**This recital is given in partial fulfillment of the requirements for the  
Bachelor of Music Composition degree.**

## Songs of Kalbasi

*Possession* by Sheema Kalbasi

The world of dreams and the world of reality. They collide and separate but never disconnect. They now embrace one another in sensuality. The warmth and profound feelings in admiration of each for the other. They no longer need to approach. They do not fear abundance or flammability. They are dance partners seeking possession.

*Dancing Tango* by Sheema Kalbasi

Oh, Orlando!  
Remember the night we danced  
quietly on the sands where music  
was played? Your words were  
wanderers, said quietly  
in the pockets of my ears.

Oh, Esphahan!<sup>1</sup>  
With your turquoise blue mosques  
and lovers hiding under the sands  
by the Zayandehrood<sup>2</sup> and its haunting  
blue skies. Still the words  
did wonders when they were said quietly  
in the pockets of my ears.

Time is eternity, my dignity  
resides in yours and your  
words are wonders that I count  
as precious coins kept quietly  
in the pockets of my tears.

(These texts are used with the permission from the poet)
