South Pleasant Grove

Mr. Oury Key received a message from Detroit last week that his brother, Collins Key, of that city was critically ill from a crushed hand.

Several from Murray attended the services at Pleasant Grove Sunday at which time Bro. Childers delivered an interesting sermon.

Miss Ethel Mae Paschall of Russellville was a week-end visitor with her sister, Mr. and Mrs. Autry McReynolds, and other relatives.

Mr. and Mrs. Charles James of Nashville were week-end visitors of their parents and sister, Mr. and Mrs. Galon James and Mrs. Louise Jones, and attended the Sunday morning services at Pleasant Grove.

Mr. and Mrs. Warren Erwin moved to Murray last week. Mr. Erwin teaches at Hazel.

Almo Seniors To Present Play, "Tumblin' Creek"

The senior class of Almo High School, under the direction of Clarence Smith will present the play, "Tumblin' Creek," on Friday night, April 18, at the school at 7:30 o'clock.

The cast of characters follows: Henry Nichols, the storekeeper; Guy Cunningham; Mollie Nichols, his good-natured wife; Lola Mae Boggs; Gwen White, a first-class gossip; Lorene Falwell; Walter White, her hen-pecked husband; Hubert-Newberry; Oscar Hicks, farmer and customer; Robert Moody; Susie Hicks, assistant gossip; Willie Jo Cavitt; John Thomas, school board member; Charles Burkeen; Esther Thomas, his first wife; Nancy Mohndro; Katie Thomas, a prissy pants; Louise Grogan; Dave Williams, the school teacher; James Lockhart; Madge Johnson, a school girl; Freda Robertson; George Payne, a hard-boiled farmer; Wilford Brandon; Nannie Payne, his wife; Maureen Rowland; Sallie Payne, a timid school girl; Emma Dene Smith; Cookie Payne, their lazy son; Durwood Lovett; Joe Bevins, an ignorant farmer; Otis Elkins.

A.A.A. NOTES

BY Q. D. WILSON

LIME . . . The Calloway County AAA has the assurance that lime will be plentiful for 1947. Due to the fact that the small payment increase may be added to the soil building allowance you may get lime at very little cost.

PHOSPHATE . . . The prospects for phosphate are not getting much better so our advice to the farmer would be to buy phosphate if you find any for sale. You will be given credit for it by turning in your receipt when you make your report this fall.

The Cooperative store has rock phosphate which you may buy. You will be paid \$9.00 per ton for rock phosphate as far as your allowance goes.

PASTURE DEVELOPMENT . . . By sowing one of the grasses and one of the legumes listed below you will be paid at the following rate per pound:

A. Kentucky Blue Grass	\$.08
B. Orchard grass	15
C. Red Top	15
D. Timothy	40
E. Kentucky 31 Fescue	40
F. Red Clover	32
G. Alsike Clover	32
H. Alfalfa	38
I. Sweet Clover (Scarified)	12
J. Sweet Clover (Unscarified)	16
K. Annual Lespedeza	68
L. Ladino Clover	1.20

You may sow as many of the grasses and legumes as you wish.

TERRACING . . . All farmers who are interested in having terracing done should come to the AAA office as it is necessary that an application be filed.

children were Sunday dinner guests of the Steeles.

Mr. and Mrs. J. W. Salmon and sons were week-end guests of Mr. and Mrs. Geo. Linville. Mr. and Mrs. Moody Mathis were Sunday afternoon guests. Mrs. Sam Noah

and baby of Spokane, Wash. Mrs. Clarence Milner, Union City, Tenn., Clara Lou, Terry and Mariana Shoemaker, Hazel, and Mrs. Dot Burdon of Paris visited the Linvilles Monday afternoon.

Mr. and Mrs. Otis Falwell and

Jacky were Sunday dinner guests of Mr. and Mrs. Tom Linville.

Another Use Found For Congressmen

Here's a tip to farmers and gardeners who would like to get requests for Department of Agriculture booklets answered a little more promptly: Write your request direct to your congressman, advises a recent magazine article.

"At the Department," it is explained, "letters from congressmen get first call; then typewritten communications on letterheads are answered, but requests in scrawly writing on cheap paper often lie unanswered for months."

came home last week from Briensburg where they had spent the winter with relatives.

Ellis Paschall made a business trip to Lexington Monday.

Mrs. Nannie Paschall of Tennessee visited her cousin, Mrs. Emma Miles last week, who was on the sick list but is now improved.

Mrs. Brooks Underwood, who teaches school in Missouri, visited home folks Easter. Her mother is Mrs. Will D. Erwin.

Mr. and Mrs. Jesse Brandon of Paducah were Easter visitors of their parents, Mr. and Mrs. Roy Brandon and Mr. and Mrs. Farley.

Mr. and Mrs. Hubert Gales of St. Louis were Easter guests of their parents, Mr. and Mrs. Roy Brandon and Mrs. George Coles and their sister, Mrs. Dorris Coles.

Robison, who was a patient at the Housden-McDewitt clinic.

Mr. and Mrs. Elzo Gupton of Detroit arrived last week at the bedside of their mother, Mrs. Lucian Gupton. She remains ill but is reported better from an attack of pneumonia.

Approximately 100 new seedlings of alfalfa will be made in Meade county this spring.

Protemus Palaver

Back again after a pleasant week in Indiana and Detroit, and although it was a very enjoyable trip I was glad to be home again. It is wonderful how rapidly spring had spread her soft mantle of green, and it makes me realize how sadly in arrears I am with my spring cleaning.

After reading the letter sent in by my little daughter last week, I'm convinced that I should resign in her favor.

The storm Saturday afternoon took a heavy toll of roofs in this community.

While in Michigan, I met Mrs. Collins Key (Manon Foster), a former pupil of mine. She had been to the hospital to visit her husband who was suffering with infection of his hand, resulting from a slight scratch.

Mrs. Foster also said that little Donald Rogers, son of Mr. and Mrs. Noble Rogers, was confined to the hospital with a broken leg.

Master Richard Farris is suffering from an infected ear, and is unable to attend school.

I was sorry that I was unable to attend the organization of the Homemakers' Club at Mrs. Wilson's last week. I have been interested in a club for this community for several years and I do hope that sufficient interest will be shown to have an active club.

I really don't know any news of the community as I was away all week.—Olive Oyl

Mrs. May Grubbs, Mr. Hardin Giles and Max Mathis are recuperating from pneumonia. Almost everyone around here has had flu and it's very hard to get over.

Mrs. Adia Alexander was carried to a Murray hospital Monday. She had a severe attack of flu and now has appendicitis.

Aunt Mat Housden is at Mason's hospital with pneumonia. We're sorry to hear Mr. F. Spiceland remains very ill. Alמוש Steele visited him Friday.

Mr. and Mrs. Berry Winchester, Mr. and Mrs. Tom Linville and Geo. Linville attended the funeral of T. A. Lax at Buchanan, Tenn., last Tuesday.

Mr. and Mrs. Earl Stom and family called on Mr. and Mrs. Jessie Ross Friday night.

Mr. and Mrs. Logan Harmon were Sunday dinner guests of Mr. and Mrs. Dave Harmon and son.

Mr. and Mrs. Moody Mathis visited Mr. and Mrs. Raymond Mathis for the past two weeks.

Mr. and Mrs. Kern Mathis and children visited an old neighbor, Mrs. Walker who is ill, Sunday afternoon.

Mr. and Mrs. Zelna Farris and Dot and Mr. and Mrs. Starkey Futrell and the Mathis boys visited Mrs. Boss Laycock and Robert Monday night. Mr. Laycock is visiting his brother, who is very ill.

Mr. and Mrs. Earl Steele and baby, Paulette, are visiting Mr. and Mrs. Alמוש Steele and son. Mr. and Mrs. Oro King and chil-

CARD OF THANKS
We take this method of expressing our thanks to the many friends and loved ones who were so kind and helpful during the long illness and death of our darling daughter and sister, Reina Lee Hutson, who passed away Easter Sunday.
To Dr. Jones, who so patiently attended her for several years, to Dr. Hugh-Houston, who did all he could for her in her last days, to all our neighbors who have been so helpful.
To Bro Crabtree for his words of consolation to the singers, the piano, and flower girls to Mr. and Mrs. Ronald Churchill and Mr. Shelton who were so kind.
For the beautiful floral offerings and to each and every one who helped in any way to make our sorrow easier to bear. We want to sincerely say, Thank you.
May each of you have the same loving kindness shown you when this sad hour comes, in the presence of the Hutson Family.

Mrs. W. H. Trevathan returned to her home last week after spending the winter months with her niece, Mrs. Bob Bates, in Brooksville, Fla.

South Murray

Well, here I come with some news and believe it or not it is a pretty day, in fact we have had two of them.

Mrs. Steve James' sister, Mr. and Mrs. Herrod, and son and wife of Fredonia, visited with them and they all had Easter dinner with his daughter, Mrs. Rufus Adkins.

In this vicinity Saturday afternoon, Edgar Woodall and nephew, Burle Shroeder, came home from Florida Friday night.

I would like to tell you about my new assignment.

Garden Department Gives Flower Show

A display of flower arrangements illustrating books was held by the Garden Department of the Woman's Club Thursday at the clubhouse from 2:30 until 8 in the evening.

More than 100 arrangements, each symbolic of a well known book, were made by Mrs. Ollie Brown, Mrs. J. B. Wilson, Mrs. Carlisle Cutchin, Mrs. Maurice Crass, Mrs. James Overbey and Mrs. John Ryan, chairman of the club.

Some of the books illustrated were "American Beauty," Edna Ferber; "So Red the Rose," Young; "The Purple Land," W. H. Hudson;

Although hit heavily by graduation, the Tigers show promise of fielding a spirited, hard hitting squad by September. Murray's tackles, led by Captain Hugh Eddie Wilson, are classed as "good" by Coach Holland. The guard spots, left vacant from last year's championship team, are starting guards will probably change several times before the card opens. The pivot post, now held by Joe Baker, starter last year, will remain strong. Six Tiger ends, possessing enough weight but needing lots of work, are after the flank positions.

Although Billy Ferguson, L. R. Melugin and the swarm of good backs which carried the Tiger colors last year are gone, Ty's backfield is showing promise of turning up some "darkhorse" threats.

George R. Allbritten is daily convincing the coaching staff that he may develop into the best blocking back in Tiger history. Chad Stewart, subdued last season by an overabundance of ball toters, is showing plenty of hustle. Versatile Eli Alexander has not settled into any one position yet but could keep a good end, center or back on the bench. The fullback spot is still a question mark. John Paul Butterworth is entering a strong bid for the call but is being pushed by David Outland; 170 pound eighth grader. Gene Geurin is also rounding into a threat at the position.

The Tigers will probably be strong through the air again this year with Chad Stewart, Harold Miller and Eli Alexander doing the flinging. Kicking will be up to Pat and Miller. Stewart, Bill Rowlett, Melene and Alexander are trying for top kicking spot.

The Tigers, in defending their WKC crown will tackle a 11 game card that will match them against most of the good teams in this part of the state.

The 1947 schedule follows: Sept. 12, Franklin-Simpson, here; Sept. 19, Princeton, away; Sept. 26, Morganfield, here; Oct. 3, Mayfield, away; Oct. 10, Fulton, here; Oct. 17, Bowling Green, away; Oct. 24, Madisonville, here; Oct. 31, Sturgis, here; Nov. 7, Hopkinsville, away; Nov. 14, Russellville, away; Nov. 27, Paris, here.

Tigers now working out are (several members of the squad are not out for practice now): Centers—Joe Baker, Joe Pat Hackett and Bobby Hargis.

Guards—Bill Rowlett, Terry Grant, Carl E. Shirat, Joe Chbls and William Hughes.

Tackles—Hugh E. Wilson, Harry Smith, Johnny Downs and Jerry Bynum.

Ends—William Foy, Billy Crass, Dwayne Adams, Jimmie Thompson, Vester Orr and Charles Tolley.

Backs—George Robert Allbritten, Eli Alexander, Chad Stewart, Harold Miller, John Paul Butterworth, David Outland, Gene Geurin, William Smith, Jimmie Klapp and O. B. Boone.

Baker, Wilson, Smith and Alexander are the only lettermen back this year.

LOCALS

Mr. and Mrs. Fred Clark and children, Carol and Rodney of Chicago, Ill., spent the Easter holidays visiting relatives and friends in Calloway.

"Pure Gold," Rolvaag; "The Red Badge of Courage," Stephen Crane; "Black April," Julia Peterkin; and "Where the Blue Begins," Christopher Morley. The books and flowers, displayed together, were placed around the walls of the auditorium, and the tea table, carrying out the Easter motif, was placed in the center of the room.

Mrs. Ryan presided at the service and the following were hostesses: Mrs. Fred Gingles, Mrs. Carmie Hendon, Mrs. Vernon Anderson, Mrs. W. H. Brooks and Mrs. Willie Linn.

Preceding the tea and display, a business meeting was held in the committee room.

CARD OF THANKS

On March 3, our beloved friend and co-worker, Miss Cora Graves, passed to her reward.

It can be well said of her that "to live in hearts we leave behind is not to die."

The Presbyterian women with whom she delighted to serve her Lord will always cherish her vital faith and her consecrated prayer-life.

—Even though she was shut in for the last several years of her life she nevertheless welcomed with real warmth the visit of her pastor and her other friends, and those who visited her drew comfort and inspiration from their visits.

Among her outstanding characteristics, her deep sense of Christian humility ranks foremost.

Of no one more truthfully can it be said that she "walked with God."

To show a small measure of the esteem in which her close associates held her, the Presbyterian Women's Association contributed an honorary membership in the National Missions Organization, the National Missions under which she had served for so many years as a missionary.

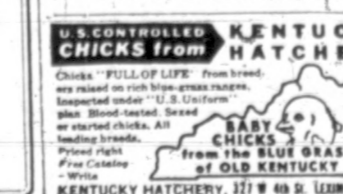

She enjoyed this membership for a year before her passing.

We rejoice with her at her first Easter in Heaven where she had long wished to be.

Her memory is a benediction.

They are not gone who pass Beyond the clasp of hand, Out from the strong embrace. They are but come so close We need not grope with hands Nor look to see, nor try To catch the sound of feet They have put off their shoes Softly to walk by day Within our thoughts to tread, At night our dream-led paths Of sleep.

—The Presbyterian Women's Assn.— Mrs. F. D. Melled, Chairman

Would you have your tea table reflect your hospitality?

Would you tell the new neighbors you're glad to know them?

THE PRESS IS THE GUARDIAN OF FREE SPEECH AND LIBERTY

Some say "There are three sides to every question, your side, my side and the Truth."

These people miss the mark. There is one side, the Truth.

When individuals or groups assault our American way, we should show them that our system has given to our people more of life's good things than is enjoyed by people of any other nation on earth.

Some Real Rules for Successful Living

1. Never begin a day without mastering a verse in the Bible.
2. Pray it in, never leave your Bible until the passage you have studied is part of your very own life.
3. Work it out. Live the truth you get through all the hours of the day.
4. Pass it on. Seek to tell somebody what you have learned.
5. Live by Faith.

REMEMBER

RIGHT IS NEVER MADE BY MIGHT

We had such a wonderful business Easter, thanks to all that came our way.

Basket-Dubia Wedding Solemnized At Pontiac

Mr. and Mrs. Harold McDonald Wall of Houston, Texas, announce the marriage of their daughter, Carolyn Wall Baskett, to Harry Christopher Dubia, Jr., son of Mr.

and Mrs. Harry Christopher Dubia of Murray, Ky. The wedding took place Saturday afternoon, April 5, at the St. Mary's Catholic church in Pontiac, Ill.

The bride was attended by Miss Ann Larson of Aurora, Ill., and the groom's brother, Frank Christian Dubia, was the best man. The bride's grandmother, Mrs. Carolyn Tapp, the groom's parents, his grandfather, C. H. Anderson, and his aunt, Miss Marie Dubia, both of Chicago, were guests at the wedding.

After a short visit in Chicago, Mr. and Mrs. Dubia will reside

in Pontiac, where Mr. Dubia is instructor of science in the high school.

Shirlock-Lax Vows Are Read In Louisville

The home of Mr. and Mrs. James R. Shirlock of Louisville was the setting March 22 for the marriage of their daughter, Beatrice, to Herbert L. Lax, Jr., son of the Rev. H. L. Lax and Mrs. Lax of Paducah, formerly of Murray.

Rev. Lax, standing before an improvised altar of palms and candelabra, performed the double ring ceremony in the presence of close friends and immediate families.

Miss Margaret Lax, sister of the groom, sang "Oh Promise Me" ("De Koven) and "Because" ("d'Hardelot), accompanied by Mrs. Edd Gardner.

The bride chose for her marriage a grey wool crepe suit with aqua-marine blouse and brown accessories. Her corsage was of orchids. Miss Martha Demler of Lancaster, was maid of honor and wore an orchid gabardine suit. Her flowers were gardenias.

Ned Brooks of Paducah was best man and Lynn William Coe, nephew of the bride, was ring bearer.

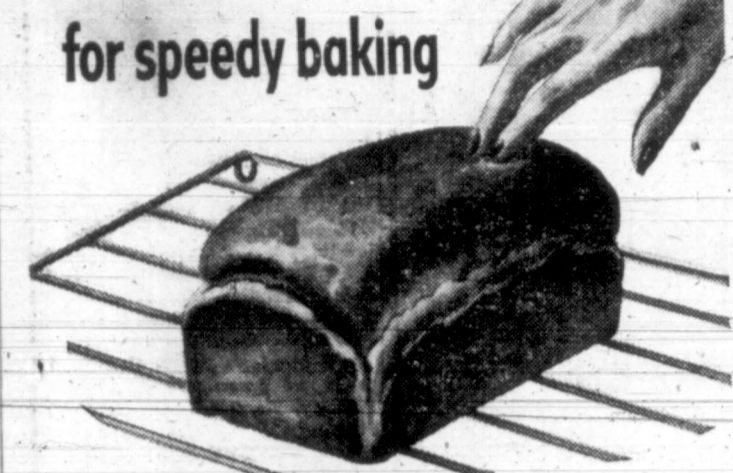

Mrs. Shirlock wore black and white crepe and Mrs. Lax chose black and white. Both had white rosebud corsages.

Mr. and Mrs. Shirlock entertained with a reception following the ceremony.

Mrs. Lax, a graduate of Bryn Mawr high school and Bryan Stratton Business college, was formerly employed by the State Board of Health in Louisville.

Mr. Lax was graduated from Murray high school and studied also at Murray State college. He is now with the United States Employment service.

Mr. and Mrs. Lax are at home at 516 South Tenth street, Paducah.

Dixie Trials Will Match Many Champion Cooners

The Dixie National Coon Dog Field Trial, sponsored by J. N. Ryan, will find some of the nation's top coon dogs competing in Murray on April 19 and 20 after a layoff during the war years. Drawings for heats will be held Friday afternoon, April 18, at the Ryan farm just north of the City Park.

Each heat will carry a combined premium of \$65. First dog to tree wins \$25 and first under the line draws \$25. Second line carries an award of \$15. The dog winning first tree in the finals will bring his owner \$400 and a beautiful trophy; first line winner will receive \$300 and a trophy; second tree will pay \$200 and second line \$100.

Many outstanding dogs including Creeping Della, said to be the world's champion coon dog, have been entered. Other well known dogs entered so far are Tennessee Jeff, a constant winner, Joy Boy, Black Buck and Red Diamond. Ryan, known to thousands of coon dog fanciers as "the man who pays off at the tree" has staged some of the outstanding trials in cooning history and is regarded as a master at promotion of these events.

Quarterly Conference Set For Wednesday

CHARLES FARMER LAUDED FOR WORK

Murray State Grad Active In Dramatic And Musical Roles

Friends of Charles Farmer, son of Mr. and Mrs. Charles V. Farmer of Murray, will be interested in new honors which he has recently won. Charles is a professor in the School of Music at Augustana College, Rock Island, Ill. The following comment on a recent concert given by the Augustana band under his direction is well deserved: "Charles Farmer, who became band director at Augustana College last fall, deserves unequalled praise for the fine work he has done in the last seven months in organizing the band which presented an excellent program before a large crowd in the gymnasium last night. This first formal appearance by the new group was the first concert by an Augustana band since 1883. The program was well chosen, appealing to the audience because it combined classical and modern numbers that were familiar but not common." The band broadcast a concert over station WHBF on April 1.

Farm Homes to Have Fire Extinguishers

Three hundred and fifty farm homes in Jefferson county will have the protection of fire extinguishers as a result of cooperation between homemakers clubs, the fire department and the Farm Bureau.

It all came about when Mrs. Walter Gibson of the Fairmount Homemakers Club successfully put out a fire in her chicken house with an extinguisher. After that experience, she recommended to Home Agent Anna K. Evans that farm homes generally have such protection.

Mr. Farmer is a graduate of Murray High School, Murray State College and received his master's degree from the American Conservatory of Music in Chicago.

Murray Church Of Christ

(Ed. Note: This is the fifth in a series of churches in Murray. The history and information contained in this series is gathered through pastors and members of Murray churches.)

The division in the church at Murray, brought about by the introduction of innovations in worship, occurred about the year of 1899. In the year of 1900 or 1901, Bro. J. R. Hill led in getting together a small band of disciples who began meeting from house to house to carry on the work and worship of the Lord in his appointed way.

This little group consisted of S. F. Holcomb, N. T. Hale, A. D. Thompson, M. C. Bucy, L. D. Curd and Mrs. W. P. Morrison. Occasionally a few others would attend. The meetings were first held in what was then known as the Opera House, later moving to a rented room in the old hotel building, now known as the People's Savings Bank building.

Due to some interferences, the little group disbanded for a while, but later with the help and encouragement from Hazel Union Grove and Green Plains congregations, the services of J. A. Harding of Bowling Green, Ky., were secured for a series of meetings, these services being conducted under a tent on the court house lawn.

This meeting was held in the year of 1909 and Bro. Harding was assisted by his son, Leon, as song leader. As a result of this special effort the church in Murray was permanently established, consisting of 13 members. Another meeting

was held in the fall of the same year with N. H. Northcross as the evangelist and in the following year J. A. Harding was recalled for his second meeting.

In the year of 1911, William M. Ethridge assisted the congregation in revival services, which resulted in four additions, and in the year of 1912, Charley Taylor, then a boy preacher, was the preacher in a series of meetings which resulted in 33 souls being added to the church.

About this time a lot was purchased on which a house of worship was erected. Prior to this time the church had met in the court house and other places where arrangements could be made.

The services of Charley Taylor were again secured for the first meeting held in the new building, and he was assisted by W. M. Ethridge, the local minister. Twenty others were added to the church as a result of this meeting. This was in the year of 1913, and in the following year C. R. Nichol of Clifton, Texas, was called for another meeting in which 16 more were added.

In January of 1915 the following were appointed as elders of the church: J. B. Brown, L. D. Curd, R. A. Slaska and Haverly. Valentine, Charley Graham and Maurice Bucy were selected as deacons.

Other well known ministers having served in the Murray church in evangelistic efforts were: C. M. Pullias, A. B. Barre, T. B. Thompson, John T. Smith, T. B. Larimore, E. A. Elam, G. C. Brewer, T. Q. Martin, G. A. Dunn, C. R. Brewer, Horace Busby, Frank Pack, T. C. Wilcox and James Miller.

In the year 1920, M. C. Bucy and Charles Frazier were selected as elders to serve with those previously appointed. Adolphus Bucy, W. E. Suiter and C. H. Thurmond were added as deacons.

In the year of 1926, E. H. Smith became an elder of the church. Other deacons who have served in the past are Rexford Cannon, Ebb Clark, and the late Cleve Lee.

The present elders and deacons are: Elders E. H. Smith, Cannon, Graham, Cecil H. Thurmond, Byron Myers, Urban Starks; deacons: Otis Valentine, Jim Strader, Lamar Hendon, Andrew Wilson, Lloyd Tucker, Dewey Williams, Otis Pritton, James Thurmond, Walter Miller and Vernon Anderson.

Young preachers who have gone out from this congregation include Irven Lee, Earl Smith, Garvin Smith and Vernos Smith.

Preachers having served the congregation as local ministers were: W. M. Ethridge, T. B. Thompson, L. L. Brigrance, Coleman Overby, Boone L. Douthitt, Alonzo Williams, E. H. Smith, C. P. Pool, Charles Hardin, Mr. Pate, Harvey Riggs, C. L. Francis, Mr. Watson and the present minister who is beginning his second year, Brother Charles C. Lancaster.

Veterans' Corner

This column is published weekly through the cooperation of this paper. Questions should be mailed to the Veterans Employment Representative, United States Employment Service, Mayfield, Ky.

Q. Are persons who assist in the presentation of pension or compensation claims to the Veterans Administration permitted to charge for their services?

A. It is unlawful for any person, whether he be attorney or agent admitted to practice before the Veterans Administration to charge or collect any fee for service in respect to a claim. However, the law provides that the administrator of Veterans affairs may authorize payment of fees in an allowed case to an admitted attorney or agent who has filed a valid power of attorney in that case. Such fees are deducted from the monetary benefits allowed.

Q. May the wife of a veteran be buried in a National Cemetery?

A. Yes. Burial in a National Cemetery may be arranged for the

wife or widow, and under certain circumstances, for minor children or unmarried adult daughters of an honorably discharged veteran. The wife of a veteran can only be buried in a National Cemetery prior to the death of the veteran, upon written certification by the husband that he will be buried beside his wife upon request.

Q. What special privileges are accorded to veteran of World War II under the homestead laws of the United States?

A. Any officer, soldier, seaman, or marine, who has served for at least 90 days during World War II, who is honorably discharged and makes a homestead entry subsequent to such discharge is entitled to have the term of his service in the Army or Navy, not exceeding two years, deducted from the three years' residence required under the homestead laws. Credit for two years' military or naval service is allowed if such person is discharged because of wounds received or disability incurred in line of duty, or if he is discharged and subsequently awarded compensation by the

Big Tourist Season Indicated For State

Twenty-four thousand maps and folders have been distributed by the Division of Public Information, Kentucky Department of Highways since January 1. J. Stephen Watkins, Commissioner said today. The material was mailed in response to requests from individuals and tourist agencies. "From the huge volume of inquiries, a big season for tourists during 1947 is indicated," Mr. Watkins said.

Government for wounds received or disability incurred in the line of duty. The homestead claims of Veterans of World War II initiated prior to their entrance into the service, are protected against forfeiture during the period of their service and for six months thereafter. Such a Veteran, who is honorably discharged and because of physical incapacity due to his service is unable to return to the land, may make proof without further residence, improvements and cultivation.

Calloway County Church Has Long Service Record

Pastors Who Served Since 1850 Listed

The South Pleasant Grove Church, a part of the oldest in Calloway county but its history is practically the history of Calloway county. Mrs. Sara Smotherman, well known member of the church and correspondent for this paper is a granddaughter of the founder of the church.

The late W. A. Erwin prepared a list of the pastors who served at the church between the years of 1850 and 1923. At the time of his death, Erwin was 83. Mrs. Bert Milstead has brought the list up to date until the record of South Pleasant Grove minister reaches back accurately for the past century.

Pastors who have served the church since 1850:

Rev. Hill Young, 1850; Rev. Blackie, 1851; Levi Lee, 1852-53; Joe Mooney and Frank Norris, 1854; Revs. Wade Frost and John Witt, 1855; Joe Mooney and Jesse Smotherman, 1856; Res. Manliff, Robinson and Green, 1857; Manliff and Robinson, 1858; Davy McCutchen, 1859; James Pirtle and Tom Ellis, 1860; James McCutchen, 1861; John Witt, 1862-63.

In 1864 no pastor was assigned because of the war. This was the last break in the line of succession, however as the church continued to function as a vital part of the community through every war since that year.

Levi Lee and Tom Ellis, 1865; John Witt, 1866-67; Zepher V. Fry,

1868-69; William and T. C. Young, 1870; Davy McCutchen, 1871; John C. Glasgow, 1872; Ben Peeples, 1873; James Pirtle, 1874; Bill Cellars and E. K. Brensford, 1875; Joab Russell, 1876; Ben Risenhoover, 1877; Joab Russell, 1878; Ben Risenhoover, 1879-81; Rev. Blalock, 1882; James Blackard, 1883; Thomas J. McGill, 1884-85; R. W. Neasom, 1886; C. C. Bell, 1887-89; J. H. Cole, 1890-93; Richard Blackwell, 1894-95; T. N. Wilks, 1896-98; Thomas J. McGill, 1899-01; C. Bell, 1902-03; Jim Harding, 1904; J. C. Cason, 1905-06; W. P. Cedar Lane News

Will try and get back with some news. The flu invaded our home the past week and I was kept busy with the sick.

Mrs. Opie Shoemaker and Sylvia were in Nashville, Tenn., last Thursday to attend the funeral of her uncle, Jimmie Wilkerson.

Mr. and Mrs. Gentry Clayton of Mayfield visited his parents, Mr. and Mrs. Porter Clayton Saturday night.

Mr. and Mrs. Noble Vasseur and children spent Easter with friends at Murray.

Miss Georgia Allen is recovering from a severe attack of flu.

Aunt Ma' Housden of New Providence was carried to the hospital Sunday night. She has flu and pneumonia.

Mr. and Mrs. Robert Farris visited Sunday with Mr. and Mrs. Charles Rose.

Mr. and Mrs. Prentice Dunn and son, Larry, and Miss Eula Mae Rose attended church at New Concord Sunday.

Mrs. Faye Furell has been very sick with flu the past week.

The play given at New Concord Friday night was good and we all wish Mrs. McCuston would have another one that good.

Mr. Tom Hendon is in the hospital and is reported to be very sick.

Mr. Hardiman Miller has been very sick with flu.

Mr. and Mrs. Sam Givens, Fouch Givens, Mr. and Mrs. George Shoemaker and daughter, Sylvia, attended the funeral of Mrs. E. Roberts at Murray Sunday afternoon.

Mr. and Mrs. Charles Rose visited Mr. and Mrs. Porter Clayton Sunday afternoon.

Mr. and Mrs. Hathway Buex and children of Puryear, Tenn., visited Mr. and Mrs. Huston Lax, and family Easter Sunday.

Aunt Jo Ann Lax is recovering from an attack of flu.

Callie Satter of Chicago, Ill., was called home Tuesday because of the sudden passing of his mother, Mrs. Tebe Satter. The community joins the family in their sorrow and may they look to their wise Father for comfort.

Mr. and Mrs. Tom Hendon have opened up a new grocery store near the crossroads and would be glad for their friends to call on them.

Mrs. Norbert Wilkerson is improving from a very bad sprained ankle.

Mr. and Mrs. Charles Rose, George Shoemaker, Mr. A. W. Simmons, Mr. and Mrs. Shelle Farris and Mrs. Lavina Miller were all in Paris Monday to attend the big stock show there.

Farm Group Makes Big Tobacco Yield

More than 20 farmers within a radius of 3 miles in the Old Mt. Herman neighborhood in Monroe county produced over a ton of tobacco the majority grew Ky. 16, other varieties, such as Ky. 41A, Ky. 19 or Ky. 34, have been tried out during the past six years. Farm Agent Justus L. Ellis says that the best job he started doing is in building up their soil through the use of cover crops, all of them using vetch and crimson clover with grain.

Take Jack Scott for instance. Ten years ago when he started reclaiming land which had been worn out for 40 years or more, he found it necessary to use lime and phosphate heavily in order to get a crop cover to grow. He has continued to seed crimson clover and vetch, and usually uses from 1,500 to 2,000 pounds of fertilizer to the acre. Gradually his soil has improved, until this year he sold more than a ton of tobacco to the acre on 14 acres for \$1,400.

Diamond Jubilee of Arbor Day to be Observed Today

Tree Planting Plan Started in Nebraska

Washington, D. C. (Special)—The 75th anniversary of the founding of Arbor Day, the world-wide tree growing movement which began in a tree-planting American plan state, will be observed nationally today (April 10). In addition to national commemoration, many states and foreign nations will mark the diamond jubilee of the day in 1872 when Nebraskans planted a million trees to change the face of their state.

Like many movements which have grown to world-importance, Arbor Day was largely the work of one man. The founder of the world's most observed tree-planting day was Julius Sterling Morton, secretary of agriculture in President Cleveland's cabinet, lawyer, editor and orator. In spite of his many other accomplishments, Morton considered his greatest work the founding of a day devoted to tree planting.

Is Legendary Figure

Morton preached tree-growing as a religion to which he was passionately devoted and by his persistence made the tree-planting day an annual event. In 1875, Tennessee and Kansas joined in the observance and Morton's personal crusade became a rapidly spreading movement. By 1896, Arbor Day was observed in nearly all states and had spread to many foreign countries. New Zealand observed an Arbor Day and Canada proclaimed a day for tree-planting. In 1896, King Alfonso XIII of Spain ceremoniously planted a pine sapling two miles east of Madrid. South Africa, Hawaii and many South American countries subscribed to Morton's campaign to grow trees. The world-wide movement had the effect of making Morton a legendary figure in his own time.

It is an extraordinary tribute to Morton's zeal that he achieved success with his tree-growing program at a time when there were great areas of untouched forests in the United States—when wood was cheap and there was little "cash incentive" to grow trees. His friends attributed much of his enthusiasm to a realistic view of our forest resource. He saw wood as indispensable to man's everyday

needs and felt the necessity of providing adequate supplies of trees for future requirements. This month, at the national shrine of Arbor Day, the old Morton homestead near Nebraska City, movements in history.

More Interest In Dairying In State

Interest in dairying continues to grow in Kentucky, especially on the part of owners of small herds, says the University College of Agriculture and Home Economics. Dairying is pointed out as a practice for diversification and better-balanced farming.

As a dairy state, Kentucky ranks 19th in total production, but in average milk production per cow the state ranks 41st, and its average butterfat production per cow, 38th. The situation should be improved by better breeding and better feeding and management, it is stated.

The total Kentucky milk cow population is put at slightly over 600,000. On 150,000 Kentucky farms only one or two family cows are kept, and on 60,000 other farms there are three to 10 cows each. The college says it is a common practice on many farms, especially where herds are small, to use inferior dairy bulls or bulls of beef breeding. Artificial breeding, which now is being practiced in several counties, is said to offer possibilities in improving dairying in the state.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from your blood stream. But kidneys sometimes lag in their work—do this and nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

They may be made sluggish by such factors as persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes, a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning the "Kiddie" contest for years and years. They have a nation-wide reputation. Get the genuine Doan's Pills by grades of the country over. Ask your neighbor!

MACHINES AID IN CARE OF VA MENTAL CASES
A comprehensive program in recording and interpreting "brain waves" is being expanded by the Veterans Administration in Ohio, Michigan and Kentucky to aid in the diagnosis of neurological disorders, officials at the VA's tri-state Branch Office in Columbus (O.) said today.

Technically known as electroencephalography, the science of recording brain waves by machine is becoming an increasingly important diagnostic method in VA hospitals and mental hygiene clinics.

The machines now are in operation in VA hospitals at Cleveland (Crite), Chillicothe and Dayton, O.; Louisville, Ky., and Ft. Custer and Dearborn, Michigan. Machines have been requisitioned for the VA's Cleveland and Detroit Regional Offices and for the VA hospital in Lexington, Ky.

The equipment in Crite VA Hospital at Cleveland and in Nichols VA Hospital at Louisville also is available for the use of psychiatrists working in VA mental hygiene clinics in the two cities. Personnel has been assigned

from the Ohio-Michigan-Kentucky VA area to take specialized training in Chicago in use of the equipment.

VA DEPENDENCY RULING AIDS MARRIED STUDENTS
Married women veterans with dependent children may receive \$90 a month subsistence allowance while attending school even though they are recognized by the Veterans Administration as dependents of husbands also attending school under the G.I. Bill, officials at the VA's Ohio-Michigan-Kentucky Branch Office in Columbus (O.) said today.

VA officials pointed out that while a woman veteran would be limited to \$65 monthly if only she and her husband were considered, a child or children entitles her to an allowance of \$90 monthly because, in the words of the law, she has a dependent. However, in order to receive the full subsistence, the woman veteran's income from outside work must not exceed \$110 a month. The same income limitations apply to the husband.

ADVISE DISABLED VETS OF TRAINING BENEFITS
Education and job-training benefits available to disabled veterans are more liberal under the Vocational Rehabilitation Act (Public Law 16) than under the G.I. Bill (Public Law 346), it was emphasized today by officials at the Ohio-Michigan-Kentucky Branch Office of the Veterans Administration in Columbus, O.

VA officials said that in nearly every instance it is to the advantage of a disabled veteran to receive his schooling or job training under provisions of Public Law 16.

Under the G.I. Bill, veterans may be entitled to one year of education, plus the time they spent in service, up to a maximum of four years. Job-training courses under the G.I. Bill generally are limited to two years. Also, under the G.I. Bill, veterans are affected by the \$175-\$200 monthly income-subsistence ceiling.

Under Public Law 16, disabled veterans may enroll in educational or training courses of sufficient length to permit them to overcome their handicaps. However, these courses usually do not extend beyond four years. They are advised into objectives best suited for them in view of their service-connected disabilities and their progress is supervised by VA training officers. They are not affected by the \$175-\$200 ceiling and they usually receive a higher subsistence rate. Also, disabled veterans who are entering training under Public Law 16 are eligible for a loan of \$100 from VA, which is repaid in installments.

VA HAS OPENINGS IN PSYCHIATRIC PROGRAM

The Veterans Administration has several openings for psychiatrists in its hospitals and mental hygiene clinics in Ohio, Michigan and Kentucky, the three states which are under jurisdiction of the VA's Branch Office No. 6 in Columbus, O.

Openings are available in VA hospitals at Cleveland (Crite), Chillicothe and Dayton, O.; Dearborn and Ft. Custer, Michigan; and Lexington and Louisville, Ky. Positions also are open in VA mental hygiene clinics in Cleveland, Cincinnati and Detroit. Salaries range from \$4,149 to \$9,975 annually. Applications should be sent to the VA's Columbus Branch Office.

KING BROS. CIRCUS WILL BE HERE THURSDAY

The King Brothers Circus will show in Murray next Thursday, April 17, on West Main Street at the old skating rink grounds. More than 150 performers, recently returned to America after a tour of South America, will be in the show. Twenty-two tents covering 12 acres of ground are used to house the transient city which at night is transported from town to town upon two special convoys.

The performances will be given at 2 and 8 p.m. to permit an inspection of the immense zoo as to enjoy a concert of popular and operatic music by Prof. Lee Hinckley's military band.

VA EXEMPTS DRILL PAY FROM INCOME REPORTS
Veterans in school and in job-training programs under the G.I. Bill may receive drill pay as members of the National Guard without including it in their reports of estimated earnings, officials at the Columbus, O. Branch Office of the Veterans Administration said today.

VA officials explained that drill pay is not considered compensation for productive labor and therefore is not counted against the subsistence allowances veterans receive from VA.

Kirksey News
Mrs. Nora McCallion is quite ill with flu. Her father, Uncle Johnny Lawrence, who recently celebrated his 90th birthday, is making his home with her at present.

Mrs. Gus Lamb was buried at Mt. Carmel Monday, March 31. The funeral was conducted by Bro. Clemens of Birmingham, Ala. He was her former pastor at Pleasant Grove.

Mrs. Emma Hule of Paducah attended the funeral of Mrs. Lamb. Mr. and Mrs. E. B. Ross, are in Nashville at the bedside of their son, Ted, who is recovering from an operation.

Mr. Loyd Cunningham is building a new house one mile north of Kirksey. His house was recently destroyed by fire. Mr. Hecheson, just across from Mr. Cunningham, is building a new brick house.

John Burgess of Big Sandy, Tenn., visited his brother last Sunday. Mr. Burgess recently purchased the store owned by Dentis Sanders.

Mrs. Clyde Lyon and sons of Dover, Tenn., visited Mr. and Mrs. John Burgess last Sunday.

Cheap Land Makes Record Leaf Yield

In the hands of a World War II veteran, Barren county land that cost \$4 an acre a few years ago, in 1946 produced tobacco that sold for \$1,230 an acre. It was a new production record for Barren county, according to County Agent J. O. Horning, who told the following story:

Edwin Jones, a young farmer, got out of the Army in April, 1946, and returned to the 63-acre farm owned by his widowed mother. He picked out three pieces of land on which he set his two-acre tobacco allotment. One piece would have produced about 45 bushels to the acre, it was estimated, and the other two pieces

SPORTS AFIELD

By Ted Kesting

Last summer, a man, his wife and three children were observed fishing from a bridge over an outlet to a lake in which some specially tagged fish were believed to exist. A friend came up and spoke to the man.

"Hello, Charlie, see you have the whole family out today?"
"Yeah," answered Charlie, "I figured five poles are better than one. I'm going to get one of the special prize fish."

Does that hurt your ears, fisherman?

As pointed out by outdoor writer Don McRimmon, that philosophy is spreading. It's the attitude taken by the newcomer to the fishing ranks, who bought his rod and reel so he could enter one of the increasingly popular "fresh water fishing contests." But, it isn't only the philosophy that's bad. These contests are spawning some genuine material faults.
Last summer, sportsmen saw contests which on the surface had all the glamour and apparent harmlessness of a gigantic "Bank Night" at the neighborhood movie house. One went something like this. A thousand game fish were trapped, specially tagged, and then planted in lakes throughout the state. When the right fish was caught, the tag could be redeemed for more than \$500 in prizes, which were provided by commercial sponsors. In addition, as a "come on," there was a grand prize worth more than \$5,000. This contest, with its apparently fabulous prizes, electrified the whole state, not to mention potential tourists a thousand miles away. Now many queries from other states indicate the coming season may see a number of stunts similar in pattern.
What's wrong with this type of fishing contests?
The biggest fault lies in the cynical commercialization of an other-

Loss From Forest Fires In Southern States May Reach New High This Year

Washington, D. C. (Special)—With the 1947 forest fire season just beginning in most forested states, the nation's tree-growing lands have already suffered the worst early season fire losses in a decade, according to the American Forest Products Industries, Inc. Reports from southern states, where weather conditions create a year-round forest fire problem, indicate that the year is off to a bad start. One southern state reports the most disastrous February in history, while several others have recorded the highest fire incidence in twenty years. An exceptionally dry winter season has combined with increased use of the southern forests to spread a destructive band of woods fires from Northern Florida across the south to Arkansas and Texas.

To counter the increased threat to timberlands, several southern states have drastically increased protection appropriations and are mapping intensified fire prevention and control campaigns for the remainder of the year. Tourists Are Threat. Alarmed by proportions of the southern, fire national industrial foresters predict one of the worst annual forest fire losses in history if steps are not taken to increase forest protection. Several factors contribute to the threat hanging over our wood supply, according to Chapin Collins, director of the American Forest Products Industries. Growing tourist-travel into forested areas was given as one potential cause for increased fires while another factor, according to Collins, is extended woods operations resulting for the heavy demand for forest products.

"Never have we made such demands on our timberlands," he stated. "The need for wood products in the form of paper, lumber, shingles, plywood, fibres and chemicals, has pushed forest industries employed to an all-time high. More people will be using our forests this year than for any year in our history."
Support Is Needed. Collins stated that nearly 30 million dollars has been appropriated by state and federal governments and industry for forest fire control during 1947. "However," he pointed out, "this can accomplish little without the understanding and support of the American public."
"The way to control forest fires is to prevent them at the source," he said. "The most disastrous forest fires begin as sparks or smoldering embers that could be extinguished by a boy with a cup of water. Preventing and putting out fires before they start is the job that an aroused public can and must perform if we are to have trees for tomorrow's requirements."
"There is no escaping public responsibility for this job," Collins stated. "Forest statistics show that nearly nine out of every ten fires are caused by human carelessness."

Ford
The Ford Motor Company has just announced that the Ford three-window, six-cylinder business coupe is back in production at a price twenty dollars below that which prevailed when this model was temporarily discontinued last fall. This reduction, plus those announced last January 15th, makes the Ford business coupe and the two-door sedan the lowest priced cars in their field. We Ford Dealers are proud to be part of the organization that pioneered and is continuing such a clear, realistic and progressive policy. We consider this newest Ford price reduction still further proof that the Ford Motor Company leads in offering the American Public the most value at the lowest possible price. And we feel certain that it will play a definite part in speeding the return of sound and sensible prices, and a secure future for consumer, seller and producer alike.

Announces Details of \$20,000,000 Price Reductions

Details of the recently announced International Harvester policy of making price reductions to save users of our products approximately \$20,000,000 a year have now been worked out. We have reduced prices on 163 models. These cover 12 basic models of farm tractors, 123 basic models of farm machines, 16 basic models of industrial tractors and engines, and 12 models of motor trucks, as well as certain motor truck attachments. The new lower prices are effective as of March 10, 1947. These reductions were made not because of any decline in demand, but because we believe nothing is more important to this country than to lower the prices of the goods people buy. While prices have not been changed on all products, we have made reductions wherever possible, in the amounts possible. Prices of many of our most popular products have been substantially lowered. Altogether, more than half of the company's customers will be benefited by the reductions, which range from 1% to 23.8% and from \$2.50 to \$300 per item, based on list prices, F.O.B. Chicago. Since the people have demanded that the government withdraw from price control in peacetime, the responsibility to keep prices in check is back where it should be—in the hands of business and industry. The business outlook makes it possible for us to move toward the goal of lower prices, and we have felt a duty to act as promptly as possible. Our ability to maintain these lower prices will depend on the supply and price of materials we buy from others and on uninterrupted production at reasonable wage levels. The prices listed here carry out our announced policy that "Any price is too high if it can be reduced."

Kentucky Belle's News

Time has come around again for me to be back with you. I never fail writing my letter each Monday unless I am very ill. So dear sister and brother correspondents, if you enjoyed writing the news any better than I do, you all come and join the good old

Ledger & Times with me. That goes out to all the homes far and near. What about you South Pleasant Grove correspondent? I like your letters and also you just made a visit to the Ledger & Times office; and you, too, Ole Maid. Fine editor down there.

Blue Eyes, I enjoy reading your letters. I hear from lots of old friends by this method. Bro. Luther Compton will fill his appointment at Macedonia Church Sunday afternoon at 2:30.

April 12. Mr. and Mrs. Tommie Conyers and daughter and Mrs. L. C. Rea of Paducah were visitors in the

home of Mr. and Mrs. Van Valentine Sunday.

A singing school is in progress at Coles Camp Ground Methodist church under the supervision of Barber Edwards. The public is cordially invited.

Raymond Martin left Monday afternoon for the U. S. Naval Air Station at Gross Isle, Mich., after visiting in the home of Mr. and Mrs. Ray Johnson on North Thirteenth street and Mr. and Mrs. Chas. W. Johnson at Kirksey.

Mrs. Ophelia Martin and grandson, Jerry Martin of Michigan, were guests of Mr. and Mrs. Ray Johnson and Miss Bernice Wilson Saturday. They are now visiting Mrs. Martin's parents, Mr. and Mrs. Charles W. Johnson at Kirksey.

Little Mary Ann Thorn, who spent the past week with her grandparents, Mr. and Mrs. John Simmons, and her aunt, Mrs. Everett Bucy, returned to her home at Paris, Tenn., Saturday afternoon.

Hello, Kathryn Lewis. Sorry so much company came in Sunday and you had to miss your fishing

trip but child, fish don't bite on Easter Sunday. My, so glad you got to the show Monday night. Did you see me? Next time you say "Hi".

The marriage of Miss Myrtle Compton, daughter of Mr. and Mrs. Luther Compton of North Thirteenth street, to Joe Hal Stewart, son of Mr. and Mrs. Hallett Stewart, was solemnized on Easter Sunday, April 6, at 1 o'clock in the afternoon. The Rev. H. F. Paschall, pastor of Hazel Baptist church, read the single ring ceremony at the church. They left for Niagara Falls for their honeymoon. The best man was Jimmy Knight; the bride's maid was Miss Betty Murphy; the witnesses were James Compton, brother of the bride, and Henietta Hendon. Kentucky Belle wishes for this young couple good luck, good health and many happy years to come.

Mrs. Everett Bucy received a letter Monday from her husband and brother, E. H. Simmons, of Evansville, Ind., says they were ok and working hard. Her husband works through the day time and her brother through the night and they don't get to be with each other very much.

Mr. and Mrs. Wiley Parks and Mr. and Mrs. Jerry Simmons of near Macedonia were at Murray Monday.

Thank you, Ole Maid, for giving me the news of Bill Edd Hendon. I hadn't heard of it. So he got an Indiana lady, eh? So, more kin-folks. Wish I could see her.

Well, I hope I won't worry the editor this week to the extent I wouldn't be able to come back next week. Kentucky Belle.

Most chambers of commerce managers probably will tell you Kipling must have had in mind when he wrote "He travels fastest who travels alone." Certainly there are few in the factory snaring profession in Kentucky who have not had their best plans gummed up by boards of directors composed of business men or industrialists with narrow minds or axes to grind.

The most successful secretary I know about accepted his job only on condition that he be given authority to act alone, free from interference by individual members of the organization. After completing negotiations with a manufacturing concern to locate in his city, he would go back to the organization with a request for whatever cash he needed to clinch the deal.

What happens when there are too many persons in authority is illustrated by this story. A farmer dropped in at a small city bank to get a check cashed. The cashier, an old friend who knew him to be solvent and trustworthy, asked the farmer if he raised many cattle.

"Not many," the farmer replied. "I sell most of my feed."

"How much grazing land have you?"

"Oh, a couple of hundred acres. I guess."

"You have a good set-up for beef cattle raising. Why don't you let us lend you ten thousand dollars to buy cattle?" Marketing your farm stuff on the hoof is better than hauling it to grain elevators.

The farmer pondered the idea for a few days and came back to the bank for five thousand dollars, half the sum the cashier wanted to lend him. The banker said the board of directors would meet later in the day and he would submit the request to them.

The farmer knew the bank's directors, and devoted the interim to calling on them and explaining his proposed dip into the livestock raising business. Every one of them congratulated him. The idea was fine.

But when they got together the directors were dubious. One of them wondered out loud if the farmer, who had never borrowed money before, wasn't in financial trouble. Another doubted the applicant had adequate experience in livestock raising. The decision was negative.

The farmer had been waiting outside the directors' room and got the sad news from the cashier, who apologized as best he could. The

Blood River

Saturday was really a blustery, roaring, windy day.

Easter was a very sunshiny Sabbath. Kentucky Belle, your picture added a finishing touch to your news. Was very glad to see you as it has been so long. No, not me. It's getting high time that you and Mrs. Bucy were answering my letters.

Miss Mary Mitchell postponed her vacation to Detroit until a later date. Hafford Brown and Carus Ferguson of near Concord went to Detroit the past week to purchase Mr. Brown a car. He sold a young male cow and calf recently.

D. B. Grubbs, a very prominent farmer, is erecting some new houses between Errett Williams' and Mr. Grubbs' father, Alvie Grubbs.

Elmas Mitchell sold a lot of timber to Bonnie St. John of near Providence, who owns a saw mill. Macedonians were very sorry to read in Kentucky Belle's news of the serious illness of Mrs. Malie Maynard of Murray and formerly of near Macedonia. We wish for her a very speedy recovery.

Mrs. Ruth Maynard is employed at the Clinic. Mrs. Julia Morgan of near Blood River church is ill of pneumonia. Miss Erud Williams of Providence, Lanis Mitchell of Detroit, and Dane McClure of Locust Grove celebrated their birthdays the past week.

By the time that Miss Annie Willis, Miss Mary Mitchell and Mrs. Louisa Mitchell read the writer's good old Ledger & Times it is somewhat worn. Tom Hendon has a store now where Thomas Hendon owned last year.

Macedonia has a new peddler now, Norman Culppeper of near Cherry. Macedonian friends of Mr. and Mrs. Hassel Hutson of near Murray were very sorry to hear of the death of their daughter Easter. Sympathy is extended to the heart broken family.

Mrs. Elmas Mitchell phoned for Mrs. Moina Mitchell to come and spend the day with her. So long. —Ole Maid

farmer asked if he could have just one minute with the board, whereupon the cashier ushered him in. "Gentlemen," he said, "individually you are a first-rate bunch of men, but collectively you are a pack of damned fools."

YOU AND YOUR HOME

In this day of expensive building materials people are finding that costs may be lowered by planning double-duty rooms and thus eliminating some rooms entirely.

The trend in modern housing toward fewer partitions gives a feeling of spaciousness in even the smallest house.

With some rooms to serve a double purpose and others to be left out altogether requires very careful planning before the house is built if it is to be satisfactory.

First let us consider which rooms may have a dual personality. Often the dining room is eliminated and a corner of the kitchen or living room or both provide dining space. When a dining room is included it may be planned to serve as a sewing room, study, play room for the children or a second, living room.

The guest bedroom may be arranged not only to take care of the occasional guest but double daily as a study or sewing center or office.

A screened porch is the ideal spot for preparing food for canning or freezing doing the laundry, serving summer meals, and just "sitting."

A well planned basement or utility room, may be small and still provide space for heating system, water tank, laundry equipment and perhaps canning, caring for eggs, dairy products and the like.

In the extremely small house, the living and dining room and the kitchen may have to be together. In any case the sleeping quarters should be separate from the living and working areas. If there are both boys and girls in the family the minimum number of bedrooms would be three—one for the boys, one for the girls and one for the parents.

That large ice cream containers make attractive waste baskets when decorated was demonstrated by Miss Rusha Smith, Elizaville Homemakers Club, Flething county.

New Concord News

Another Easter has come and gone, and after a long winter, spring is again here.

Life has its seasons. There are times when hope is dead. We are plunged into the gloom of despondency by having castles fall, by finding friends false, by losing loved ones, by finding so much dross in our cups of content.

But every day is a new beginning. Like the dead grass which begins to peep forth after spring rains, and like jonquils which bend their heads to the ground after wintry blasts, yet rise again, when touched by the warm sunshine, people, too, are crushed and beaten to earth by life's disappointments and failures, but they can rise again. And with spring, we would like to begin anew, take new courage, have all the gloomy thoughts swept out of the corners, and be able to courageously put our hands to the plow, without looking back, and begin again.

The funeral of Era Roberts was an inspiration.

The only in the prime of life, this young woman had made hosts of friends. Her charming, vivacious personality had endeared her to all those she met, and we could almost ask as she lay surrounded by flowers and friends in the church which she had served, oh, death where is thy sting, and grave where is thy victory?

I think could she have seen the flowers, Era would have appreciated more than all the others, tho, the little bouquet, fashioned of tiny rosebuds, a gift from the children of the Sunday School class she taught.

If I could know I would merit one flower, even a wild violet, from each child I have tried to teach. I think I'd consider that the only passport I'd need in my hand to gain entrance into the pearly gates.

Easter was a complete occasion for the Crowell family here in Concord.

Their son, Thomas Lee, who had been in the army 18 months, and who had written in February from Germany that he was starting home, but had been heard from no more, arrived Saturday evening.

Mrs. Nola Allbritton had all her children, except one son from Detroit home, too.

Our dear old mother prepared Easter dinner for her brood as usual. Children are indeed to be pitied who no longer have parents to continue bringing the family together in the old childhood home.

Mr. and Mrs. Bruce Ferguson of Eddyville have been visiting relatives here the past week.

We hear that Barber Edwards announces that the singing convention will meet here in Concord second Sunday in May, so every body get your vocal chords tuned.

Well, by Friday grade children and teachers will be free. I can remember how as a child I looked forward to going barefooted in the spring. We'll feel just that foot-loose again, tho, of course when winter came we looked forward to new shoes. So it takes all seasons to make a complete life.

Prof. G. V. Ferrell Added To Staff

Prof. Guy V. Ferrell, from Cape Girardeau, Mo., has been temporarily added to the faculty at Murray State College to replace Prof. Fred Schultz of the education department who is not teaching this quarter because of a heavy speech schedule.

A graduate with the B.S. degree in education from Southeast Missouri State College at Cape Girardeau, Mo., Mr. Ferrell has been doing graduate work in the field of personnel at George Peabody College, Nashville, Tenn.

Mr. Ferrell was in the Navy for three years from 1941 to 1944 and held the rank of lieutenant, 1st recognition officer. He spent some time in the Pacific on the destroyer, Charles S. Sperry DD-397, and did shore duty at Pearl Harbor.

Before going into the Navy, Mr. Ferrell held a teaching position at Morehouse, Mo., where he taught in the junior high school and the elementary grades. Prior to that he was principal at Haiti, Mo., where he also taught elementary grades and in the high school.

Mr. Ferrell is now teaching general psychology, adolescent psychology, and the principles of secondary education.

GROUND BROKEN ON NEW FIELDHOUSE AT U. OF KY.

Lexington, Ky.—After more than 12 years in the planning stage, the first spade of dirt was turned last week (March 31-April 5, for the Memorial Auditorium - Fieldhouse on the campus of the University of Kentucky.

Witnessing the ceremony as special guests were members of the board of trustees, representatives of the American Legion, University Veterans' Club and others.

Excavation of the site by the contractor, which had actually begun a week previous to the formal ground-breaking, resumed immediately following the ceremony. No exact prediction was offered as to how soon this phase of the project could be completed, but conservative estimates placed the time of excavation and erection of structural steel at "approximately one year."

At the present rate of construction and providing no unforeseen stoppages occur, engineers believe the auditorium-fieldhouse will be completed by late 1949 or early 1950.

As planned by the architects, there will be two tiers of seats in the coliseum on each side and one end to accommodate a total of 12,000 spectators for athletic events.

The seating arrangements may be readily converted into an auditorium of varying sizes through the placing of a removable stage and closing of the coliseum with special wall section rolled into place by an overhead track. The

full 12,000 seating capacity may be used if needed by setting up the stage at the open end of the playing floor.

Tests Show Need Of Soil Builders

Following tests of 97 soil samples in Pulaski county, Hugh Hurst, county agent, told farmers that strongly acid soils should receive three or four tons of ground lime to the acre; moderately acid soils, two tons, and slightly acid soils, one ton to grow alfalfa.

Most of the tests showed lack of phosphate. An application of 400 to 500 pounds of 20 per cent superphosphate or 1,000 pounds of rock phosphate was suggested. Some soils were found low in potash, and applications were recommended, especially for tobacco growing.

The money earned will be added to a fund for a homemakers club.

Shifts Help Women Give Bureau Dinner

Despite the high cost of food, the Bullard County Homemakers Club demonstrated that they can still add to their treasury by serving a dollar dinner. Such was the case at the annual Farm Bureau dinner, when nine clubs, with a membership of 195 homemakers, served 750 guests. They cleared \$438.48.

All food was purchased by the women with the exception of potatoes.

Taking their cue from industry, the day's work of preparation was divided in shifts, a group of women relieving another to carry out the well-laid plans of Mrs. Carl Evans, county president, and Home Agent Angie McNutt. Arranged in cafeteria style with four serving centers in the Barlow high school gymnasium, the dinner was served and 750 guests seated in 22 minutes.

The money earned will be added to a fund for a homemakers club.
