of the Ralph Lundy Soccer Academy.

He has served as a member of the NSCAA Senior Recognition Committee and served as the NCAA Division II Representative to the NSCAA.

In the spring of 2008, Polson was appointed as the secretary for the National Soccer Coaches Association of America and a member of the Executive Committee. He was elected to a three-year term as Vice-President of Conventions and Awards of the NSCAA in January 2009. In January 2012, he became the 64th president of the NSCAA.

From 2001 to 2014, he had been NSCAA Division I All-America Committee National Chairman and South Region Chairman. He is also treasurer of the Walt Chyzowych Memorial Fund.

Polson is a 1980 Erskine graduate. He was a member of the 1977 men's soccer team at Erskine which reached the NAIA national semifinals.

He and his wife, Susan, have a daughter, Megan and a son, Ralph, who both graduated from Wofford. The family resides in Spartanburg.

Jonathan Lagos
Assistant Coach
First Season
North Greenville University '15

Jonathan Lagos enters his first season with the Terriers as an assistant men's soccer coach.

Lagos comes to the Terriers after spending the past two seasons at his alma mater, North Greenville University, where he served as an assistant men's soccer coach and recruiting

coordinator. During his time at NGU, he helped lead the Crusaders to their first conference tournament appearance in four years.

Prior to NGU, Lagos has over three years of coaching experience at both the high school and collegiate level, spending time at Barea High School as the assistant men's varsity coach and coaching on the NCAA Division I and II levels at Presbyterian College and Southern Wesleyan University.

During his time at Barea, Lagos helped lead the Bulldogs to a 3A State Championship in 2015, along with helping the Bulldogs achieve their first playoff appearance and first playoff win in 2014. Lagos then went on to coach at Southern Wesleyan University, where he helped the Warriors win the National Christian Collegiate Athletic Association title.

During his time at Presbyterian, Lagos helped the team achieve the most wins and most all-conference selections in program history in 2016. Additionally, he helped lead the Blue Hose to their first conference semi-final appearance while adding a seven win turn around from the team's total record the previous year.

Lagos also serves as the academy director and head coach for the United Futbol Club, where he has guided several teams to tournament wins at both the Academy and Select levels. He holds a number of professional certifications including licenses from US Soccer and the South Carolina Youth Soccer Association.

Lagos, a 2015 graduate, owns a Bachelor of Science degree in sport management from North Greenville University and was a member of the NGU men's soccer team.

Georgia Southern University '14

Thomas Valikonis enters his first season with the Terriers as an assistant coach.

Valikonis come to the Terriers after spending the past two years serving as a staff coach for the Carolina Elite Soccer Academy (CESA).

During his time with the CESA, Valikonis helped

lead the team to a state championship in 2017 at both the Academy and Select levels.

Prior to his time with the Carolina Elite Soccer Academy, Valikonis served as the academy director for the Storm Soccer Academy in 2014. He holds a number of professional certifications including licenses from US Soccer and the South Carolina Youth Soccer Association.

Valikonis, a 2014 graduate, owns a Bachelor of Science in sport management with a minor in marketing from Georgia Southern University. He was also a member of the GSU men's soccer team.

Josh Medler
Strength and Conditioning
Coach
Sixth Season
Hanover College '02

Josh Medler enters his sixth season at Wofford College. He joined the athletic department staff as Director of Strength and Conditioning in June of 2013. Medler previously served six seasons on the

University of Memphis strength and conditioning staff.

He works primarily with football and men's basketball, while overseeing the strength and conditioning development for all eighteen sports at Wofford.

While at Memphis for six seasons, he was responsible for the men's and women's soccer teams, volleyball team, and men's and women's track sprinters, as well as assisting with football and baseball.

Prior to his return to Memphis in 2007, Medler was the head strength and conditioning coordinator for Union Public Schools in Tulsa, Okla. As the first ever Union system strength coach, Medler was in charge of building a training program for all freshman, junior varsity and varsity athletic teams.

Medler first went to Memphis in the summer of 2004 as a graduate assistant strength and conditioning coach, working with football, baseball, softball, and the track sprinters. Medler graduated with his master's degree in human movement sciences from Memphis in the spring of 2006.

He began his professional career as strength and conditioning coach at Anderson University, a liberal arts NCAA Division III school in Indiana. While at Anderson, Medler was responsible for training the football team and coaching the defensive line.

As a native of Berne, Indiana, Medler was a four-year football letterman at Hanover College, where he earned his bachelor's degree in sociology in 2002.

He is a Certified Strength and Conditioning Specialist (CSCS) through the National Strength and Conditioning Association and is a certified level one club coach by USA Weightlifting. Medler resides in Spartanburg.

HAT TRICKS

There have been ten hat tricks in Wofford history, with only three hat tricks in Wofford's Division I era (1995-present). The first was by Kyle Walker '08 when he scored three times in the regular-season finale against Birmingham Southern on November 7, 2007 at Snyder Field. The second was on November 3, 2009 when Nick Schuermann '10 scored three times at Furman, with all three coming as the result of corner kicks. With the 4-3 win, the Terriers secured the 2009 SoCon regular season title. The third was on October 9, 2012 when Carlos Dominguez-Gonzalez found the back of the net three times at Elon. He also assisted on the game-winning goal as the Terriers defeated the #20 ranked Phoenix, 4-3, in double overtime.

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 262 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are five independent Phi Beta Kappa colleges and universities in the Carolinas: Wofford, Davidson, Duke, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of "friendship, morality, and literature (or learning)," and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830's. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its chapter at the 1940 triennial meeting, bringing to fruition more than ten years of work by three Phi Beta Kappa members who were then serving on the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1894, and Dr. John West Harris '16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg).

With about 350,000 members across the country, Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

The Southern Conference, which is in its 98th season of intercollegiate competition in 2018-19, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first postseason college basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women's championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation's fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origination.

Academic excellence has been a major part of the Southern Conference's tradition. Hundreds of Southern Conference student-athletes have been recognized on CoSIDA Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, most recently in 2012-13, when former Wofford volleyball player Rachel Woodlee earned the prestigious award.

The conference currently consists of 10 members in six states throughout the Southeast and sponsors 22 varsity sports and championships that produce participants for NCAA Division I Championships. The league added rifle, becoming just the second Division I conference to sponsor the sport, in 2016-17, and added women's lacrosse for the 2017-18 campaign.

The Southern Conference offices are located in the historic Beaumont Mill in Spartanburg, S.C. A textile mill that was in operation from 1880 until 1999, Beaumont Mill was renovated in 2004 and today offers the league first-class meeting areas and offices as well as a spacious library for storage of the conference's historical documents.

MEMBERSHIP HISTORY

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association's (SIAA) 30 members met at Atlanta's Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1925 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.P. "Sally" Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tenn. Georgia's Dr. Sanford announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Dr. Sanford stated that the division was made along geographical lines. Florida's Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations were accepted and the withdrawing schools formed the new

The Southern Conference office is located in the refurbished Beaumont Mill in Spartanburg, less than a mile from the Wofford campus.

league, which began play in 1933.

The Southern Conference continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

The second major shift occurred some 20 years later. By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012-13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012-13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013-14 campaign. At the Southern Conference's 2013 spring meetings in Hilton Head Island, S.C., the league officially extended invitations to former members ETSU and VMI, as well as Mercer, to join the league for the 2014-15 academic year.

Today, the league continues to thrive with a membership that includes 10 institutions and a footprint that spans six states: Alabama, Georgia, North Carolina, South Carolina, Tennessee and Virginia. Current league members are The Citadel, ETSU, Furman, Mercer, UNCG, Samford, Chattanooga, VMI, Western Carolina and Wofford.

CHAMPIONSHIPS

The first Southern Conference Championship held after the formation of the league was the basketball tournament in Atlanta in 1922. The North Carolina Tar Heels won the tournament to become the first recognized league champion in any sport. The Southern Conference tournament remains the oldest of its kind in college basketball.

Commissioner Germann spearheaded the Southern Conference's expansion to include women's athletics during the 1983-84 season. The Southern Conference declares champions

in 11 men's sports – football, soccer, cross country, basketball, indoor track and field, outdoor track and field, wrestling, baseball, lacrosse, tennis and golf – and 10 women's sports – soccer, volleyball, cross country, basketball, indoor track and field, outdoor track and field, tennis, golf, women's lacrosse and softball. Rifle is a mixed sport.

Wofford won the 2013 Men's Soccer Regular Season Championship.

WOFFORD ATHLETICS HALL OF FAME

Recognizing the value of athletics to Wofford College and the American way of life, the Terrier Club established a policy of administering and sustaining the Wofford College Athletic Hall of Fame.

The purpose of the Hall of Fame is to honor those who, by outstanding athletic achievement and service, have made lasting and significant contributions to the cause of sports at Wofford College, the Spartanburg community, South Carolina and the Nation.

Any Wofford College Graduate who received a letter from the Wofford College Athletic Department is eligible for selection to the Hall of Fame five (5) years after completion of eligibility.

DR. NAYEF SAMHAT

PRESIDENT

The Wofford College Board of Trustees elected Dr. Nayef H. Samhat as president of the college on Tuesday, May 14, 2013. He began his duties at Wofford on July 1, 2013.

Samhat had served as provost and professor of political science and international studies at Kenyon College in Gambier, Ohio, since 2009.

"We conducted a thorough, national search for the 11th president of Wofford College," said J. Harold Chandler (Class of 1971), chair of the Wofford Board of Trustees.

"Our search committee was led by an able and accomplished individual and its 12 members have done their job in a thoughtful and comprehensive manner. The board of trustees, led by its Human Resources Committee, has completed its review and have voted to accept the mutual recommendation of the Search Committee and the Human Resources Committee in the naming of Dr. Nayef H. Samhat as the next president of Wofford College. We are honored that Dr. Samhat has accepted our call and we are excited and ready to begin our important work together."

Samhat held several positions at Centre College in Danville, Ky., from 1996 to 2009, including associate dean of the college, the Frank B. and Virginia Hower Associate Professor of Government and International Studies, chair of the Division of Social Studies, and the National Endowment for the Humanities Associate coordinator of the Environmental Field Experience Program and an instructor in the Department of Political Science at Northwestern University in Evanston, Ill., from 1995 to 1996.

After receiving his bachelor's degree in international economics from The George Washington University in Washington, D.C., in 1983, Samhat received his master of international affairs degree from Columbia University in New York City. He received his Ph.D. in political science from Northwestern University, where he also received a minor in comparative political economy.

While at Kenyon, Samhat oversaw a number of major grants, including two from the Mellon Foundation: a Critical Languages and Innovative Pedagogy grant to support post-doctoral teaching fellowships for Russian and Arabic languages, and a grant for the Center for Innovative Pedagogy and The Essentials: Renewing General Education within the Curriculum to enhance the endowment for a previously Mellon-funded Teacher Teaching Teachers grant.

He is currently serving on the NCAA Board of Governors, along with the NCAA Division I Sport Organizational Structure Working Group. He also was chairman of the Southern Conference Council of Presidents in 2015-16.

A native of Detroit, Mich., Samhat is married to Prema Samhat, former director of the Knox Community Hospital Foundation and director of marketing and communications for Knox Community Hospital. They have three daughters, Alia, Jehan, and Leila.

Dr. Samhat traveled with the Terriers to the NCAA FCS Playoff game at North Dakota State.

RICHARD JOHNSON

ATHLETIC DIRECTOR

Richard Johnson is in his 18th year as director of athletics at Wofford College. The former head basketball coach has been an instrumental figure on campus for over 30 years.

Johnson officially began his new duties on December 3, 2001. In 17 years as head basketball coach at Wofford (1985-2002), Johnson had a 100 percent graduation rate for all players who completed their eligibility under him. He was the runner-up for SoCon Coach of the Year honors twice in the Terriers' five seasons of league play under him. His 200th win was a 79-74 victory at Clemson during the 1999-2000 campaign. During his Wofford coaching tenure, Johnson guided the Terriers from NAIA membership to NCAA Division II in 1988, Division I status in 1995 and the Southern Conference in 1997.

A 1976 graduate of The Citadel, Johnson came to Wofford after serving nine years as a basketball assistant at his alma mater under legendary coach Les Robinson. Johnson also holds an MBA from The Citadel.

Over the past several years as athletic director, he also has been a driving force behind the development of several facility projects. Russell C. King Field and Switzer Stadium returned baseball to campus in 2003. The Richardson Building was renovated in 2008 and 2018, while the Joe E. Taylor Athletic Building and a golf practice facility were completed in 2009. Wofford completed the Jerry Richardson Indoor Stadium, a 3,500 seat basketball arena, in September of 2017.

Johnson has also been responsible for the growth of the athletic endowment to a current level of over \$41 million, with a long-term goal of endowing all scholarships in the department. He recently concluded service on the NCAA's Division I Football Championship Committee and the FCS ADA Executive Committee, while also serving on NCAA Division I Men's Basketball Rules Committee. In June of 2015, he was named Under Armour Athletic Director of the Year by the National Association of Collegiate Directors of Athletics.

Johnson and his wife Carol, have two daughters, Lindsay and Lauren, and a son, Rich, all three of whom are Wofford graduates. The Johnsons also have five grandchildren. Lindsay and Brad Lowry are the parents of Louisa and Brady Lowry, while Lauren and Dr. Reece McWilliams are the parents of Mac, Walker, and James McWilliams.

DR. JAMEICA HILL

FACULTY ATHLETIC REP.

Dr. Jameica Hill, Professor and Chair of the Chemistry Department, is in her 13th year as the Faculty Athletic Representative (FAR). Dr. Hill represents Wofford to the National Collegiate Athletic Association and the Southern Conference. She is responsible for certifying the eligibility of student-athletes and assuring integrity in the eligibility process. In addition to supervising athletics policies, the FAR also serves as a liaison between the faculty and the student athletes, looking out for their individual well-being with regard to academics and athletics. She served as the President of the Southern Conference in the 2017-18 academic year.

Hill, a native of Due West, S.C. and a member of Phi Beta Kappa, earned her Ph.D. degree in inorganic chemistry at Clemson University, where she was a Graduate Teaching Assistant of the Year. She received Wofford's 1995 Martin Luther King Jr. Humanitarian Award and was also an associate director for a summer science program that was funded by a grant from the Howard Hughes Medical Center.

Hill's interest in athletics has been a lifelong one. Her father was a high school coach, and she participated in many different sports (including being named a SC All-State point guard and playing in the North/South game).

A 1988 graduate of Wofford, Hill was a cheerleader for the football and basketball teams as a student. Her husband, Jason Hill '89, is a former Wofford quarterback and assistant coach. Their daughter Shelby recently graduated from Clemson University, while their son Jason is on the football team at Wofford.

MARK LINE
DEPUTY ATHLETIC DIRECTOR

Mark Line has been a leader on campus for over 30 years, first as the baseball coach and then as an administrator. He joined the athletic department administrative staff in July 2003 in the role of associate athletic director for internal operations and sports programs. He was promoted to senior associate athletic director in 2012 and was named the Deputy Athletic Director in March of 2017. Among his myriad of duties, Line supervises the Olympic sports while also overseeing the department's budget and serving as liaison to the Carolina Panthers and several on-campus groups and committees.

A 1977 graduate of Erskine, Line posted a 210-158 record (.571) in 10 years as the Terriers baseball coach (1986-95). He received District Coach of the Year honors in his second season as the 1987 squad put together as a 23-11 mark. Wofford then set a single-season school record for victories the following campaign with a 27-12 record. It marked the first time Wofford qualified for postseason play in consecutive seasons. Line's 1991 team established another Terrier mark for wins with a 30-9 record.

Line was selected as a 2004 inductee into Wofford's Athletic Hall of Fame. The first-base dugout at Russell C. King Field, the Terriers' on-campus baseball facility, is named in his honor.

Line has served as chairman of the physical education department since 1988. Following the 1995 season, Line accepted a role as associate dean of students in the Wofford student affairs office. He worked with volunteer services, Bonner Scholars, the campus judicial system and a host of other activities involving campus life.

Line and his wife, Pam, have two children: Alyse Worley, a 2010 graduate of Wofford, and Sam, a 2014 graduate of Emory and Henry College. Alyse and her husband Mitch live in Charleston, while Sam and his wife Meg reside in Jacksonville, Florida.

TERRI LEWITT
SENIOR ASSOCIATE AD FOR DEVELOPMENT

Terri Lewitt is in her 34th year as a member of the Wofford athletic department. Lewitt's main duties as senior associate athletic director for development involve a dual role as liaison between the athletic and development offices.

She also chairs, along with the Terrier Club president, many of the events and activities administered by the Terrier Club and its board of directors, including the Terrier Ball.

After coming to the college as an administrative assistant in March 1985, Lewitt became the sports information director two months later. In addition to those duties, she was the business and ticket manager for the department. She has also served as the compliance director and until the fall of 2015 was the senior women's administrator.

In 2008, she was recognized by the Southern Conference for her role in the growth of women's athletics as the conference celebrated 25 years of women's championships.

Lewitt was promoted to assistant athletic director in 1989, associate director in 1996, and senior associate athletic director in 2012. The Burlington, N.C. native earned her B.A. degree in history from Elon in 1984. Lewitt and her husband, Mark, have two children: Lauren, a 2016 Wofford graduate, and David, a 2018 Wofford graduate.
