

Editorial Introduction

This May, the *Independent Journal of Management & Production (IJM&P)* is launching a Special Edition in partnership with the Organizing Committee of the *II International Conference on Agrarian Science and Education in the European Integration Context (ASEEIC)*, held by the State Agrarian and Engineering University in Podilya (Kamianets-Podilskyi, Ukraine) in March 2019. The conference is dedicated to the 100th anniversary of the University founding.

The origin of the State Agrarian and Engineering University in Podilya dates back to 1919, to the creation of the Agricultural Faculty affiliated to Kamianets-Podilskyi State Ukrainian University. Later, in 1921 Agricultural Faculty was reorganized into Kamianets-Podilskyi Agricultural Institute, in 1955 - into Kamianets-Podilskyi Agricultural and Engineering Academy, in 2004 - into State Agrarian and Engineering University in Podilya (PDATU).

During the following years the University has been undergoing dynamic changes, developing and widening its activities and premises. Currently the University consists of four faculties (Veterinary Medicine and Technologies in Livestock, Agricultural Technologies and Environmental Management, Engineering and Technology, Economics), Institute of Postgraduate Education and Retraining, O. Alekseeva Scientific and Research Institute of Cereal Crops, five colleges, two technical schools, Regional Innovative Centre "HUB Podillia", International Center of Cultural and Educational Activity and Advisory, the Botanical Garden, the Research and Production Center "Podillia", the veterinary clinic, the student learning farm, the collection orchard, the educational apiary.

The **IJM&P** and **PDATU** partnership with publishing this SPECIAL EDITION, aims to promote the proceedings of the **II ASEEIC**, during which the relevant research findings were presented.

We congratulate all the authors for the papers and that, by merit, had their papers accepted in our journal in English. We would also like to thank the scientific committee of II ASEEIC for its support and Nataliia Semenyshena as a coordinator, from the selection of the works to the finalization of the publishing process.

In Table 1 we present some information about the event showing its relevance.
