Open University Malaysia, Jalan Tun Ismail Kuala Lumpur 50480, Malaysia

Abstract

The collaboration between Open University Malaysia (OUM) and Kolej Tentera Darat (KTD), an army college started since 2002. OUM held strongly on the believe of lifelong learning and this collaboration are able to provide education opportunities to those who missed their earlier chances in pursuing higher education. The purposes of this study are: 1) to do a descriptive study on the learner's performance and 2) to determine the impact of conducting different approach in teaching and learning system. The outcome of this study will be able to show the different approaches of teaching and learning in strategic collaborations.

Keywords: Open and distance learning (ODL); Lifelong learning; Strategic collaboration; Teaching delivery; Assessment format
