Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya **Universitas Brawijaya** Universitas Br Corrigan (2007, p.87) stated, genre is category for classifying films in Universiterms of common pattern of form and content. There are many genres, of movie ital such as: Action, Adventure, Animation, Children, Comedy, Crime, Drama, Epic, Universi Family, Fantasy, Horror, Musical, Mystery, Romance, Science Fiction, Sport, Sitas Braw Universitas Brawijaya focuses on the drama movie. Basically, drama film is a genre that relies on the Universitemotional and relational development of realistic characters. While drama filmsitas relies heavily on this kind of development, dramatic themes play a large role in the plot as well. Often, these dramatic themes are taken from intense, real life Universi issues. Whether heroes or heroines are facing a conflict from the outside or a conflict within themselves, drama film aims to tell an honest story of human Universit struggles (Drama, n.d). As had been stated before, drama movie tells about the real life issues. In the movie used by the writer as an object, there is also a story Universitabout human struggle. It is Cinderella Man, the main object of this analysis. Cinderella Man is an American drama film by Ron Howard produced by Howard, Penny Marshall, Universitand Brian Grazer. This movie was distributed by Universal Studio, Miramaxsitas B Films and Touchstone Pictures. It was released on June 03, 2005 and got success as box office movie. Furthermore, this movie is different from other drama Universit movies, because the setting of this movie took in Great Depression time and has it as relation with history. In this thesis the writer will also use historical approach to recollect the occurrences that happen in the Great Depression era. For little Universitinformation, Great Depression was the condition of economic crisis and period of Universitas Brawijaya Universitas Brawijaya

Roughly, it began with the stock market Universi crash in October, 1929, and continuing through most of the 1930 (Great leas Depression, 2013). There were effects of this occurrences, one of it was the University increasing of poverty number. In the Cinderella Man movie, conflict becomes the stars B Universitas Brawijaya Universition and etc. They are portrayed through in such way like personal Universities Brawijaya Universities University relationship, appearance of the characters, and even the setting. awijaya The story is more about the life of heavyweight boxing champion named Universit James J. Braddock. He was Irish-American boxer from New Jersey. He lived with Universi his wife Mae Braddock and their three children Jay Braddock, Rosemariesit Braddock and Howard Braddock. Before entering Great Depression time, Universi Braddock's family had lived happily. During his popularity he got nickname "Bull Dog from New Jersey", but after entering Great Depression their condition Universit became poorer and they had economical problem until Braddock became manual Brawijaya labor as longshoreman to support his family. The reason for choosing Cinderella Man movie to be analyzed insitas this study is because this movie has both entertainments and moral values which Universitäre reflected in American values. It provides social message about social Universi condition to be delivered to the audiences since America or United State is a sites federal republic state which has economic power. Historically the United States Universithas been viewed as "the land of opportunity", attracting immigrants from all oversitas the world. The opportunities they believed they would find in America and the Universite experiences they actually had when they arrived nurtured this set of values Brawijaya Universi (Datesman, 2005, p.28). Until now, these values are still portrayed in American society. It is proven Universiton their work of literature (book, novel, prose, poetry and etc), music and movie.sitas Braw In this case, the writer will focus on the characters of the movie because many Hollywood movies portray American values. Universitas Brawijaya term meaning "putting on the stage". Therefore, it refers to all the visual elements Universi of a theatrical production within the space provided by the stage itself. Filmsitas Brawijaya Universit makers borrowed this term and extended the meaning to suggest the control of the sitas director to the visual elements of a film so that it will build a special impression University which can support the story of a film. There are basically four aspects of mise-en-sitas Brawijaya scène. They are setting, costume, lighting and framing. Setting deals with the time Universit and particular places in the movie. Costume deals with the dressing or the clothing Brawijaya Universit of the characters in the movie. Lighting deals with the control of light in the shot sitas Brawijaya of the each scene. Framing deals with how the director takes a shot to describe Universities Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya While, Corrigan stated that, there are some aspects of mise-en-scène; they are lighting, shots, costumes, sets, the quality of the acting, and the other shapes University and characters in the scene (2004, p. 48). Universitas Universi human's desire or seek to achieve. Human may hold values such as "loyalty", sitas Brawijaya "truthfulness", "charity", "service" and many others. From Chris' note it can be Universit concluded that value can be something worth for human life to achieve their sitas Brawijaya Universi dreams. In addition, according to Datesman, values as social principle, goals, or a standard which are believed and accepted by a person or group. People generally Universit consider values as basic things for their lives because it can determine people's sitas Brawijaya ways of life (2005). So, from that statement, it can be concluded that values is Universities Brawijaya Brawijaya Universities Brawijaya Universities Brawijaya Universities Brawijaya Universities Brawijaya Universities Brawijaya Universities Brawijaya Brawijaya Brawijaya Universities Brawijaya are the belief that every American has. It is unique because Americans have their Universition dream, and they have a different way to gain those dream. Datesman (2005) Sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya also stated that, American values is divided into two, they are: Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya

The chance for individual
Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya universitas Brawijaya rawijaya Universitas Brawijay In 1776, the British colonial settlers declared their independences as Brawijay Universitas Brawijaya Universitas Brawijayof America. The reason why they decided to declare, because in Sitas Brawijayo Universitas Brawijay their old nation there were many aspects of their lives controlled bysitas Brawijay kings and governments, priests and churches, noblemen and aristocrats. Because of that reason they wanted to get freedom. The Brawijaya decision made by the first settlers had effect on shaping of the tas Brawijaya American character. By freedom American means the desire and the rights of all individuals to control their own destiny withouts tas Brawijaya rawijaya outside interference from the government or any other organized rawijaya authority (2005, p.29). Universitas b. Equality of opportunity The immigrants have been drawn to United Stated because they believed that in this place everyone had a chance to succeed. They are Brawijaya thought that they had a better chance to succeed in United Stated **Universitas Brawijay** than in the old country. American means that everyone should have Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijay an equal chance to enter the race and win the competition (2005, sitas Brawijay) Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya rawijaya

Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya **Universitas Brawijaya** Universitas Brawijaya Universitas Brawijaya **Universitas Brawijaya** Universitas Brawijaya Universitas Brawijav The third reason why immigrants came to United State of Americasitas Brawijava Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas was to have a better life. The phrase "going from rags to the Universitas Brawijaya Universitas Br rawijaya Universitas Brawijay riches' becomes a slogan for American dream. Because of the vastsitas Brawijay Universitas Brawijaya Universitas Brawijayamany of the immigrants. They achieve material success and many sitas Brawijaya Universitas Brawijay become very attached to material things. That is why, materials it as wealth become a value to the American people (2005, p. 32). Until today many people still believe that they can achieve their dream in Sitas Brawijaya America, so that they can raise their standard of living. 2) In order to achieve those benefits, however there were prices to be paid: Self reliance Self reliance is a price that to be paid for individual freedom. To be an American they must stand on their own feet in other word every stas Brawijaya individual must bank on themselves or risk losing freedom because most American believes that they must be self-reliant in order to keep their freedom. If they rely too much on the support of their tas Brawijaya family, government or any organization, they may lose some of their freedom to do what they want (2005, p.30). Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya Competition as Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Competition is the price to be paid for equality of opportunity. For Universitas Brawijaya American, life is seen as a race, so a person must run the race in sitas Brawijaya Universitas Brawijava order to succeed and a person must compete with others. Universitas Brawijaya Universitas Brawijaya While, Schissler (2005) defines that American values consist of: (1) Universi Individualism, Americans have traditionally prized success that comes from it as Brawijay Universitas Brawijaya Americans place a high value on personal achievement, especially outdoing Universitothers, (3) Activity and Work "Work for Work's Sake" Americans expect people it as to work hard and to be busily engaged in some activity even when not at work, (4) Humanitarianism Americans emphasize helpfulness, personal kindness, aid in Universi mass disasters, and organized philanthropy, (5) Freedom, this core value pervades U.S. life because Americans pride themselves on their personal freedom. (6) Universi Equality of opportunity, it has significantly influenced U.S. history and continues to mark relations between groups that make up U.S. society. One of the American values stated above is self reliance. Similar explanation is also stated by Wayne (2010), that self Universitas BraA call to individual to declare his or her independence from Iniversit society...self reliance is not egotism but the foundation of a society made up of individuals who, in eschewing 'consistency', questioning authority, and seeking authentic meaning in their lives, create more perfect society. The core concept of self reliance originally came Universi from Ralph Waldo Emerson and he is famous called as Emerson. He was ansitas Universitas Brawijaya Universitindividualism.
