Correction: GagPol-specific CD4⁺ T-cells increase the antibody response to Env by intrastructural help

Ghulam Nabi¹, Michael Storcksdieck Genannt Bonsmann¹, Matthias Tenbusch¹, Oliver Gardt¹, Dan H Barouch^{2,3}, Vladimir Temchura¹ and Klaus Überla^{1*}

Correction

After the publication of our article [1], we noted that the data points for experiment 2 in the lower panel of Figure 1 were incorrect. Statistical analyses and conclusions were

not affected by this oversight. We now provide a corrected version of Figure 1 and wish to apologize for any inconvenience our error may have caused.
